Luis, J. Michael Dash**

Seville A Cultural And Literary History:

Seville, Córdoba and Granada Elizabeth Nash,2005 Seville, Córdoba, and Granada Elizabeth Nash,2005-10-13

Spain's southern city of Seville basks in romantic myths and legends evoking the scent of jasmine and orange blossom. But there is an ascetic core to its sybaritic spirit. For all their fame as passionate performers, the poet Unamuno called Sevillanos finos y frios, refined and cool. Once Europe's most cosmopolitan metropolis bridging cultures of East and West and hub of a sea-borne empire, Seville was defined by Spain's great seventeenth-century playwright Lope de Vega as port and gateway to the Indies. The city retains both the swagger of its seafaring heyday and the sensual flavor of Moorish al-Andalus. Seville produced Spain's lowest ruffians, grandest grandees, and a seductive gypsy culture that colors our wider perception of Spain. Elizabeth Nash explores the palaces, the mosques, the patios, fountains, and wrought-iron balconies of Seville, Córdoba, and Granada, cities celebrated for centuries by Europe's finest painters, poets, satirists, and travel writers for their voluptuous beauty and vibrant cultural mix.

The Rough Guide to Andalucía Rough Guides,2015-05-05 The fully updated Rough Guide to Andalucía is the ultimate guide to this autonomous region in southern Spain: an exciting blend of fiestas, sherry, Roman ruins, and whitewashed villages. Lavish photography brings to life the region's wealth of attractions, from the breathtaking Alhambra palace in Granada and Córdoba's exquisite medieval Mezquita to the spectacular natural beauty of Andalucía's numerous national parks. The Rough Guide to Andalucía provides comprehensive coverage of all major sights and towns, with incisive reviews of the best places to eat, sleep, and drink in every price range, as well as insider tips on the best tapas bars, clubs, and beaches. The detailed and easy-to-use colour maps and plans for each major town, city, and monument, alongside expert advice on getting around, as well as engaging commentary on the region's history and culture, mean that you really can make the most of your visit to Andalucía.

The Rough Guide to Andalucía Geoff Garvey, Mark Ellingham,2012-07-12 The new full-color Rough Guide to Andalucía is the essential guide to one of Europe's most vibrant destinations. The autonomous region of Andalucía is the part of the Iberian peninsula that is most quintessentially Spanish: a land of flamenco, sherry, and ruined castles. Lavish photography brings to life the region's wealth of attractions, from the breathtaking Alhambra palace in Granada and Córdoba's exquisite medieval Mezquita to the spectacular natural beauty of Andalucía's numerous national parks. The Rough Guide to Andalucía provides comprehensive coverage of all major sights and towns, with incisive reviews of the best places to eat, sleep, and drink in every price range, as well as insider tips on the best tapas bars, clubs, and beaches. Expert background is provided on every destination, together with lively articles on the region's history and culture. There are detailed and easy-to-use color maps and plans for every major town, city, and monument to help make finding that hotel, restaurant, or museum easy. Make the most of your visit to southern Spain with the Rough Guide to Andalucía.

Selected Studies in Romantic and American Literature, History, and Culture Charles J. Rzepka, 2016-04-01 Gathered together for the first time the essays in this volume were selected to give scholars ready access to important late twentieth and early twenty first century contributions to scholarship on the Romantic period and twentieth century literature and culture Included are Charles J Rzepka s award winning essays on Keats s Chapman s Homer sonnet and Wordsworth s Michael and his critical

