Persianate Verse and the Poetics of Eastern Internationalism Samuel Hodgkin, 2023-12-21 At the height of literary nationalisms in the twentieth century, leftist internationalists from Turkey, Iran, Afghanistan, India and the Soviet East bonded over their shared love of the classical Persian verses of Hafiz and Khayyam. At writers' congresses and in communist literary journals they affirmed their friendship and solidarity with lyric ghazals and rubaiyat. Persianate poetry became the cultural commons for a distinctively Eastern internationalism shaping national literatures in the Soviet Union, the Middle East and South Asia. By the early Cold War the literary entanglement between Persianate culture and communism had established models for cultural decolonization that would ultimately outlast the Soviet imperial project. In the archive of literature produced under communism in Persian, Tajik, Dari, Turkish, Uzbek, Azerbaijani, Armenian and Russian, this book finds a vital alternative to Western globalized world literature.

The Exterminating Angel Luis Buñuel, Luis Alcoriza, 2003 An aristocrat called Nobile invites several society friends to his house after the opera. But even as the dinner preparations are underway, servants feel compelled to leave. Despite threats of dismissal, the footman also leaves, and as other guests arrive, other servants escape. Dinner is served and hours pass but the guests do not leave. Finally, each refusing to be the first to leave, the party distrust sets in and the guests turn on their host, blaming him for their self-induced captivity. One of Buñuel's most sardonically humorous and visually stunning works.

The PIP Anthology of World Poetry of the 20th Century Douglas Messerli, 2000 The fifth volume of this acclaimed anthology features the work of innovative poets of southern California. This gathering of 28 poets does not write a particular kind of poetry but as individuals they have worked together through a series of intersecting ideas and interests to create some of the best writing of contemporary poetry, contradicting many of the simplistic notions of people outside of the region. In his introduction, editor Douglas Messerli provides a complete history of the loosely knit group and the interrelationships within it.

My Year 2004 Douglas Messerli, 2008 The third volume in Messerli's ongoing cultural memoirs, beginning in the year 2000, considers all things under the skin: readings, events and memories that have defined him as a person. In his ongoing attempt to write about a life defined by cultural experiences, Messerli delves deep into the cultural events both popular and literary he was witness to during his lifetime.
