Sex Power:

Sex, Power, Control Fiona Gardner, 2021-01-01 Given their rhetoric on safeguarding the response of religious organisations to abuse by the clergy sexual physical and spiritual has been inept thoughtless mean and without any sense of urgency Sex Power Control explores the underlying reasons for the mishandling of recent abuse cases Using psychoanalytical and sociological insights and including her own experiences as shown in the BBC documentary Exposed The Church's Darkest Secret Gardner asks why the Churches find themselves in such a crisis and how issues of power and control have contributed to secrecy deception and heartache Drawing on survivor accounts and delving into the psychology of clergy abusers she reveals a culture of avoidance and denial while an examination of power dynamics highlights institutional narcissism and a hierarchical structure based on deference with defensive assumptions linked to sex gender and class Sex Power Control is an invaluable resource for all those in the church or similar institutions and for anyone concerned about child abuse

Sex, Power, Conflict : Evolutionary and Feminist Perspectives Ann Arbor David M. Buss Professor of Psychology University of Michigan, Los Angeles Neil Malamuth Professor of Communication and Psychology and Chair of the Department of Communication and Speech University of California, 1996-03-21 Sexual harassment in the workplace date rape and domestic violence dominate the headlines and have recently sparked scholarly debates about the nature of the sexes Concurrently the scientific community is conducting research in topics of sex and gender issues Indeed more research is being done on the topics of sexual conflict and coercion than at any other time in the history of the social sciences Despite this attention it is clear that these issues are being addressed from two essentially different perspectives one is labeled feminist while the other viewed as antithetical to the feminist movement is called evolutionary psychology which emphasizes the history of reproductive strategies in understanding conflict between the sexes This book brings together leading experts from both sides of the debate in order to discover how each could offer insights lacking in the other The editors overall goal is to show how the feminist and evolutionary approaches are complementary despite their evident differences then provide an integration and synthesis In fact several of the contributors to this unique volume consider themselves advocates of both

approaches As a stimulating presentation of the dynamics of sex power and conflict and a pioneering rapprochement of the diverse tendencies within the scientific community this book will attract a wide audience in both psychology and women studies fields

[Talking Dirty on Sex and the City](#) Beatriz Oria,2014-06-05 First broadcast on HBO in 1998 Sex and the City quickly became a mainstream success Following four women who navigate the promise and peril of social political and sexual relationships in New York the series caused a stir in the popular media Academia also responded with a remarkable body of criticism for such an apparently trivial program But more than ten years after the show ended there is still much more to say about this cultural phenomenon that spawned two film sequels In Talking Dirty on Sex and the City Romance Intimacy Friendship Beatriz Oria explores the discourses surrounding the series from a sociological point of view Specifically this book focuses on the conventions of the romantic comedy genre and how its familiar fictional world articulates issues of intimacy gender identity and interpersonal relationships Oria considers how generic conventions employed by the show affect discourses on intimacy and how interpersonal relationships at the turn of the century have not only been represented but also fashioned through a relevant popular culture text The author also explores such elements as romantic versus democratic love the representation of female sexuality and new family models With an interdisciplinary approach this book touches on many different areas including sociology psychology gender studies and media studies Aimed at a broad academic audience Talking Dirty on Sex

