M. Houlbrook, H. Cocks

Sex And The City Geographies Of Prostitution In The Urban World:

Sex and the City Phil Hubbard, 2017 This title was first published in 2000 Prostitution has always played a crucial symbolic role in the definition of moral and sexual standards and as such the figure of the prostitute has been paradigmatic in the history of the sex and the city Focusing on the geographies of female prostitution in Western societies this book explores the nature of sites of sex work and the ways they shape the lives of prostitutes and their clients In so doing the book aims not simply to present a static mapping of sex work but seeks to highlight how these public and private spaces are struggled over with prostitutes often resisting the strategies of social and legal control designed to regulate their working practices The book consequently engages with a number of contemporary debates in social cultural and gender geography surrounding the importance of public and private spaces in producing and reproducing gender sex and bodily identities

Sex and the City Phil Hubbard, 1999 Prostitution has always played a crucial symbolic role in the definition of moral and sexual standards and as such the figure of the prostitute has been paradigmatic in the history of the sex and the city Focusing on the geographies of female prostitution in Western societies this book explores the nature of sites of sex work and the ways they shape the lives of prostitutes and their clients In so doing the book aims not simply to present a static mapping of sex work but seeks to highlight how these public and private spaces are struggled over with prostitutes often resisting the strategies of social and legal control designed to regulate their working practices The book consequently engages with a number of contemporary debates in social cultural and gender geography surrounding the importance of public and private spaces in producing and reproducing gender sex and bodily identities *The Cambridge World History of Sexualities: Volume 1, General Overviews* Merry E. Wiesner-Hanks, Mathew Kuefler, 2024-04-30 Volume I offers historiographical surveys and general overviews of central topics in the history of world sexualities Split across twenty two chapters this volume places the history of sexuality in dialogue with anthropology women s history LGBTQ history queer theory and public history as well as examining the impact Freud and Foucault have had on the history of sexuality The volume continues by providing overviews on the sexual body family and marriage the intersections of sexuality with race and class male and female homoerotic relations trans and gender variant sexuality the sale of sex sexual violence sexual science sexuality and emotion erotic art and literature and the material culture of sexuality **The Oxford Encyclopedia of Women in World History**

Bonnie G. Smith, 2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated women s daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no

historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike

Queer London Matt Houlbrook,2020-07-08 In August 1934 young Cyril L wrote to his friend Billy about all the exciting men he had met the swinging nightclubs he had visited and the vibrant new life he had forged for himself in the big city He wrote I have only been queer since I came to London about two years ago before then I knew nothing about it London for Cyril meant boundless opportunities to explore his newfound sexuality But his freedom was limited he was soon arrested simply for being in a club frequented by queer men Cyril s story is Matt Houlbrook s point of entry into the queer worlds of early twentieth century London Drawing on previously unknown sources from police reports and newspaper exposés to personal letters diaries and the first queer guidebook ever written Houlbrook here explores the relationship between queer sexualities and modern urban culture that we take for granted today He revisits the diverse queer lives that took hold in London s parks and streets its restaurants pubs and dancehalls and its Turkish bathhouses and hotels as well as attempts by municipal authorities to control and crack down on those worlds He also describes how London shaped the culture and politics of queer life and how London was in turn shaped by the lives of queer men Ultimately Houlbrook unveils the complex ways in which men made sense of their desires and who they were In so doing he mounts a sustained challenge to conventional understandings of the city as a place of sexual liberation and a unified queer culture A history remarkable in its complexity yet intimate in its portraiture *Queer London* is a landmark work that redefines queer urban life in England and beyond A ground breaking work While middle class lives and writing have tended to compel the attention of most historians of homosexuality Matt Houlbrook has looked more widely and found a rich seam of new evidence It has allowed him to construct a complex compelling account of interwar sexualities and to map a new intimate geography of London Matt Cook The Times Higher Education Supplement Winner of History Today s Book of the Year Award 2006

