Modern Chivalry In Early American Law:

Modern Chivalry in Early American Law Madeline Sapienza, 1992-01-27 This work contains the legal contributions and observations of Hugh Henry Brackenridge Pennsylvania Supreme Court judge teacher preacher publisher gazetteer lawyer and fiction writer who reached the pinnacle of his career during the Jeffersonian era Brackenridge's body of legal thought is juxtaposed with the published lectures of James Wilson the commentaries on Blackstone by St George Tucker and selections from The Federalist Papers Contents Modern Chivalry The Early Books Modern Chivalry The Later Books Overview of Law Miscellanies Selected State Supreme Court Cases Concluding Thoughts **Modern Chivalry** Hugh Henry Brackenridge, 2009-09-01 It was only after serving as a chaplain in the American Revolution playing an important role in the Whiskey Rebellion and serving often controversially on the Pennsylvania Supreme Court that Hugh Henry Brackenridge composed his great comic epic Published in installments over the twenty eight year period beginning with Washington's presidency ending with that of Madison this irreverent and ribald novel relating the misadventures of Captain Farrago and his sidekick Teague O Regan leaves no major ethnic racial religious or political issue of the period unscathed **The Yale Biographical Dictionary of American Law** Roger K. Newman, 2009-01-01 This book is the first to gather in a single volume concise biographies of the most eminent men and women in the history of American law Encompassing a wide range of individuals who have devised replenished expounded and explained law The Yale Biographical Dictionary of American Law presents succinct and lively entries devoted to more than 700 subjects selected for their significant and lasting influence on American law Casting a wide net editor Roger K Newman includes individuals from around the country from colonial times to the present encompassing the spectrum of ideologies from left wing to right and including a diversity of racial ethnic and religious groups Entries are devoted to the living and dead the famous and infamous many who upheld the law and some who broke it Supreme Court justices private practice lawyers presidents professors journalists philosophers novelists prosecutors and others the individuals in the volume are as diverse as the nation itself Entries written by close to 600 expert contributors outline basic biographical facts on their subjects offer well chosen anecdotes and incidents to reveal accomplishments and include brief bibliographies Readers will turn to this dictionary as an authoritative and useful resource but they will also discover a volume that delights and entertains Listed in The Yale Biographical Dictionary of American Law John Ashcroft Robert H Bork Bill Clinton Ruth Bader Ginsburg Patrick Henry J Edgar Hoover James Madison Thurgood Marshall Sandra Day O Connor Janet Reno Franklin D Roosevelt Julius and Ethel Rosenberg John T Scopes O J Simpson Alexis de Tocqueville Scott Turow And more than 700 others **Law and Letters in American Culture** Robert A. Ferguson, 1984 The role of religion in early American literature has been endlessly studied the role of the law has been virtually ignored Robert A Ferguson's book seeks to correct this imbalance With the Revolution Ferguson demonstrates the lawyer replaced the clergyman as the dominant intellectual force in the new nation Lawyers wrote the first important plays novels and poems as

gentlemen of letters they controlled many of the journals and literary societies and their education in the law led to a controlling aesthetic that shaped both the civic and the imaginative literature of the early republic An awareness of this aesthetic enables us to see works as diverse as Jefferson's Notes on the State of Virginia and Irving's burlesque History of New York as unified texts products of the legal mind of the time The Declaration of Independence the Constitution and the great political orations were written by lawyers and so too were the literary works of Trumbull Tyler Brackenridge Charles Brockden Brown William Cullen Bryant Richard Henry Dana Jr and a dozen other important writers To recover the original meaning and context of these writings is to gain new understanding of a whole era of American culture The nexus of law and letters persisted for more than a half century Ferguson explores a range of factors that contributed to its gradual dissolution the yielding of neoclassicism to romanticism the changing role of the writer the shift in the lawyer's stance from generalist to specialist and from ideological spokesman to tactician of compromise the onslaught of Jacksonian democracy and the problems of a country torn by sectional strife At the same time he demonstrates continuities with the American Renaissance And in Abraham Lincoln he sees a memorable late flowering of the earlier tradition

Backcountry Democracy and the Whiskey Insurrection Linda Myrsiades, 2024-04-15 Backcountry Democracy and the Whiskey Insurrection treats the legal culture that informed the Whiskey Rebellion of 1794 and its trials Linda Myrsiades examines conflicts between state and federal courts and the judicial philosophy of Federalist judges as well as grand jury charges law reports judges bench notes and defense notes for the trials to develop a portrait of the hegemony of official interpretations of the law At the same time the book illuminates popular attitudes about the courts and the law and explores the nature of extralegal courts operated by the people Myrsiades captures the agitation propaganda efforts mounted by rebel communities and groups together with petitions and speeches in the rebel assemblies in demonstrating that popular culture offered a clear politico legal justification within the rebel movement on the unofficial side of legal culture Myrsiades thus presents a holistic picture of the legal culture of the rebellion Her examination denies the common perception that the rebel movement was incoherent and chaotic and presents an alternative view that its perceptions are a necessary correlative to understanding how treason law functioned and what its critical elements were in the late eighteenth century serving as a lesson for democracy in the present era