intervention into anachronistic new historicist readings of the circumstances surrounding the composition of Tintern Abbey Other Romantic period essays provide innovative interpretations of De Quincey's relation to theatre and the anti slavery movement Genre is highlighted in Rzepka's exploration of race and region in Charlie Chan while his interdisciplinary essay on The Wizard of Oz and the New Woman takes the reader on a journey that encompasses the Oz of L Frank Baum and Victor Fleming as well as the professional lives of Judy Garland and Liza Minnelli Taken together the essays provide not only a career retrospective of an influential scholar and teacher but also a map of the innovations and controversies that have influenced literary studies from the early 1980s to the present As Peter Manning observes in his foreword this collection shows that even in diverse essays the force of a curious and disciplined mind makes itself felt *The Cambridge Companion to Modern Spanish Culture* David T. Gies, 1999-02-25 This book offers a comprehensive account of modern Spanish culture tracing its dramatic and often unexpected development from its beginnings after the Revolution of 1868 to the present day Specially commissioned essays by leading experts provide analyses of the historical and political background of modern Spain the culture of the major autonomous regions notably Castile Catalonia and the Basque Country and the country's literature narrative poetry theatre and the essay Spain's recent development is divided into three main phases from 1868 to the outbreak of the Spanish Civil War the period of the dictatorship of Francisco Franco and the post Franco arrival of democracy The concept of Spanish culture is investigated and there are studies of Spanish painting and sculpture architecture cinema dance music and the modern media A chronology and guides to further reading are provided making the volume an invaluable introduction to the politics literature and culture of modern Spain *Seville, Cordoba, and Granada: A Cultural History* Elizabeth Nash, 2005-10-13 Spain's southern city of Seville basks in romantic myths and legends evoking the scent of jasmine and orange blossom But there is an ascetic core to its sybaritic spirit For all their fame as passionate performers the poet Unamuno called Sevillanos finos y frios refined and cool Once Europe's most cosmopolitan metropolis bridging cultures of East and West and hub of a sea borne empire Seville was defined by Spain's great seventeenth century playwright Lope de Vega as port and gateway to the Indies The city retains both the swagger of its seafaring heyday and the sensual flavor of Moorish al Andalus Seville produced Spain's lowest ruffians grandest grandees and a seductive gypsy culture that colors our wider perception of Spain Elizabeth Nash explores the palaces the mosques the patios fountains and wrought iron balconies of Seville Cordoba and Granada cities celebrated for centuries by Europe's finest painters poets satirists and travel writers for their voluptuous beauty and vibrant cultural mix *History of the Christian Church*, tr. by A. Rutherford (J.H. Freese). Wilhelm Ernst Möller, 1893 **Abbatial Authority and the Writing of History in the Middle Ages** Benjamin Pohl, 2023-08-22 This book argues that abbatial authority was fundamental to monastic historical writing in the period c 500 1500 Writing history was a collaborative enterprise integral to the life and identity of medieval monastic communities but it was not an activity for which time and resources were set aside routinely Each act of historiographical

production constituted an extraordinary event one for which singular provision had to be made workers and materials assigned time carved out from the monastic routine and licence granted This allocation of human and material resources was the responsibility and prerogative of the monastic superior Drawing on a wide and diverse range of primary evidence gathered from across the medieval Latin West this book is the first to investigate systematically how and why abbots and abbesses exercised their official authority and resources to lay the foundations on which their communities historiographical traditions were built by themselves and others It showcases them as prolific authors patrons commissioners project managers and facilitators of historical narratives who not only regularly put pen to parchment personally but also and perhaps more importantly enabled others inside and outside their communities by granting them the resources and licence to write Revealing the intrinsic relationship between abbatial authority and the writing of history in the Middle Ages with unprecedented clarity Benjamin Pohl urges us to revisit and revise our understanding of monastic historiography its processes and its protagonists in ways that require some radical rethinking of the medieval historian s craft in communal and institutional contexts

A Literary History of the Arabs Reynold Alleyne Nicholson,1930 *European Literary History* Maarten De Pourcq,Sophie Levie,2018-02-28 This clear and engaging book offers readers an introduction to European Literary History from antiquity through to the present day Each chapter discusses a short extract from a literary text whilst including a close reading and a longer essay examining other key texts of the period and their place within European Literature Offering a view of Europe as an evolving cultural space and examining the mobility and travel of literature both within and out of Europe this guide offers an introduction to the dynamics of major literary networks international literary networks publication cultures and debates and the cultural history of Europe as a region as well as a concept