Prostitution, Modernity, and the Making of the Cuban Republic, 1840-1920 Tiffany A. Sippial,2013-11-11 Between 1840 and 1920 Cuba abolished slavery fought two wars of independence and was occupied by the United States before finally becoming an independent republic Tiffany A Sippial argues that during this tumultuous era Cuba s struggle to define itself as a modern nation found focus in the social and sexual anxieties surrounding prostitution and its regulation Sippial shows how

prostitution became a prism through which Cuba's hopes and fears were refracted. Widespread debate about prostitution created a forum in which issues of public morality, urbanity, modernity, and national identity were discussed with consequences not only for the capital city of Havana but also for the entire Cuban nation. Republican social reformers ultimately recast Cuban prostitutes and the island as a whole as victims of colonial exploitation who could be saved only by a government committed to progressive reforms in line with other modernizing nations of the world. By 1913, Cuba had abolished the official regulation of prostitution, embracing a public health program that targeted the entire population, not just prostitutes. Sippial thus demonstrates the central role the debate about prostitution played in defining republican ideals in independent Cuba.

Sex Work Now Rosie Campbell, Maggie O'Neill, 2013-05-13. Sex Work Now provides an authoritative overview of female sex work and policy in the UK and addresses a number of key contemporary issues and debates. These include sex worker unionization, migrant sex work and trafficking, communities and sex work, male clients of sex workers, the policing of prostitution, zoning of street sex work, young people and sexual exploitation, drug use and sex work, exiting violence and sex work. Throughout the book is shaped by the lives and experiences of sex workers themselves, drawing on applied policy or participatory action research. This book approaches the subject from an interdisciplinary perspective, cutting across conventional boundaries of sociology, criminology, politics, and social policy. Contributors to the book include academics, researchers, practitioners, and activists who are among the leading commentators on prostitution in the UK. Provides overview of sex work in UK, considers impact of recent legislation and policy, especially Sex Offences Act 2003, focus on lives and experiences of sex workers themselves.

Transgressive Imaginations M. O'Neill, L. Seal, 2012-05-11. This book focuses upon the breaking of rules and taboos involved in doing crime, including violent crime as represented in fictive texts and ethnographic research. It includes chapters on topics of urgent contemporary interest such as asylum seekers, sex work, serial killers, school shooters, crimes of poverty, and understandings of madness.

Queer London Matt Houlbrook, 2005-09-03. Cyril's story is Matt Houlbrook's point of entry into the queer worlds of early twentieth-century London. Drawing on previously unknown sources from police reports and newspaper exposes to personal letters, diaries, and the first queer guidebook ever written, Houlbrook here explores the relationship between queer sexualities and modern urban culture that we take for granted today. He revisits the diverse queer lives that took hold in London's parks and streets, its restaurants, pubs, and dancehalls, and its Turkish bathhouses and hotels, as well as attempts by municipal authorities to crack down on those worlds. Jacket.

Palgrave Advances in the Modern History of Sexuality M. Houlbrook, H. Cocks, 2005-10-26. Palgrave Advances in the Modern History of Sexuality offers a comprehensive and accessible overview of historical debate in the history of European and American sexuality since c. 1750. Each chapter explores in detail one theme such as race, pornography, marriage, science, or religion, which historians have seen as essential to writing the history of sexuality. The book therefore not only offers a broad introduction to the state of the art but also suggests new directions for research and debate.

Navigating Contemporary Sex Work Emily Cooper, Laura Graham, Lynzi Armstrong, Martin Zebracki, Paul

Maginn, 2024-10-14 This book draws together interdisciplinary perspectives to examine the legal moral and socio spatial regulation of sex work in the contemporary context With a thematic focus on the gendered landscape of sex work formal and informal methods of socio spatial control and in access to justice this book explores the role of space in the regulation of sex work in diverse contexts from the local to the global The chapters collectively bring together complex inter related issues that impact the lives of sex workers throughout the world providing evidence of the impacts of regulation on sex workers and subsequent barriers to accessing justice and rights This collection centres the regulated lives of sex workers using an intersectional lens that highlights the gendered and racialised impacts of stigma Incorporating knowledge derived from both academic research and lived experience this book provides a unique contribution that will be of interest to academics and policy makers globally

