Current Index to Journals in Education ,1998-04 **Constructing Inequality in Multilingual Classrooms** Luisa Martín Rojo, 2010-07-30 In her groundbreaking and innovative study the author takes us on a fascinating journey through some of Madrid s multilingual and multicultural schools and reveals the role played by linguistic practices in the construction of inequality through such processes as what she calls de capitalization and ethnicization Through a critical sociolinguistic and discourse analysis of the data collected in an ethnographic study the book shows the exclusion caused by monolingualizing tendencies and ideologies of deficit in education and society The book opens a timely discussion of the management of diversity in multilingual and multicultural classrooms both for countries with a long tradition of migration flows and for those where the phenomenon is relatively new as is the case in Spain This study of linguistic practices in the classroom makes clear the need to rethink some key linguistic concepts such as practice competence discourse and language and to integrate different approaches in qualitative research The volume is essential reading for students and researchers working in sociolinguistics education and related areas as well as for all teachers and social workers who deal with the increasing heterogeneity of our late modern societies in their work *Thesaurus of ERIC Descriptors* ,1968 4th 7th eds contain a special chapter on The role and function of the thesaurus in education by Frederick Goodman **Resources in**

Education ,1997 National Business Education Association Yearbook ,2005 Critical Perspectives on Social Justice in Speech-Language Pathology Horton, RaMonda, 2021-06-25 There is very little discussion of socially just approaches to speech language pathology Within other fields of clinically oriented practice social justice is a topic that has received a great deal of attention within the last few years Pedagogy for addressing social justice has been developed in other disciplines The field of communication disorders has failed to move forward and do the same Discussion of social justice is important given the current sociopolitical climate and landscape that clients carry out in their day to day functioning Speech language pathologists SLPs have an opportunity to engage in practices that help address and alleviate some of the injustices that contribute to educational and health disparities experienced by communities of color They may do this through the

development and application of a socially just orientation of culturally competent practice that fosters changes beyond the individual level Adapting such a framework makes it possible for SLPs to effectively advocate for and foster equity and inclusion for the individuals and broader communities impacted by SLP services Critical Perspectives on Social Justice in Speech Language Pathology addresses the socio political contexts of how the field of speech language pathology and service delivery can impact policy and debates related to social justice issues It explores social position factors and the experiences of marginalized communities to explore how speech language pathologists deliver services train and prepare students and carry out research in communities of color It covers topic areas including disproportionality in special education disability rights and ableism achievement and opportunity gaps health disparities and LGBTQ rights with a focus on voice communication and gender diverse populations This book is essential for speech language pathologists administrators practitioners researchers academicians and students interested in how the SLP profession and discipline can contribute to or develop efforts to help address injustices faced by Black Indigenous and people of color BIPOC communities Promoting Ethnic Diversity and Multiculturalism in Higher Education Blummer, Barbara,Kenton, Jeffrey M.,Wiatrowski, Michael,2018-03-02 This title is an IGI Global Core Reference for 2019 as it provides the timeliest research on increasing cultural diversity and multiculturalism within institutions of higher learning Featuring comprehensive coverage on classroom diversity this publication is an innovative reference source for educators seeking to promote multiculturalism Promoting Ethnic Diversity and Multiculturalism in Higher Education is an essential scholarly publication that examines the interaction between culture and learning in academic environments and the efforts to mediate it through various educational venues Featuring coverage on a wide range of topics including intercultural competence microaggressions and student diversity this book is geared towards educators professionals school administrators researchers and practitioners in the field of education

Classroom Management Strategies James S. Cangelosi,2013-11-21 Classroom Management Strategies Gaining and Maintaining Students Cooperation contains a wealth of information about classroom management strategies that teachers successfully use to lead students to be on task and engaged in lessons The strategies are based on extensive school teaching experiences as well as on the findings of numerous studies in learning theory social interaction communication developmental psychology multicultural education behavioristic psychology motivation student engagement and violence prevention What Happens When Students Are in the Minority Charles B. Hutchison,2009-09-16 When people find themselves as the minorities in different situations they often feel as if they have been placed onstage with a spotlight on them Consequently they become prisoners of anxiety and engage in certain predictable negative behaviors Owing to sheer anxiety and mental overload these situational minorities often find themselves behaving unintelligently This book uses real life experiences of diverse people to illustrate that if not understood and addressed situational minorities at school or work are unlikely to perform at their highest potentials This book is for anyone who wants to understand human behavior and

performance why minorities struggle in majority schools or why the only male or female on the team has to overcome a mental barrier in order to catch up