Law and Medicine in Revolutionary America Linda Myrsiades, 2012-05-18 Law and Medicine in Revolutionary America Dissecting the Rush v Cobbett Trial 1799 offers the first deep analysis of the most important libel trial in post revolutionary America and an approach to understanding a much studied revolutionary figure Benjamin Rush in a new light as a legal subject This libel trial faced off the new nation's most prestigious physician patriot Benjamin Rush against its most popular journalist William Cobbett the editor of Porcupine's Gazette Studied by means of a rare and substantial surviving transcript the trial features six litigating counsel whose narrative of events and roles provides a unique view of how the revolutionary generation saw itself and the legacy it wished to leave to its progeny The trial is structured by assaults against

medical bleeding and its premier practitioner in yellow fever epidemics of the 1790s in Philadelphia on the one hand and castigates the licentiousness of the press in the nation's then capital city on the other. As it does so, it exemplifies the much derided litigiousness of the new nation and the threat of sedition that characterized the development of political parties and the partisan press in late eighteenth century America. *American Literature Before 1880* Robert

Lawson-Peebles, 2003-11-13 *American Literature Before 1880* attempts to place its subject in the broadest possible international perspective. It begins with Homer looking westward and ends with Henry James crossing the Atlantic eastwards. In between, the book examines the projection of images of the East onto an as yet unrecognised West, the cultural consequences of Viking, Colombian and then English migration to America, the growth and independence of the British American colonies, the key writers of the new Republic and the development of the culture of the United States before and after the Civil War. It is intended both as an introduction for undergraduates to the richness and variety of American Literature and as a contribution to the debate about its distinctive nature. The book therefore begins with a lengthy survey of earlier histories of American Literature. *A Companion to American Legal History* Sally E. Hadden, Alfred L.

Brophy, 2013-02-22 *A Companion to American Legal History* presents a compilation of the most recent writings from leading scholars on American legal history from the colonial era through the late twentieth century. Presents up to date research describing the key debates in American legal history. Reflects the current state of American legal history research and points readers in the direction of future research. Represents an ideal companion for graduate and law students seeking an introduction to the field, the key questions and future research ideas. **Revolution and the Word** Cathy N. Davidson, 2004. Now greatly expanded, this classic study has been updated to include the major controversies, developments in literary cultural theory over the past two decades. It traces the co-emergence of the United States as a nation, the literary genre of the novel. **Revolution and the Word : The Rise of the Novel in America** Cathy N. Davidson, Professor of English, Duke University, 1987-02-19. *Revolution and the Word* offers a unique perspective on the origins of American fiction, looking not only at the early novels themselves but at the people who produced them, sold them and read them. It shows how, in the aftermath of the American Revolution, the novel found a special place among the least privileged citizens of the new republic. As Cathy N. Davidson explains, early American novels, most of them now long forgotten, were a primary means by which those who bought and read them, especially women and the lower classes, moved into the higher levels of literacy required by a democracy. This very fact, Davidson shows, also made these people less amenable to the control of the gentry who naturally enough derided fiction as a potentially subversive genre. Combining rigorous historical methods with the newest insights of literary theory, Davidson brilliantly reconstructs the complex interplay of politics, ideology, economics and other social forces that governed the way novels were written, published, distributed and understood. Davidson also shows, in almost tactile detail, how many Americans lived during the Constitutional era. She depicts the life of the traveling book peddler, the harsh lot of the

