Seventy Weeks Leviticus The Nature Of Prophecy:

The Seventy Weeks, Leviticus, and the Nature of Prophecy Frank B. Holbrook,1986 *Daniel Gerhard Pfandl*,2004

The Jubilee from Leviticus to Qumran John Bergsma,2007-03-31 The observation of the Jubilee Year 2000 by many Christian groups worldwide generated renewed interest in the theological historical and socio economic aspects of the biblical jubilee This book begins with an analysis of the historical origins of the jubilee institution in ancient Israel and then traces the reinterpretation of the jubilee and the text of Leviticus 25 through the Old Testament the Second Temple literature and the Qumran documents It demonstrates that with the passage of time the socio economic implementation of the jubilee is increasingly de emphasized in favor of an eschatological interpretation in which the jubilee itself functions as a type of the final age and cycles of jubilee years are employed to calculate when this age will arrive *Christ With Us* Warren Shipton,2016-12-13 What do you know about the Old Testament sanctuary and its fulfillment in Christ s ministry on earth and in heaven Have you considered how the sanctuary sheds light on salvation the nature of humanity the law and the gospel the judgment Christian life and worship the believer s assurance or last day events Most Christians recognize that the spring festivals of Israel pointed to Jesus death resurrection and enthronement at the right hand of God but they somehow miss the correlation of the fall festivals to Christ s heavenly ministry In *Christ With Us* Warren Shipton draws from the imagery and teachings of Hebrews Revelation and other New Testament passages with help from scholarly sources and history to shed light on the sanctuary as depicted in the books of Moses the prophets and the Psalms His aim is to assist the reader in better understanding and appreciating God s means of dealing with the sin problem through Jesus sacrifice on earth and ministry as High Priest in heaven revealing God s character of love mercy and justice and the spiritual connections between the teachings of the sanctuary the concept of the great controversy and other major biblical teachings The book is a primer for the newcomer to the topic of the sanctuary as well as a resource for the seasoned student If you want to know more about Jesus and how the Old Testament sanctuary points forward to what He did for humankind in dying on the cross and what He continues to do for us in heaven as our High Priest this book is for you *Cult and Character* Roy Gane,2005-01-01 Roy Gane critically evaluates Jacob Milgrom s purification offering theory but ultimately affirms and expands on his seminal insight that theodicy is foundational to the Israelite expiatory system Gane s conclusions are derived from exegetical study of Hebrew ritual texts and by adapting a systems theory approach to human activity systems *Historical Dictionary of the Seventh-Day Adventists* Gary Land,2014-10-23 Seventh day Adventism was born as a radical millenarian sect in nineteenth century America It has since spread across the world achieving far more success in Latin America Africa and Asia than in its native land In what seems a paradox Adventist expectation of Christ s imminent return has led the denomination to develop extensive educational publishing and health systems Increasingly established within a variety of societies Adventism over time has modified its views on many issues and accommodated itself to the delay of the Second Advent In the process it has

