Minor Prophets I Hosea Micah

Daniel J. Simundson

Minor Prophets I Hosea Micah:

The Early Minor Prophets Big Dream Ministries, 2005 The Bible is simply a love letter compiled into sixty six books and written over a period of sixteen hundred years by more than forty authors living on three continents Although the authors came from different backgrounds there is one message one theme one thread that runs throughout the entire Bible from the first book Genesis to the last book Revelation That message is God's redeeming love for mankind a message that is as relevant for us today as it was two thousand years ago The scope of The Early Minor Prophets Hosea Joel Amos Obadiah Jonah and Micah is broad indeed Chronologically they span more than four centuries from approximately 848 to 425 BC Geographically they touch Israel Judah Syria Moab Ammon Edom Egypt Ethiopia and Assyria Thematically they explore such topics as love mercy compassion wrath judgment holiness obedience disobedience hope repentance and many more As you begin your study of these books be prepared for gripping and graphic portrayals of both God and man Hosea's picture of God's love for his adulterous people symbolized by the prophet's love for his adulterous wife Jonah's portrayal of himself as a disobedient runaway prophet pursued by a patient God Amos's colorful visions of God's judgment that would come because of his continued disobedience and Obadiah's classic portrait of pride The setting of these books may be ancient but their message is modern You will meet the eternal God in them and you will meet yourself Welcome to the Minor Prophets whose message is major

Minor Prophets, 2005 In the language of the Bible prophecy has quite a broad meaning but refers primarily to the idea of speaking in the name of God The entire Old Testament could be said to be prophetic but some books carry the names of twelve minor prophets a distinction based on their length Not all of them easy to date the authors and editors of these books in the roll of the twelve prophets lived at times between the eighth century and second century BC

Hosea, Amos, Micah Gary V. Smith, 2011-10-11 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable

situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written Commentary on Minor Prophets James Burton Coffman,1984-01-01 **Reading Hosea-Micah** Terence

E. Fretheim,2013 In this new volume in the Reading the Old Testament commentary series Terence E Fretheim explores themes of indictment judgment and salvation in Hosea Micah The indictment against the people of God especially involves issues of abuse of the poor and needy and idolatry The effects of such behaviors are often horrendous in their severity While God is often the subject of such judgments the consequences like fruit grow out of the deed itself Issues of indictment and judgment are not finally ends in themselves but in the service of the salvation of God **Six Minor Prophets - Jonah,**

Malachi, Amos, Habakkuk, Hosea, Micah George Albert Edward CORNFORTH,1961 **Prophecy: The Minor Prophets** Harold Lerch,2024-03-02 This book is the last in a series of four books about prophecy This volume is about the often overlooked minor prophets In reality they include very interesting information about events that happened after their time and events still in our future Amos Hosea Micah and Nahum wrote in the Eighth and Seventh Centuries BC Before Christ about coming judgment Joel Jonah Zephaniah and Habakkuk wrote in the Ninth through Seventh Centuries BC about faith and repentance Haggai Zechariah and Malachi wrote in the Eighth and Seventh Centuries BC Haggai s ministry was to scold the returned exiles for their delay in rebuilding the Temple and to encourage them to set to work Zechariah predicted the second coming of Christ His reign His priesthood His kingship and more Malachi is the final prophet with the last message of the Old Testament It includes the hope in the prophecy of John the Baptist s ministry This series is contained in four books The whole scope of prophecy must be considered in determining the meaning of any particular passage Therefore a reading of all four books will greatly improve understanding This volume includes a bonus chapter The Book of Revelation
