H. Kidd, 2016-09-02 Excerpt from *Personal Recollections of a Cavalryman With Custer's Michigan Cavalry Brigade in the Civil War* In preparing this book it has not been the purpose of the author to write a complete historical sketch of the Michigan cavalry brigade Such a history would require a volume as large for the record of each regiment and even then it would fall short of doing justice to the patriotic services of that superb organization The narrative contained in the following pages is a story of the personal recollections of one of the troopers who rode with Custer and played a part small it is true but still a part in the tragedy of the civil war As such it is modestly put forth with the hope

that it may prove to be an interesting story to those who read it The author also trusts that it may contribute something albeit but a little toward giving Custer s Michigan cavalymen the place in the history of their country which they so richly earned on many fields About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Personal Recollections of a Cavalryman James Harvey Kidd,2019-12-18 Personal Recollections of a Cavalryman is a story of the personal recollections of one of the troopers who rode with Custer and played a part in the tragedy of the civil war In writing this book the author s intention was to contribute toward giving Custer s Michigan cavalymen the place in the history of their country which they so richly earned on many fields **Personal Recollections of Cavalryman with Custer's Michigan Cavalry Brigade in the Civil War** James Harvey Kidd,2015-11-05 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Custer at Gettysburg* Phillip Thomas Tucker,2023-06-14 A mosaic of thousands of tiny pieces that seen whole amounts to a fascinating picture of what probably was the most important moment of the Civil War Thomas E Ricks New York Times bestselling author of The Generals George Armstrong Custer is famous for his fatal defeat at the Little Bighorn in 1876 but Custer s baptism of fire came during the Civil War His true rise to prominence began at Gettysburg in 1863 On the eve of the Battle of Gettysburg Custer received promotion to brigadier general and command his first direct field command of the Michigan Cavalry Brigade the Wolverines Custer did not disappoint his superiors who promoted him in a search for more aggressive cavalry officers At approximately noon on July 3 1863 the melee that was East Cavalry Field at Gettysburg began An hour or two into the battle after many of his cavalymen had been reduced to hand to hand infantry style fighting Custer ordered a charge of one of his regiments and led it into action himself screaming one of the battle s most famous lines Come on you Wolverines Around three o clock the

Confederates led by Stuart mounted a final charge which mowed down Union cavalry until it ran into Custer's Wolverines who stood firm breaking the Confederates' last attack. In a book combining two popular subjects, Tucker recounts the story of Custer at Gettysburg with verve, showing how the Custer legend was born on the fields of the war's most famous battle and offers eye-opening new perspectives on Gettysburg's overlooked cavalry battle. A thoughtful and challenging new look at the great assault at Gettysburg, Tucker is fresh and bold in his analysis and use of sources. William C. Davis, author of *Crucible of Command*

PERSONAL RECOLLECTIONS OF CAVA James Harvey 1840-1913 Kidd, 2016-08-26 **Custer Victorious** Gregory J. W. Urwin, 1983-01-01 Custer found himself in the one dilemma all soldiers most dread: he was outnumbered and completely surrounded. With disaster looming in every quarter and no chance of escape, so Gregory J. W. Urwin pulls the reader into a scene describing not the Battle of the Little Big Horn but a Civil War engagement that George Armstrong Custer and his troop survived thanks to strategy as much as naked courage. Many books have focused on Custer's Last Stand in 1876, making legend of total defeat. *Custer Victorious* is the first to examine at length, with attention to primary sources, his brilliant Civil War career. Urwin writes, "None of Custer's exploits against the Plains Indians could compare with those he performed while with the Army of the Potomac. The leader of a brigade called the Wolverines, Custer was promoted to major general and the helm of the Third Cavalry Division when he was only twenty-four." Urwin describes the Boy General's vital contributions to Union victories from Gettysburg to Appomattox.