A Comparative History of Literatures in the Iberian Peninsula Fernando Cabo Aseguinolaza,Anxo Abuín Gonzalez,César Domínguez,2010-05-26 A Comparative History of Literatures in the Iberian Peninsula is the second comparative history of a new subseries with a regional focus published by the Coordinating Committee of the International Comparative Literature Association As its predecessor for East Central Europe this two volume history distances itself from traditional histories built around periods and movements and explores from a comparative viewpoint a space considered to be a powerful symbol of inter literary relations Both the geographical pertinence and its symbolic condition are obviously discussed when not even contested Written by an international team of researchers who are specialists in the field this history is the first attempt at applying a comparative approach to the plurilingual and multicultural literatures in the Iberian Peninsula The aim of comprehensiveness is abandoned in favor of a diverse and extensive array of key issues for a comparative agenda A Comparative History of Literatures in the Iberian Peninsula undermines the primacy claimed for national and linguistic boundaries and provides a geo cultural account of literary inter systems which cannot otherwise be explained

A Cultural History of Gardens in the Medieval Age Michael Leslie,2015-04-02 The Middle Ages was a time of great upheaval the

period between the seventh and fourteenth centuries saw great social political and economic change The radically distinct cultures of the Christian West Byzantium Persian influenced Islam and al Andalus resulted in different responses to the garden arts of antiquity and different attitudes to the natural world and its artful manipulation Yet these cultures interacted and communicated trading plants myths and texts By the fifteenth century the garden as a cultural phenomenon was immensely sophisticated and a vital element in the way society saw itself and its relation to nature A Cultural History of Gardens in the Medieval Age presents an overview of the period with essays on issues of design types of gardens planting use and reception issues of meaning verbal and visual representation of gardens and the relationship of gardens to the larger landscape A Cultural History of Disability in the Middle Ages Jonathan Hsy,Tory V. Pearman,Joshua R. Eyler,2023-05-17

The Middle Ages was an era of dynamic social transformation and notions of disability in medieval culture reflected how norms and forms of embodiment interacted with gender class and race among other dimensions of human difference Ideas of disability in courtly romance saints lives chronicles sagas secular lyrics dramas and pageants demonstrate the nuanced and sometimes contradictory relationship between cultural constructions of disability and the lived experience of impairment An essential resource for researchers scholars and students of history literature visual art cultural studies and education A Cultural History of Disability in the Middle Ages explores themes and topics such as atypical bodies mobility impairment chronic pain and illness blindness deafness speech learning difficulties and mental health **The Literature of Al-Andalus**

María Rosa Menocal,2006-11-02 The Literature of Al Andalus is an exploration of the culture of Iberia present day Spain and Portugal during the period when it was an Islamic mostly Arabic speaking territory from the eighth to the thirteenth century and in the centuries following the Christian conquest when Arabic continued to be widely used The volume embraces many other related spheres of Arabic culture including philosophy art architecture and music It also extends the subject to other literatures especially Hebrew and Romance literatures that burgeoned alongside Arabic and created the distinctive hybrid culture of medieval Iberia Edited by an Arabist an Hebraist and a Romance scholar with individual chapters compiled by a team of the world s leading experts of Islamic Iberia Sicily and related cultures this is a truly interdisciplinary and comparative work which offers a interesting approach to the field