Trans Bonnie Ann Farmer, 2002

Places of Tenderness and Heat Olga Petri, 2022-06-15

Places of Tenderness and Heat is a ground level exploration of queer St Petersburg at the fin de siècle Olga Petri takes us through busy shopping arcades bathhouses and public urinals to show how queer men routinely met and socialized She reconstructs the milieu that enabled them to navigate a city full of risk and opportunity Focusing on a non Western unexplored and fragile form of urban modernity Petri reconstructs a broad picture of queer sociability In addition to drawing on explicitly recorded incidents that led to prosecution or medical treatment she investigates the many encounters that escaped bureaucratic surveillance and suppression Her work reveals how queer men's lives were conditioned by developing urban infrastructure weather light and lighting and the informal constraints on enforcing law and moral order in the city's public spaces Places of Tenderness and Heat is an ambitious record of the dynamic negotiation of illicit male homosexual sex friendship and cruising and uncovers a historically fascinating urban milieu in which efforts to manage the moral landscape often unintentionally facilitated queer encounters

Sex Work in Colonial Egypt

Francesca Biancani, 2018-07-30 In the early 20th century Cairo was a vibrant and booming global metropolis The integration of Egypt into the global market had led to rapid urban growth and increased migration As occupational prospects for women outside the family were limited sex work became a prominent feature of the new modern city However the economic and social changes in Egypt ignited national anxieties about racial degeneration social disorder and imperial decadence Francesca Biancani argues here that this was a period of national crisis that became inscribed on the bodies of female sex workers Based on a wide range of rare primary sources including documents from court cases reformist papers police minutes and letters Biancani examines the discourses around sex workers and shows how prostitution was understood in colonial Egypt The book argues that from initially regulating and managing prostitution local and colonial elites began to depict sex workers as a threat to the physical and moral welfare of the rising Egyptian nation However far from being a marginal activity prostitution is shown to play a central role in the history of Egyptian nation making By exploring the interdependence of power and marginality respectability and

transgression Biancani writes sex work and its practitioners back into the history of modern Egypt The book is an original contribution to the global history of prostitution and a vital resource for scholars of Middle East Studies [Encyclopedia of Urban Studies](#) Ray Hutchison,2009-09-15 The United Nations estimates that by 2030 more than two thirds of the total world population will live in urban areas Most of this increase will take place not in Europe or in the United States but in the megacities and newly emerging urban regions of what used to be called the developing world Urban studies is an expansive and growing field covering many disciplines and professional fields each with its own schedule of conferences journals and publication series These two volumes address the specific theories key studies and important figures that have influenced not just the individual discipline but also the field of urban studies more generally The Encyclopedia of Urban Studies is intended to present an overview of current work in the field and to serve as a guide for further reading in the field Key Features Includes important work and traditions from each of the urban disciplines including urban anthropology urban economics urban geography urban history urban politics urban psychology and urban sociology Addresses both the growth and expansion of urban areas urbanization and the nature and quality of urban life urbanism Demonstrates the international and interdisciplinary nature of the field with contributions from scholars in many different countries Confronts a number of important issues ranging from individual problems of poverty to societal problems of provision of adequate housing and social exclusion Provides entries on a number of cities including those in different historical periods and regions of the world and those that have been important in the development of urban studies Key Themes Disciplinary Approaches in Urban Studies Urban Studies Topical Areas Urban Issues Urban Planning Urban Theory Urban Transportation Urban Culture Places Cities Persons The Encyclopedia of Urban Studies serves as an introduction to topics of significance in urban studies for an audience that includes undergraduate students beginning graduate students of urban studies and the related urban disciplines a broader public that has an interest in the new urban world and even established teachers and scholars who are exploring new areas of study [Sex and the Contract](#) Vincenzo Zeno-Zencovich,2011-03-21 A non conventional analysis of the relationship between sexual practices and private law and of the underlying policies in the light of the growing commodification of sex [Bawdy City](#) Katie M. Hemphill,2020-01-02 A vivid social history of Baltimore s prostitution trade and its evolution throughout the nineteenth century Bawdy City centers woman in a story of the relationship between sexuality capitalism and law Beginning in the colonial period prostitution was little more than a subsistence trade However by the 1840s urban growth and changing patterns of household labor ushered in a booming brothel industry The women who oversaw and labored within these brothels were economic agents surviving and thriving in an urban world hostile to their presence With the rise of urban leisure industries and policing practices that spelled the end of sex establishments the industry survived for only a few decades Yet even within this brief period brothels and their residents altered the geographies economy and policies of Baltimore in profound ways Hemphill s critical narrative of gender and labor shows how

