Sex, Sickness, and Slavery Marli F. Weiner, 2012-07-30 Marli F Wiener skillfully integrates the history of medicine with social and intellectual history in this study of how race and sex complicated medical treatment in the antebellum South Sex Sickness and Slavery argues that Southern physicians scientific training and practice uniquely entitled them to formulate medical justification for the imbalanced racial hierarchies of the period Challenged with both helping to preserve the slave system by acknowledging and preserving clear distinctions of race and sex and enhancing their own authority with correct medical diagnoses and effective treatment doctors sought to understand bodies that did not necessarily fit into neat dichotomies or agree with suggested treatments Focusing on Southern states from Virginia to Alabama Weiner examines medical and lay perspectives on the body through a range of sources including medical journals notes diaries daybooks and letters These personal and revealing sources show how physicians medical students and patients both free whites and slaves felt about vulnerability to disease and mental illnesses how bodily differences between races and sexes were explained and how emotions common sense working conditions and climate were understood to have an effect on the body Physicians authority did not go uncontested however Weiner also describes the ways in which laypeople both black and white resisted medical authority clearly refusing to cede explanatory power to doctors without measuring medical views against their own bodily experiences or personal beliefs Expertly drawing the dynamic tensions during this period in which Southern culture and the demands of slavery often trumped science Weiner explores how doctors struggled with contradictions as medicine became a key arena for debate over the meanings of male and female sick and well black and white North and South The

Lucid sex is to sex as lucid dreaming is to dreaming Most people sleepwalk through life never once waking up and much the same is true of their sex life Vanilla sex missionary position sex is barely sex at all You need to get your kink on before you can enjoy true sex Lucid sex is all about understanding the immensely powerful unconscious forces that impact our sex lives By mastering these via role play ritual BDSM and so on you can find out all about your deep self and not only vastly improve the quality of your sex life but also become a better and much more powerful person in the process You can use kink to achieve Jungian individuation What s not to like Imagine how much happier you would be if you understood why you search for those particular things on Pornhub that so get you going and if your actual sex life reflected what you constantly dream of

How do you ask for the sex you really want but are too scared to mention It s time to get lucid sexually and in every other part of your life because they re all connected *Sex in Relation to Society* Havelock Ellis,2013-10-22 Studies in the Psychology of Sex Volume VI Sex in Relation to Society describes the social attitude and legal opinion toward sex This volume is composed of 12 chapters and starts with a survey on the maternal role in child s early knowledge about sex The next chapters explore the principles of sex education nakedness sexual love chastity and sexual abstinence Other chapters cover sex related topics including the origin and development of prostitution sexual morality marriage and the so called art of love A chapter tackles the issue of acquiring venereal disease due to sexual malpractice and prostitution The final chapter discusses the link between the art of love and the science of procreation This book will be of value to psychologists teachers parents and the general readers who are interested the allied fields Sex, Lies, and Cigarettes Sharon Anne Cook,2012 A cultural and historical investigation into why women smoke *Sex, the World History* John R. Gregg,2019-07-26 Sex The World History Through Time Religion and Culture is a daring exploration of human sexuality from the ancient to the modern world Sex The World History traces sexual attitudes from the transcendent to the bizarre throughout world cultures Unmasked are sexual practices and beliefs previously omitted or obscured from all historical telling In a scathing condemnation of religion and its control of sex the book explores the intricate dance between spirituality and sexuality Revealed for the first time is a history of bisexuality in the majority of human cultures Prior to Christianity bisexual orientation was common in Asia the Pacific Africa the Americas and Europe Religions have controlled sex and gender orientation throughout time The history of LGBTQ across the globe is illuminated here How have women been exploited in sexual and cultural roles from prehistory to present day How does religion affect women s sexuality throughout time The supremacy of the Mother Earth Goddess throughout most of human existence and her relatively recent fall have had drastic consequences for women s sexual expression and identity Other topics included are sex slavery and human trafficking child brides forced marriages Roman Catholic abuses war time sexual crimes Victorian licentiousness the evolution of sexual attitudes in North and South America the sexual revolution of the counter culture Offered here is an encyclopedic tour of the sexuality of humankind **Sex and Reason** Richard A. Posner,1992 Posner s rational choice theory is the first comprehensive approach to sexuality and its social controls Drawing on the fields of biology law history religion and economics this sweeping study examines societies from ancient Greece to today s Sweden and issues from incest taboos and date rape to gay marriage and Baby M Coffee Sex and Biscuits Rolf Witzsche, **The Descent of Man, and Selection in Relation to Sex** Charles Darwin,1872 *Studies in the Psychology of Sex VI: Sex in Relation to Society* Havelock Ellis,2016-08-25 The origin of these Studies dates from many years back As a youth I was faced as others are by the problem of sex Living partly in an Australian city where the ways of life were plainly seen partly in the solitude of the bush I was free both to contemplate and to meditate many things A resolve slowly grew up within me one main part of my life work should be

to make clear the problems of sex That was more than twenty years ago Since then I can honestly say that in all that I have done that resolve has never been very far from my thoughts I have always been slowly working up to this central problem and in a book published some three years ago *Man and Woman a Study of Human Secondary Sexual Characters* I put forward what was in my own eyes an introduction to the study of the primary questions of sexual psychology Now that I have at length reached the time for beginning to publish my results these results scarcely seem to me large As a youth I had hoped to settle problems for those who came after now I am quietly content if I do little more than state them For even that I now think is much it is at least the half of knowledge In this particular field the evil of ignorance is magnified by our efforts to suppress that which never can be suppressed though in the effort of suppression it may become perverted I have at least tried to find out what are the facts among normal people as well as among abnormal people for while it seems to me that the physician s training is necessary in order to ascertain the facts the physician for the most part only obtains the abnormal facts which alone bring little light I have tried to get at the facts and having got at the facts to look them simply and squarely in the face If I cannot perhaps turn the lock myself I bring the key which can alone in the end rightly open the door the key of sincerity That is my one panacea sincerity

Love, Sex, and Desire in Modern Egypt L. L.
