Miracle Of Healing In Your Church Today:

The Miracle of Healing in Your Church Today Jim Lynn, 2002 Good health is not a matter of chance it is your birthright

Who Touched Me? Jim Lynn, 2024-01-02 Who Touched Me The War for Your Body Born of God affirms 1 Man is created in the image and likeness of God to be flesh and blood spirit and soul 2 Born again believers are members of Jesus fleshly body while at the same time He lives within each of our born again bodies 3 Satan is the source of sin sickness and death In attacking our body Satan is attacking our faith and the Body of Christ This is why both physical and spiritual healing was vital to the ministry of Jesus and to His disciples in teaching the Gospel of Jesus Christ The book explains the working of both nature and miracles as being an active act of faith working through Jesus Christ and why there is no such thing as God's providence only miracles working through faith in Christ Receive Your Miracle Now Bob Sawvelle, 2017-04-11 I encourage anyone who wants to have a better grounding in the biblical historical and theological basis for believing in the continuation of the gifts especially gift of healing to make this a part of his or her library This book is not milk it is meat Randy Clark Jesus brought people into direct contact with the power and authority of God Every healing and miracle revealed the glory of God and the reality of His kingdom Jesus gave the disciples authority to proclaim the gospel of the kingdom to heal the sick and to deliver the oppressed Receive Your Miracle Now presents a strong argument for the legitimacy of a Christian healing ministry in today's church By studying key passages of Scripture in both the Old and New Testaments examining the thread of healing throughout church history and presenting a theological basis for healing and deliverance ministry Bob Sawvelle demonstrates that through the healing gifts Jesus is still glorified the sick are still healed the oppressed are still freed and God's kingdom advances in the earth as it ever has I AM Changes Who i Am Gregg Matte, 2012-04-05 Living the Christian life is not easy especially in today's culture To be who and do what God commands Christians need to recapture the miraculous Unfortunately miracles have been left either with cable TV faith healers or tour guides in the Holy Land That has to change because it's by seeing what God does that we discover who He is And knowing who He is and what He does will change who we are and what we do Pastor Gregg Matte believes that the seven I AM statements and the seven miracles recorded in the Gospel of John can give believers a framework for living God's will In I AM Changes Who i Am readers will explore what Jesus says and does and find out what that means for their walk with Him

Miracles Can be Yours Today Pat Robertson, 2006 Helping 21st century believers walk in the power of the Spirit and look past their impossible circumstances to all the possibilities of Almighty God Provided by publisher **GPS God's**

The Working of Miracles and Other Prophetic Writings H. A. Maxwell Whyte, 2019-06-04 This collection of three prophetic books by beloved author H A Maxwell Whyte all deal with the spiritual gift the apostle Paul calls the working of miracles 1 Corinthians 12:10 The Working of Miracles looks at the powerful and prophetic outpouring of the Holy Spirit in the believer's life It unpacks the principals involved in the working of miracles and the explanation of what a miracle really is The Prophetic Word reveals the amazing power of the Word of God when spoken through His anointed vessels Pulling Down Strongholds calls the church to take its rightful place in God's plan to throw off every form of bondage to Satan and to destroy his dominion on earth in these last days Together these three classic charismatic teachings will inspire readers to boldly pursue the prophetic spiritual gifts and to stand in the spiritual victory God has promised

Book 11 Miracle Working HC Kurt Jurgensmeier, 2012-08-22 Is God still doing miracles today Because of the many claims of charismaticism a rather detailed biblical study of the matter is warranted We defend the following conclusions Modern miracle workers cannot demonstrate the attributes of biblical ones and are lying when they claim similar gifts There are no God sent miracle workers in Scripture that were not also sources of new direct divine revelation to be believed and obeyed as the word of God The faith to perform or receive a miracle is just as supernatural and God given as the miracle itself and modern faith healers are wrong to blame disappointed followers for their lack of such faith The Church has universally testified that the gifts of miracle working ceased in the early Church with the completion of the NT The fraud in the modern miracle movement has been immense Other legitimate explanations for modern miracles are intriguing and even alarming