become a multicultural religion that nonetheless reflects the dominant influence of its American origins This second edition of Historical Dictionary of the Seventh Day Adventists covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on key people cinema politics and government sports and critics of Ellen White This book is an excellent access point for students researchers and anyone wanting to know more about Seventh day Adventism **The a to Z of the Seventh-Day Adventists** Gary Land,2009-07 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination The A to Z of the Seventh-Day Adventists Gary Land,2009-07-29 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination The first major element of the book is a chronology of Adventist history that begins with William Miller s conclusion in 1818 that the Second Advent of Jesus would occur about 1843 and extends through the Science and Theology Conferences of 2002 04 The interpretive introduction that follows places the emergence of Adventism within the context of the Second Great Awakening describes the development of sabbatarian Adventism from its early opposition to church organization to its highly institutionalized and bureaucratically structured contemporary form and examines the denomination s geographical expansion from a small North American sect to a global church The dictionary entries that constitute the bulk of the volume address individuals organizations institutions and doctrines that have been important in the history of the church including dissident movements and individuals who have emerged as critics of the denomination and its beliefs Second there are entries on the development and current situation of Adventism in many individual countries Finally thematic entries on such subjects as art music literature health care and women address other elements important to understanding church life The dictionary entries are followed by a bibliography of scholarly and popular works published by the denomination commercial and academic presses and individuals and organizations *The Bible , Ritual Words and Narrative Worlds in the Book of Leviticus* Bryan D. Bibb,2009-06-01 This book argues that literary features and ritual dynamics within the book of Leviticus enlighten each other The first two chapters establish that one may read Leviticus as a coherent literary work and define the genre of Leviticus as narrativized ritual a complex blending of descriptive narrative and prescriptive ritual In conversation with Catherine Bell they present several aspects of the text that are ritualized and show how this ritualization implies a negotiation of power relations among participants The third and fourth chapters examine the first half of Leviticus both the legal sections in Lev 1 7 and 11 15 and the narratives in Lev 8 10 and 16 These sections alternate between establishing the ritual system and exposing gaps and ambiguities in that system Chapter 5 turns to the second half of Leviticus traditionally called the Holiness Code The ritual language found in this section is less formal and precise mirroring the way in which the

concept of holiness is expanded and extended to the whole people As this material concludes the book it relativizes and democratizes the strict ritual system contained in the first half **Handbook for Bible Study** Lee J. Gugliotto, 2000 A guide to understanding teaching and preaching the Word of God Includes reproducible exegesis work sheets for contextual cultural structural verbal theological and homiletical analyses Exploring the Heavenly Sanctuary Marc Rasell, 2012-06-14 This book reveals whether there is a temple in heaven and what its purpose is Christ is revealed as our High Priest who intercedes for us This is the heart of the Seventh day Adventist message Issues addressed include Can we be sure there is a real temple in heaven What is the purpose of this temple When does the judgement start Do we need to keep the Ten Commandments Should we observe a literal Sabbath And much more The heavenly sanctuary reveals Jesus who ever intercedes for us Hebrews 7 25 An extremely thorough engaging presentation of the framework of Seventh day Adventist beliefs Kirkus Review Toward a Priestly Christology Adriani Milli Rodrigues, 2018-11-02 Toward a Priestly Christology is a constructive theology on the person and work of Christ from the standpoint of a systematic thinking about his priesthood This priesthood is usually discussed in biblical scholarship on the Christology of Hebrews and also explored in historical or systematic theology with its connections with soteriology and ecclesiology However there is a scarcity of studies that attempt to systematize this topic in its basic components and their ontological foundations in order to provide conceptual clarity for a constructive discussion of the priestly Christology in systematic theology The book makes a contribution to this discussion by engaging firstly with the main models of Christ s priesthood in Christian theology and then with a theological reading of the letter to the Hebrews In both steps the author conceptually articulates the priesthood in terms of need agent actions and goal Then he observes the conceptual articulation from the macro hermeneutical point of view of ontology especially noticing how assumptions on time and space impact the internal logic of Christ s priesthood By using existing models of this priesthood as heuristic tools for systematic thinking the work attempts to push Christian theology toward a more dynamic understanding of Christ s priesthood especially regarding the relationship between the ascended Christ and our Christian life **Unmovable** Henry Cha, Putting God s Last day Church on Unmovable Footing In 1861 Ellen White wrote that we are now living in the time of the shaking and that everything that can be shaken will be shaken See Letters and Manuscripts vol 1 Letter 5b These words are very alarming and cannot be brushed off lightly Then in 1902 she penned the following Just as soon as the people of God are sealed in their foreheads it is not any seal or mark that can be seen but a settling into the truth both intellectually and spiritually so they cannot be moved just as soon as God s people are sealed and prepared for the shaking it will come Indeed it has begun already The SDA Bible Commentary vol 4 page 1161 The truths that the people of God need to be settled into both intellectually and spiritually so they are unmovable in the time of the shaking include the sanctuary the investigative judgment and the three angels messages We cannot afford to be willfully ignorant of these foundational life and death messages We cannot afford to know just bits and pieces about them If we are to remain secure and unmovable in the

