Modern European Poetry French German Greek Italian Russian Spanish:

Modern European Poetry Willis Barnstone, 1970 **Modern European Poetry** Willis Barnstone, 1978 **Modern European poetry: French, German, Greek, Italian, Russian, Spanish. Willis Barnstone general editor** Willis BARNSTONE, 1970 **Into the Heart of European Poetry** John Taylor, 2017-07-05 John Taylor's brilliant new book examines the work of many of the major poets who have deeply marked modern and contemporary European literature. Venturing far and wide from the France in which he has lived since the late 1970s, the polyglot writer-critic not only delves into the more widely translated literatures of Italy, Greece, Germany, and Austria but also discovers impressive and overlooked work in Slovenia, Bosnia, Hungary, Finland, Norway, and the Netherlands. In this book that ranges over nearly all of Europe, including Russia, while providing this stimulating and far-ranging critical panorama, Taylor brings to light key themes of European writing: the depth of everyday life, the quest of the thing in itself, metaphysical aspiration and anxiety, the dialectics of negativity and affirmation, subjectivity and self-effacement, and uprootedness as a category that is as ontological as it is geographical, historical, political, or cultural. The book pays careful attention to the intersection of writing and history or politics, as several poets featured here have faced the Second World War, the Holocaust, Communism, the fall of Communism, or the war in the former Yugoslavia. Taylor gives the work of renowned, upcoming, and still little-known poets a thorough look, all the while scrutinizing recent translations of their verse. He highlights several poets who are also masters of the prose poem. He includes a few novelists who have fashioned a particularly original kind of poetic prose, that stylistic category that has proved so difficult for critics to define. *Into the Heart of European Poetry* should be of immediate interest to any reader curious about the aesthetic and philosophical ideas underlying major trends of contemporary European writing. In a day and age when much too little is translated and thus known about foreign literature and when Europeans themselves are pondering the common denominators of their own culture, this book is a *Chicorel Index to Poetry in Anthologies and Collections in Print* Marietta Chicorel, 1974 **International Anthologies of Literature in Translation** Harald Kittel, 1995-01-01 **Seamus Heaney and East European Poetry in Translation** Carmen Bugar, 2017-12-02 Poetry born of historical upheaval bears witness both to actual historical events and considerations of poetics. Under the duress of history, the poet who is torn between lamentation and celebration seeks to achieve distance from his troubled times. Add to this a deep love for and commitment to the Irish and English poetic traditions and a strong desire to search for models outside his culture, and you have the poetry of the Irish Nobel laureate Seamus Heaney. In 1939, in this study, Carmen Bugar looks at how the poetry of Seamus Heaney, born of the Troubles in Northern Ireland, has encountered the historically tested imaginations of Czesław Miłosz, Joseph Brodsky, Osip Mandelstam, and Zbigniew Herbert, as he aimed to fulfil a Horatian poetics, a poetry meant to both instruct and delight its readers. Carmen Bugar is the author of a collection of poems, *Crossing the Carpathians*, and a memoir, *Burying the Typewriter*. *The Poems of Jesus Christ*, 2012-04-02 A collection of some of the words of

scripture spoken by Jesus the Christ to the world put in poetry format not as narrative as originally given Understanding Ingeborg Bachmann Karen Achberger,1995 Bachmann her critique of postwar Europe *A Sociological Approach to Poetry Translation* Jacob S. D. Blakesley,2018-10-31 This volume provides an in depth comparative study of translation practices and the role of the poet translator across different countries and in so doing demonstrates the need for poetry translation to be extended beyond close reading and situated in context Drawing on a corpus composed of data from national library catalogues and Worldcat the book examines translation practices of English language French language and Italian language poet translators through the lens of a broad sociological approach Chapters 2 through 5 look at national poetic movements literary markets and the historical and socio political contexts of translations with Chapter 6 offering case studies of prominent and representative poet translators from each tradition A comprehensive set of appendices offers readers an opportunity to explore this data in greater detail Taken together the volume advocates for the need to study translation data against broader aesthetic historical and political trends and will be of particular interest to students and scholars in translation studies and comparative literature *The Lesbian Lyre* Jeffrey M. Duban,2016-08-23 Hailed by Plato as the Tenth Muse of ancient Greek poetry Sappho is inarguably antiquity s greatest lyric poet Born over 2 600 years ago on the Greek island of Lesbos and writing amorously of women and men alike she is the namesake lesbian What s left of her writing and what we know of her is fragmentary Shrouded in mystery she is nonetheless repeatedly translated and discussed no appropriated by all Sappho has most recently undergone a variety of treatments by agenda driven scholars and so called poet translators with little or no knowledge of Greek Classicist translator Jeffrey Duban debunks the postmodernist scholarship by which Sappho is interpreted today and offers translations reflecting the charm and elegant simplicity of the originals Duban provides a reader friendly overview of Sappho s times and themes exploring her eroticism and Greek homosexuality overall He introduces us to Sappho s highly cultured island home to its lyre accompanied musical legends and to the fabled beauty of Lesbian women Not least he emphasizes the proximity of Lesbos to Troy making the translation and enjoyment of Homer s Iliad and Odyssey a further focus More than anything else argues Duban it is free verse and its rampant legacy and no two persons more than Walt Whitman and Ezra Pound that bear responsibility for the ruin of today s classics in translation to say nothing of poetry in the twentieth century Beyond matters of reflection for classicists Duban provides a far ranging beginner s guide to classical literature with forays into Spenser and Milton and into the colonial impulse of Virgil Spenser and the West at large **Library of Congress Subject Headings** Library of Congress,2003 *Library of Congress Subject Headings* Library of Congress.