printer the shortcomings of early American schools the ambiguous politics of novelists like Brackenridge and Tyler and the lost lives of ordinary women like Tabitha Tenney and Patty Rogers Drawing on a vast body of material the novels themselves as well as reviews inscriptions in cherished books letters and diaries and many other records Davidson presents the genesis of American literature in its fullest possible context The Cambridge Companion to Early American Literature Bryce Traister,2021-11-25 This Companion covers American literary history from European colonization to the early republic It provides a succinct introduction to the major themes and concepts in the field of early American literature including new world migration indigenous encounters religious and secular histories and the emergence of American literary genres This book guides readers through important conceptual and theoretical issues while also grounding these issues in close readings of key literary texts from early America A Companion to American Fiction, 1780 - 1865 Shirley Samuels,2008-04-15 This Companion presents the current state of criticism in the field of American fiction from the earliest declarations of nationhood to secession and civil war Draws heavily on historical and cultural contexts in its consideration of American fiction Relates the fiction of the period to conflicts about territory and sovereignty and to issues of gender race ethnicity and identity Covers different forms of fiction including children s literature sketches polemical pieces historical romances Gothic novels and novels of exploration Considers both canonical and lesser known authors including James Fennimore Cooper Hannah Foster Nathaniel Hawthorne Herman Melville and Harriet Beecher Stowe Treats neglected topics such as the Western novel science and the novel and American fiction in languages other than English *The Transformation of Authorship in America* Grantland S. Rice,1997-06-23 Did the emergence of a free press liberate eighteenth century American authors Most critics and historians have assumed so In a study certain to force a rethinking of early American literary culture Grantland S Rice overturns this dominant view Rice argues that the lapse of Puritan censorship the consolidation of copyright law and the explosion of a commercial print culture confronted writers in the new United States with a striking predicament the depoliticization and commodification of public expression Rice shows that the rigorous censorship practiced by Puritan authorities conferred an implicit prestige on texts as civic interventions helping to foster a vigorous and indigenous tradition of sociopolitical criticism With special attention to the sudden emergence of the novel in post revolutionary America Rice reveals how the emergence of economic liberalism undermined the earlier tradition of political writing by transforming American authorship from an expression of individual civic conscience to a market oriented profession Includes discussions of the writings of Benjamin Franklin Michel Guillaume Jean de Cr vecoeur and Hugh Henry Brackenridge *After the Revolution* Joseph J. Ellis,2015-06-01 Through portraits of four figures Charles Willson Peale Hugh Henry Brackenridge William Dunlap and Noah Webster Joseph Ellis provides a unique perspective on the role of culture in post Revolutionary America both its high expectations and its frustrations An entrepreneur a writer who wanted to depict an ideal society a dramatist who tried to reconcile high aesthetic standards and populism and a Connecticut Yankee who ran into the

contradictions of conservatism and liberalism each of the four men depicted in this book had a vision of what kind of society post Revolutionary America should be Through portraits of these bellwether figures the prize winning historian Joseph J Ellis examines the currents that were shaping the new country *Early American Writing* Various,1994-02-01 Drawing materials from journals and diaries political documents and religious sermons prose and poetry Giles Gunn s anthology provides a panoramic survey of early American life and literature including voices black and white male and female Hispanic French and Native American For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

The Continuum Encyclopedia of American Literature Steven R. Serafin,Alfred Bendixen,2005-09-01 More than ten years in the making this comprehensive single volume literary survey is for the student scholar and general reader The Continuum Encyclopedia of American Literature represents a collaborative effort involving 300 contributors from across the US and Canada Composed of more than 1 100 signed biographical critical entries this Encyclopedia serves as both guide and companion to the study and appreciation of American literature A special feature is the topical article of which there are 70

[The Cambridge Handbook of American Literature](#) Jack Salzman,1986-08-29 The Cambridge Handbook of American Literature offers a compact and accessible guide to the major landmarks of American literature

Imagining the British Atlantic after the American Revolution Michael Meranze,Saree Makdisi,2016-01-28 Between 1750 and 1820 tides of revolution swept the Atlantic world From the new industrial towns of Great Britain to the plantations of Haiti they heralded both the rise of democratic nationalism and the subsequent surge of imperial reaction In *Imagining the British Atlantic after the American Revolution* nine essays consider these revolutionary transformations from a variety of literary visual and historical perspectives On topics ranging from painting and poetry to prison reform the essays challenge and complicate our understandings of revolution and reaction within the transatlantic imagination Drawing on examples from different local and regional contexts they demonstrate the many remarkably local ways that revolution and empire were experienced in London Pennsylvania Pitcairn Island and points in between Published by the University of Toronto Press in association with the UCLA Center for Seventeenth and Eighteenth Century Studies and the William Andrews Clark Memorial Library

The Vermont Bar Journal & Law Digest ,1996

Medical Culture in Revolutionary America Linda Myrsiades,2009-03 Focusing on doctors feuds and duels yellow fever epidemics in Philadelphia and a court martial of the medical director of army hospitals in the Revolutionary War this title is set during a time when American medicine was caught in a period of catastrophic change

Modern Chivalry In Early American Law Book Review: Unveiling the Magic of Language

Modern Chivalry In Early American Law Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Modern Chivalry In Early American Law PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Modern Chivalry In Early American Law PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Modern Chivalry In Early American Law free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Modern Chivalry In Early American Law Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Modern Chivalry In Early American Law is one of the best book in our library for free trial. We provide copy of Modern Chivalry In Early American Law in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Modern Chivalry In Early American Law. Where to download Modern Chivalry In Early American Law online for free? Are you looking for Modern Chivalry In Early American Law PDF? This is definitely going to save you time and cash in something you should think about.