and the City will also appeal to longtime fans who are no doubt still gossiping about the show **Sex in Cyberspace** Sarah Earle, Keith Sharp, 2016-04-01 Sex in Cyberspace offers a bold and provocative yet sensitively written account of an under investigated area of sociological enquiry While there is a considerable amount of research documenting the experiences of sex workers very little data exists on their male clientele The first empirically based volume on the experiences of men who pay for sex this work presents a significant new source of data The book is based upon an extensive study of on line forums in which both the purchasers of sexual services and the workers themselves can exchange information and views information which is otherwise extremely difficult to obtain Sarah Earle and Keith Sharp argue that such sites represent a significant change in the social organization of sex work and those who seek and use the services of sex workers Shedding new light on men s sexual identity Sex in Cyberspace makes a major contribution to the study of sexuality **Sex and Civilization** Paul Bousfield, 1928 The Sex Side of Life Mary Ware Dennett, 2016-01-07 ANATOMY OF THE FEMALE SEX ORGANISM Every woman should be given plain practical sane sensible instruction concerning the sex organism of woman its functions its laws its use and its abuse This important feature of the physical organism plays an all powerful part in the life of every woman and particularly in the life of the married woman It is nature s mechanism for the reproduction of the race Every child that is born into the world is conceived gestated and finally delivered as a result of the functioning of this organism Therefore such instruction and knowledge is vitally necessary not only for the intelligent performance of the duties of parenthood but also for the best interests of race preservation race culture and the physical well being and health of the individual woman And yet custom and ancient prejudice have drawn the veil over this most important subject so that it is difficult for the average woman to find practical clean information concerning her own anatomy and physiological functions concerned with her sex life To many it has appeared that the particular organs and parts of the body concerned with the reproductive functions of the woman are base unclean and impure and that any woman discussing them or seeking information regarding them must be immoral or at least not respectable Anatomical charts and physiological treatises on the subject are tabooed outside of the doctor s office Women are considered immodest if they seek to acquaint themselves with the facts of life concerning one of their most important classes of physical functions It is considered not nice for a young woman to know anything about her physical being in those phases which play the most important part in her life Can there be anything more ridiculous and insane This is a matter which excites the most intense surprise disgust and despair in the average person possessing a scientific tendency But the dawn is breaking and a better day is ahead of the race concerning these things *Tantrism: Sex Magick for the Soul* Joseph Leal, 2018-05-29 Modern spirituality and new age information is filled with distortions misconceptions and is leading humanity astray from our individual ascension The power and connection to the soul has never been so limited and continues to create a world that is predominately living in their minds We all have the power to become magical We all have the power to live out our dreams and find a true soulmate Working with sexual energy in tantric

relationships is required to have an energetic impact on the non physical astral planes to create astrally a future we wish to create rather than face the destiny that the matrix or time has in store for us We entered this world choosing our character knowing how our life would begin and how it will end Ascension means creating our future astrally before we experience our fixed destiny This is what magic and our lesson as humans is all about **Personal Power Books** William Walker

Atkinson,Edward E. Beals,2010-01-01 Presented here in its original 12 volume series the Personal Power Books are a set of self help books designed to be carefully studied to develop personal power In the Foreword to Volume I personal power is defined as The ability of strength possessed by the human individual by which he does or may accomplish desired results in an efficient manner along the lines of physical mental and spiritual effort and endeavor In other words these books describe the methods to attaining control and power in your own life whether it be financial physical mental or emotional certainly a worthy goal for any individual Volume XII includes information on the regenerative and restorative powers of sex It talks about how to transmute sexual energy the power and attributes of sex as well as instructions on the practice and secrets of regeneration American writer WILLIAM WALKER ATKINSON 1862 1932 was editor of the popular magazine New Thought from 1901 to 1905 and editor of the journal Advanced Thought from 1916 to 1919 He authored dozens of New Thought books under numerous pseudonyms including the name Yogi some of which are likely still unknown today **The Psychology of**

Sex and Gender Jennifer K. Bosson,Joseph A. Vandello,Camille E. Buckner,2018-01-17 The Psychology of Sex and Gender meets the needs of gender science today providing students with fresh contemporary examples balanced coverage of men and women and a grounding in psychological science The dynamic author team of Jennifer K Bosson Joseph A Vandello and Camille E Buckner presents classic and cutting edge research findings historical contexts examples from popular culture cross cultural universality and variation and coverage of nonbinary identities for a full vibrant picture of the field In keeping with the growing scholarship of teaching and learning SOTL the authors ask students in every chapter to identify and evaluate their own myths and misconceptions participate in real world debates on topics at the forefront of the field and stop to think critically along the way Students will be talking about this book long after they finish the course carrying new skills forward into their lives and future careers **Ways & Power Of Love** Pitirim A. Sorokin,2015-10-22 The Ways and Power of

Love was originally published in 1954 when Pitirim Sorokin was in the twilight of his career and leading the Harvard Research Center in Creative Altruism His elaborate scientific analysis of love with regard to its higher and lower forms its causes and effects its human and cosmic significance and its core features constitutes the first study on this topic in world literature to date Sorokin was the one absolutely essential twentieth century pioneer in the study of love at the interface of science and religion Bringing The Ways and Power of Love back into print allows a new generation of readers to appreciate Sorokin s genius and to move forward with his endeavor at a time when civilization itself continues to be threatened by a marked inability to live up to the ideal of love for all humankind It is certainly right to hope with Sorokin that progress in

