Trimm *Flourish: Prayers for a Well-Tended Heart* Michael H. Beaumont, Martin H. Manser, 2020-03-03 Just as a garden needs nurturing to grow and thrive so does your relationship with God Flourish Prayers for a Well Tended Heart features 75 prayers to help you cultivate faith and connection with your Creator Every prayer is accented with a flower from the wild so you can admire God's beautiful handiwork as you reflect on His promises A short description or interesting fact about each flower is included **Hope Beyond Bars** Jedidiah Duaya, 2018-06-23 Being behind bars doesn't make you as an inmate less of a human being Therefore do not identify yourself with your temporary situation But since you are behind bars you need to take responsibility And while taking responsibility you need to forgive yourself and forgive those who might have done you wrong And once you forgive then you need to live life in jail in prison or under house arrest by following rules and demonstrating good behavior to help make your sentence easier and maybe shorter And until you get free do not waste your time in a cell doing nothing of value instead put your potential abilities and gifts to use And lastly mentally prepare yourself to live life beyond bars by applying every single lesson learned from the cell The church and society need to address the issue of ex inmates reentry as partners and complement each other in facing this issue The society and the church need to understand that just because these individuals are behind bars that doesn't make them any less human than everybody else They have a right to live a right to be forgiven and a right to be accepted back into society These individuals are called inmates while serving time but once they have paid their dues and are set free that name changes to ex inmates and should eventually switch to citizens Where society falls short the church needs to pick up the slack and serve these citizens And where the church falls short society needs to step in and help these citizens We cannot afford to let these ex inmates live in a life cycle where they go in and out of jail prison and house arrest We have to prove the statistics wrong Society can provide programs to help these citizens reintegrate much more smoothly The church can finally become what it was intended to be and provide a safe environment in which these restored citizens will live a life worthy of being called citizens and not return to old behavior and a life back behind bars **The Wealth Dragon Way** John Lee, Vincent Wong, 2015-04-14 Stop procrastinating and become financially free by building asset based wealth and creating passive income The Wealth Dragon Way The Why the When and the How to Become Financially Free is a practical guide to becoming financially free through building asset based wealth and creating passive income Part motivational part informational this guide will change your whole perspective on wealth and your personal growth potential The book discusses both moral and monetary wealth and looks at how we are easily misled and influenced by media driven myths surrounding money debunking notions such as the idea that there is no truly moral way to become wealthy or the belief that the state will provide for us in retirement and more You'll discover new truths surrounding the subject of wealth and get to the root of your own procrastination over planning for your financial future You will learn how to tackle your fears and overcome the issues holding you back You will also read real life examples of how two property entrepreneurs built their significant portfolios using alternative strategies such as using