Private Libraries and their Documentation, 1665-1830 Rindert Jagersma,Helwi Blom,Evelien Chayes,Ann-Marie Hansen,2023-11-07 The essays in Private Libraries and their Documentation revolve around the users and contents of early modern private book collections and around the sources used to document and study these collections They take the reader from large scale projects on historical book ownership to micro level research conducted on individual libraries and from analyses of specific types of primary sources to general typologies and overviews by period and by region As a result of its comparative approach and active engagement with questions regarding the nature selection and accessibility of sources the volume serves as a guide to sources and resources in different regions as well as to state of the art methods and interpretational approaches Publication of this volume in open

access was made possible by the Ammodo KNAW Award 2017 for Humanities

A History of Literature in the Caribbean: Cross-cultural studies Albert James Arnold, Julio Rodríguez-Luis, J. Michael Dash, 1994 Cross Cultural Studies is the culminating effort of a distinguished team of international scholars who have worked since the mid 1980s to create the most complete analysis of Caribbean literature ever undertaken Conceived as a major contribution to postcolonial studies cultural studies cultural anthropology and regional studies of the Caribbean and the Americas Cross Cultural Studies illuminates the interrelations between and among Europe the Caribbean islands Africa and the American continents from the late fifteenth century to the present Scholars from five continents bring to bear on the most salient issues of Caribbean literature theoretical and critical positions that are currently in the forefront of discussion in literature the arts and public policy Among the major issues treated at length in Cross Cultural Studies are The history and construction of racial inequality in Caribbean colonization The origins and formation of literatures in various Creoles The gendered literary representation of the Caribbean region The political and ideological appropriation of Caribbean history in creating the idea of national culture in North and South America Europe and Africa The role of the Caribbean in contemporary theories of Modernism and the Postmodern The decentering of such canonical authors as Shakespeare The vexed but inevitable connectedness of Caribbean literature with both its former colonial metropolises and its geographical neighbors Contributions to Cross Cultural Studies give a concrete cultural and historical analysis of such contemporary critical terms as hybridity transculturation and the carnivalesque which have so often been taken out of context and employed in narrowly ideological contexts Two important theories of the simultaneous unity and diversity of Caribbean literature and culture propounded by Antonio Benítez Rojo and Édouard Glissant receive extended treatment that places them strategically in the debate over multiculturalism in postcolonial societies and in the context of chaos theory A contribution by Benítez Rojo permits the reader to test the theory through his critical practice Divided into nine thematic and methodological sections followed by a complete index to the names and dates of authors and significant historical figures discussed Cross Cultural Studies will be an indispensable resource for every library and a necessary handbook for scholars teachers and advanced students of the Caribbean region

A Concise History of Spain William D. Phillips, Carla Rahn Phillips, 2010-07 Engaging history of the rich cultural social and political life of Spain from prehistoric times to the present

Encyclopedia of Blacks in European History and Culture Eric Martone, 2008-12-08 Blacks have played a significant part in European civilization since ancient times This encyclopedia illuminates blacks in European history literature and popular culture It emphasizes the considerable scope of black influence in and contributions to European culture The first blacks arrived in Europe as slaves and later as laborers and soldiers and black immigrants today along with others are transforming Europe into multicultural states This indispensable set expands our knowledge of blacks in Western civilization More than 350 essay entries introduce students and other readers to the white European response to blacks in their countries the black experiences and impact there and the major interactions

between Europe and Africa the Caribbean and the United States that resulted in the settling of blacks in Europe The range of information presented is impressive with entries on noted European political literary and cultural figures of black descent from ancient times to the present major literary works that had a substantial impact on European perceptions of blacks black holidays and festivals the struggle for civil equality for blacks the role and influence of blacks in contemporary European popular culture black immigration to Europe black European identity and much more Offered as well are entries on organizations that contributed to the development of black political and social rights in Europe representations of blacks in European art and cultural symbols and European intellectual and scientific theories on blacks Individual entries on Britain Spain Portugal France Italy Germany the Netherlands Russia Central Europe Scandinavia and Eastern Europe include historical overviews of the presence and contributions of blacks and discussion of country s role in the African slave trade and abolition and its colonies in Africa and the Caribbean Suggestions for further reading accompany each entry A chronology resource guide and photos complement the text