sexual commerce and debates over its regulation shaped an American city [Women in the American West](#) Laura E. Woodworth-Ney,2008-04-03 This engaging narrative synthesizes more than 20 years of historical writing on the history of women in the American West Twenty years after many Western historians first turned their attention toward women *Women in the American West* synthesizes the development of women's history in the region introduces readers to current thinking on the real experiences of Western women and explores their influence on the course of expansion and development since the 19th century *Women in the American West* offers vivid portrayals of women as pioneers prostitutes teachers disguised soldiers nurses entrepreneurs immigrants and ordinary citizens caught up in extraordinary times Organized chronologically each chapter emphasizes important themes central to gender and women's history including women's mobility women at home wage labor immigration marriage political participation and involvement in wars at home and abroad With this revealing volume readers will see that women had a far more profound effect on the course of history in the Western United States than is commonly thought [Demanding Sex: Critical Reflections on the Regulation of Prostitution](#) Marina Della Giusta,2016-05-13 Interrogating supply demand from an inter and multi disciplinary perspective this collection broadens engagement beyond the routine analysis of the locus of violence in prostitution and the validity of the prostitute's consent A focus on the supply demand dynamic brings into play a range of other societal economic and psychological factors such as the social construction of sexuality the viability of alternative choices for prostitutes and clients and the impact of regulatory regimes on the provision of sexual services The factors which underlie each component of the supply demand dyad are also studied and an examination is made of their dynamic interrelation The collection emphasizes the importance of rendering policy makers alert to the evidence emerging from empirical studies conducted in different fields of enquiry in the hope of moving beyond polarity and politics at the local national and international level [Streetlife](#) Leif Jerram,2011-02-24 The twentieth century in Europe was an urban century it was shaped by life in and the view from the street Women were not liberated in legislatures but liberated themselves in factories homes nightclubs and shops Lenin Hitler and Mussolini made themselves powerful by making cities ungovernable with riots rampaging through streets bars occupied one by one New forms of privacy and isolation were not simply a by product of prosperity but because people planned new ways of living new forms of housing in suburbs and estates across the continent Our proudest cultural achievements lie not in our galleries or state theatres but in our suburban TV sets the dance halls pop music played in garages and hip hop sung on our estates In *Streetlife* Leif Jerram presents a totally new history of the twentieth century with the city at its heart showing how everything distinctive about the century from revolution and dictatorship to sexual liberation was fundamentally shaped by the great urban centres which defined it

Sex And The City Geographies Of Prostitution In The Urban World Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sex And The City Geographies Of Prostitution In The Urban World has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sex And The City Geographies Of Prostitution In The Urban World has opened up a world of possibilities. Downloading Sex And The City Geographies Of Prostitution In The Urban World provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sex And The City Geographies Of Prostitution In The Urban World has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sex And The City Geographies Of Prostitution In The Urban World. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sex And The City Geographies Of Prostitution In The Urban World. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sex And The City Geographies Of Prostitution In The Urban World, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sex And The City Geographies Of Prostitution In The Urban World has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available

and embark on a journey of continuous learning and intellectual growth.

FAQs About Sex And The City Geographies Of Prostitution In The Urban World Books
