He stimulated my curiosity and I really wanted to know more about him, but I did not have the courage to ask him questions about his life. His knowledge on some subjects was extraordinary, especially in chemistry, anatomy and sensational literature, but his ignorance was sometimes extraordinary too. He _____ almost nothing about literature, philosophy and politics. He once said that all the information he acquired was useful for his job. He _____ the violin very well, too. After a week I discovered that he knew many people from different social classes. When they _____ in our flat, Holmes asked me kindly to leave the sitting room and I went to my bedroom. He always apologised afterwards. "I sometimes need the room for business," he explained. "These people are my clients."

I remember that on the 4th March I got up very early and he was in the sitting room having breakfast. While I _____ for my own breakfast, I read a very strange article in the newspaper. It said