shaking time we need to be grounded and fully settled in these truths which bring out more fully the work and mission of Jesus Christ in the heavenly sanctuary especially for those living in the time of the end Unmovable is recommended reading for all pursuing the backstory to Daniel s chapter 8 vision Unto two thousand and three hundred days then shall the sanctuary be cleansed John Fleming Lay Pastor Dobbins Seventh day Adventist Church This book has to be read by every single Christian who is waiting for the soon return of Christ It deals with the very knowledge that will enable the readers to comprehend Christ s redemptive work as the Great High Priest in the heavenly sanctuary and be ready to meet Him face to face Eld Michael Lee Carnesville Korean SDA Church Georgia U S A Unmovable shines a bright light unto the path that leads to eternal life and helps guide the Christian through the theology that prepares us for translation Sean Worix Co founder Protestant Church Ministries "Seventy-Sevens Are Decreed" Ron Haydon,2016-11-04 Few passages in the Old Testament are as enigmatic as Daniel 9 24 27 It makes sense therefore that a myriad of interpretations surround these four verses Expanding on Brevard Childs s brief work on Daniel Haydon responds to this question with a canonical approach to Dan 9 24 27 reading a text that is shaped to include future generations of faithful interpreters The first part lays the groundwork for a canonical approach Whereas most biblical scholars read Daniel 9 through the lens of historical and composition critical tools Childs and his readers frame the chapter within the larger theological message of the book The second section is an interpretation of 9 24 27 in its canonical context doing exegetical and theological work in tandem Daniel 9 24 27 is of course an apocalyptic text leading the reader through the Antiochene crisis and beyond The theology of the chapter however asks us to look back to the Law and the Prophets Leviticus 25 26 and Jeremiah 25 29 are integral to Daniel 9 Traditions begun in the preceding corpora rest sin debt and kingdom Lev 26 34 35 Jer 25 10 12 29 10 14 find their culmination in Dan 9 24 27 Haydon s study brings these texts to bear on the seventy sevens in Daniel 9 24 After a careful study of the phrase s background we discover that the construction refers to more than a number or even a single event This time image points to a larger pattern of rulership wherein leaders rise and fall vv 25 26 while the Ancient of Days remains the true King Ambiguity also plays a part Daniel 9 24 27 lacks historical detail for a reason namely to create an interpretive space that a faith community can occupy The final form of Dan 9 24 27 is a theological construct allowing multiple generations to live in expectation of God s rule A biblical theology of Daniel 9 24 27 moving into the New Testament and contemporary Christian reception concludes Haydon s study **In The Days of These Kings: The Book of Daniel in Preterist Perspective** Jay Rogers,2018-01-08 And in the days of these kings shall the God of heaven set up a kingdom which shall never be destroyed and the kingdom shall not be left to other people but it shall break in pieces and consume all these kingdoms and it shall stand for ever Daniel 2 44 The message of Daniel is that Jesus the Messiah is now ruling over the nations Daniel tells us that Messiah s kingdom will advance in the whole world from generation to generation Daniel 4 4 34 Christ s dominion is given to the people of the saints of the most High Daniel 7 22 Our purpose then is to see all people nations and languages serve and

The Cultic Motif in the Book of Daniel Winfried Vogel, 2010 This unique study of the theology of the book of Daniel examines the cultic motif within the book as it relates to space and time Numerous references and allusions to cult are investigated with linguistic literary and contextual analyses The findings are then related to the main theological themes of the book such as judgment eschatology kingdom and worship It is evident that the idea of cult plays a dominant role in Daniel and that it demonstrates the intention of the author to present the issue of conflict of two opposing systems of cult and worship For all who are interested in an exegesis of Daniel that pays dutiful attention to the theology of Daniel *The Cultic Motif in the Book of Daniel* is a must read
