Back to Where We Came From B. Lising,2020-05-21 What on earth are we doing here Why are we on this planet We would normally try to understand things by seeing their origin If we could know their beginning then we would know their purpose But how about humankind what is our starting point The Gospel is the one and only connection we have from Eternity This means that the only way we can know our origin and purpose is to see the whole account of the Gospel The author believes in the perfect consistency of the Scripture that all books of the Bible hold only a single message He is also convinced that the last book is the summary of the whole Bible the book of Revelation will connect all the dots and will reveal to us the big picture This manuscript will give readers a clear understanding about the origin of mankind before the beginning of time our foretold journey on earth and our new beginning after the ending of time This is the Big Picture of Our Great Restoration **Remains of the late Reverend Alexander Nisbet ... consisting of Essays, Lectures and**

Sermons. With a memoir of his life, by the Rev. John Taylor Alexander NISBET (Minister of the Secession Church, Portsburgh.),1835 *Stellar Dust* P. A. Graves,1896 *A Biblical and Theological Dictionary* Richard Watson,1842 *The Bible, Rocks and Time* Davis A. Young,Ralph F. Stearley,2008-08-18 Davis A Young and Ralph Stearley seek to convince readers of the vast antiquity of the Earth They point out the flaws of young Earth creationism and counter the impression by many scientists that all Christians are young Earth creationists *Assyrian Echoes of the Word* Thomas Laurie,2020-11-30 This volume does not claim to march in the front ranks of Assyrian scholars The writer has not excavated mounds hitherto unknown and interpreted the tablets he found there His has been the humbler aim of making a larger number acquainted with the work that has been done and with some at least of the results obtained He has sought to gather up the fragments that nothing be lost so that humble believers who have been startled by the noise of the battle now raging round the Word may have their hearts reassured by the corroborations of the truth that lie stored up in every ancient mound and are brought to light by the pick of the explorer *A Biblical and Theological Dictionary* Richard Watson (Wesleyan Minister.),1831

Simataa, 2015-06-30 The Seventh Day Sabbath and the Christian Doctrine of Redemption is a book every Christian must have in their home library The author tackles the biblical doctrine of redemption in a convincing manner and drives home the centrality of the Sabbath in redemption Over the past hundred years the witness of the sciences such as physics and biochemistry including mathematics as well as the testimony of archaeology and history has put the skeptics of the Bible on the defensive To this overwhelming testimony the author adds the witness of recent fulfilled Bible prophecy The author proceeds to show persuasively how recent fulfilled prophecies have proved once again that the Bible is truly the Word of God In the book the closing work of the gospel on the planet is shown to have a prophetic edge that no one person on the globe can afford to ignore **The Book of Revelation Revealed** Michael Dale, 2018-02-04 The book of Revelation is one of the most mysterious books in the Holy Bible Many have attempted to unlock its secrets This book is the author's contribution to this task The Book of Revelation Revealed is an in depth journey into the Book of Revelation's extraordinary prophecies Author Michael B Dale applies tools of wisdom divine revelation and personal insight studious reflection combined with a historical perspective and guidance from the Holy Spirit to gain insight into some of these mysteries This is another addition to the Revealed Series that every student of prophecy can gain some amount of insight from **Family Herald**, 1844 **Personal Wellness Through the Old Testament** William Fairbanks, 2008-04
