Perversion of Power Mary Gail Frawley-O'Dea, 2007 Since 2002 the Roman

Catholic Church has been in crisis over the sexual abuse of minors by priests and the cover up of those crimes by bishops Over 11 000 alleged victims have reported their experiences to the Church and more than 4 700 priests since 1950 have been credibly accused of sexually victimizing minors The Church has paid over one billion dollars to adults who claim to have been sexually abused by priests and there is no end in sight to these lawsuits Celibacy homosexuality in the priesthood the infiltration into the priesthood of secular moral relativism too much liberalism in the Church since Vatican II damaging rollback of Vatican II reforms by conservative prelates all have been suggested as causes for the crisis This book however begins with the premise that because the pattern of abuse and cover up was so similar across the world there is something fundamentally awry with Church traditions and power structures in relationship to sexuality and sexual abuse Specifically in chapters on suffering and sadomasochism bodies and gender desire and sexuality celibacy and homosexuality the author concludes that aspects of the Catholic theology of sexuality set the stage for the abuse of minors and its cover up Frawley O Dea also analyzes the American bishops lack of pastoral care and tendency towards clerical narcissism the belief that the needs of the hierarchy represent the needs of the wider Church as central factors in the scandal She balances this criticism with a discussion of the backgrounds of the bishops presiding over the crisis and the challenges they faced in their relationships with the Pope and Vatican officials Drawing on twenty years of clinical experience she imagines the dynamics of sexual abuse both from the victim s point of view and from the priest s and she probes why the Church hierarchy fellow priests and lay people were silent for so long Finally Frawley O Dea examines factors internal to the Church and outside of it that drew this scandal into the public square and kept it there

In Defense of Married Priesthood Vivencio O. Ballano, 2023-08-30 This book offers an analysis of the sociological historical and cultural factors that lie behind mandatory clerical celibacy in the Roman Catholic Church and examines the negative impact of celibacy on the Catholic priesthood in our contemporary age Drawing on sociological theory and secondary qualitative data together with Church documents it contends that married priesthood has always existed in some form in the Catholic Church and that mandatory universal celibacy is the product of cultural and sociological contingencies rather than sound doctrine With attention to a range of problems associated with priestly celibacy including sexual abuse clerical shortages loneliness and spiritual sloth In Defense of Married Priesthood argues that the Roman Catholic Church should permit marriage to the priesthood in order to respond to the challenges of our age Presenting a sociologically informed alternative to the popular theological perspectives on clerical celibacy this book defends the notion of the married priesthood as legitimate means of living the vocation of Catholic priesthood one which is eminently fitting for the contemporary world It will therefore appeal to scholars and students of religion theology and sociology

The Long Dark Winter's Night Patrick Bergquist,2010-01-01 Before Father Patrick Bergquist moved to Alaska he imagined himself spending his free evenings wrapped in a warm quilt reading novel after novel during the long arctic winters Those idealized expectations were met with the unavoidable reality of winter s harshness a pervasive darkness that made it neither realistic nor helpful to merely wait out the winter and hope for spring And yet says Bergquist this is what we as a Catholic Church are tempted to do in the enduring darkness of the sexual abuse crisis We want to wrap ourselves in the secure blanket of tradition and memory thinking that this crisis too will pass or worse still that it has already passed Bergquist admits he is but a simple parish priest no saint and surely no scholar But it is precisely his perspective as a parish priest that gives rise to his poetic and prophetic voice He speaks from his heart soul and experience in a way few others have done He names and validates the pain and fear the hopes and dreams that so many of us share The Long Dark Winter s Night is both realistic and helpful Patrick Bergquist was ordained in 1990 He is a diocesan priest of the Missionary Diocese of Northern Alaska and has been pastor of St Raphael Catholic parish in Fairbanks since 1998