knowledge about love can move humanity forward to a better future Turning the sciences toward the study of love is no easy task but it can and must be done Sexuality and the Sacred James B. Nelson, Sandra P. Longfellow, 1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully **PERSONAL POWER (All 12 Volumes)** William Walker Atkinson, 2016-03-03 This carefully crafted ebook PERSONAL POWER All 12 Volumes is formatted for your eReader with a functional and detailed table of contents Personal Power Your Master Self Creative Power Your Constructive Forces Desire Power Your Energizing Forces Faith Power Your Inspirational Forces Will Power Your Dynamic Forces Subconscious Power Your Secret Forces Spiritual Power The Infinite Fount Thought Power Radio Mentalism Perceptive Power The Art of Observation Reasoning Power Practical Logic Character Power Positive Individuality Regenerative Power or Vital Rejuvenation This book is devoted to the subject of the development cultivation and manifestation of Personal Power Personal Power in all its phases aspects and modes of manifestation and expression Personal Power as understood and taught in this book may be defined as The ability or strength possessed by the human individual by which he does or may accomplish desired results in an efficient manner along the lines of physical mental and spiritual effort and endeavor William Walker Atkinson 1862 1932 was a prolific writer His works treat themes related to the mental world occultism divination psychic reality and mankind s nature *The Power of the Master Mind* Mitch Horowitz, 2019-03-04 Millions read the works of Napoleon Hill and are catapulted to their dreams Others say they get nowhere Why The difference between success and failure lies in the use of the Master Mind The Master Mind Hill taught is the pooling of intellectual intuitive and creative mental resources which occurs when two or more people enter a supportive pact to assist one another s aims A Master Mind group multiplies the mental powers of all its participants This is the secret ingredient Hill insisted that delivers lasting success Now acclaimed historian and New Thought author MITCH HOROWITZ shows you step by step how and why the Master Mind works and how truly easy it is to form and maintain your own Master Mind group If you love the motivational lessons of Napoleon Hill you cannot afford to be without the Napoleon Hill Success Course on the Master Mind Great power Hill wrote can be accumulated through no other principle Sexual Essays James Giles, 2017-11-22 Sexuality is a basic feature of human life Gender sexual and romantic attraction sexual excitement and sexual desire and fantasies all move in various degrees through our daily awareness However despite this pervasiveness there is much disagreement surrounding the nature of such things and experiences This book explores just these issues in an attempt to get clear about this enigmatic aspect of our existence Through a series of interrelated essays internationally acclaimed philosopher James Giles takes the reader on a fascinating journey to the depths of experiential social biological and evolutionary aspects of

sexual life Presenting his arguments and ideas in a clear and easy to follow language Giles criticizes several popular views clearing the way for his own unique vision of human sexuality Often controversial always engaging these pages will prove to be absorbing reading for anyone who has ever pondered the nature of sexuality and why it fills our lives in the way it does

Sex and Sex Worship Otto Augustus Wall,1922 *Navigating Contemporary Sex Work* Emily Cooper,Laura Graham,Lynzi Armstrong,Martin Zebracki,Paul Maginn,2024-10-14 This book draws together interdisciplinary perspectives to examine the legal moral and socio spatial regulation of sex work in the contemporary context With a thematic focus on the gendered landscape of sex work formal and informal methods of socio spatial control and in access to justice this book explores the role of space in the regulation of sex work in diverse contexts from the local to the global The chapters collectively bring together complex inter related issues that impact the lives of sex workers throughout the world providing evidence of the impacts of regulation on sex workers and subsequent barriers to accessing justice and rights This collection centres the regulated lives of sex workers using an intersectional lens that highlights the gendered and racialised impacts of stigma Incorporating knowledge derived from both academic research and lived experience this book provides a unique contribution that will be of interest to academics and policy makers globally **Gender Trouble** Judith Butler,Maxine Elliot Professor of Comparative Literature and Critical Theory Judith Butler,2002-05-03 Since its publication in 1990 Gender Trouble has become one of the key works of contemporary feminist theory and an essential work for anyone interested in the study of gender queer theory or the politics of sexuality in culture **Critical Sexual Literacy** Gilbert Herdt,Michelle Marzullo,Nicole Polen Petit,2021-08-03 This book is a new and exciting resource for teachers students and activists who aim to critically examine contemporary sexuality through the lens of sexual literacy and situated social analysis This original anthology provides shorter cutting edge essays on theory method and activism including the nature of globalization and local sexuality discovered in glocal topics processes and contexts These cutting edge essays inform readers of key moments in sexual history including areas relating to research practice and social policy and provide a platform from which to engage in rich discussion and forecast the development of sexual literacy in our world within multiple contexts
