

10 Commandments

for Proclaiming the Joy of the Gospel Online

1

Be positive and joyful. Offer 'digital smiles' and have a sense of humour. As Pope Francis says, 'no "funeral faces" or "sourpusses"!'

2

Never bear false witness on the internet. Never 'like' a lie!

3

Fill the internet with love. Seek to include a sense of solidarity with the suffering in the world.

4

Avoid aggression and 'preachiness' online; try not to be judgemental. Instead, try Pope Francis's approach of 'tenderness'.

5

Have a broad back when criticisms and insults are made. When possible, gently correct.

6

Pray in the digital world! Establish sacred spaces, opportunities for stillness, reflection and meditation online.

7

Church has always been about 'gathering'. Create connections and build community. Share posts that have a powerful Gospel witness.

8

Promote online behaviours that keep everyone safe. Use the internet responsibly!

9

Respect your dignity and the dignity of others in all that you do online.

10

The internet has the power and potential to bear witness — share the Good News online!

New Commandments:

The Ten Commandments in History Paul Grimley Kuntz, 2004 Foreword by Marion Leathers Kuntz Paul Grimley Kuntz was a deeply religious man who not only found religious profundity in the Decalogue but also was convinced that it offers the most reasonable paradigm for a well ordered society Decrying the loss of the true meaning of the Decalogue in modern times Kuntz spent the last decade of his life preparing this book his magnum opus on the Decalogue In his research and writing he left no stone unturned considering the Decalogue and the history of its use from every conceivable angle In **The Ten Commandments in History** Kuntz passionately argues that the Ten Commandments are universal principles of social order that have to be applied in concrete circumstances in order for their meaning to be fully understood In a nearly seamless discourse about the tradition of the Ten Commandments Kuntz engages the thought of more than twenty philosophers from antiquity to modernity showing how great minds adapted the Decalogue to the needs of their particular age Among the figures treated in the book are Philo Aquinas Wycliffe Luther Calvin Hobbes Locke Edwards Kant Jefferson Montaigne Pascal Hegel and Nietzsche By demonstrating the crucial role of the Decalogue in the history of ideas Kuntz hoped that readers would find a new reverence for the Ten Commandments and once again value their place in civil society [The Ten Commandments](#) G. Campbell Morgan, 1998-10-15 Each of the ten commandments is examined **The Ten Commandments** United Church of God, 2011-11-16 Can you find a proven source for lasting standards and values God revealed the heart of His standards the Ten Commandments long ago at Mount Sinai But what sets them apart from man made rules and guidelines What do they reveal about nature of God Himself In this booklet you ll discover the answers to these questions and more Inside this booklet The First Commandment What Is Our Greatest Priority The Second Commandment What Is God Like The Third Commandment From Profanity to Praise The Fourth Commandment Key to a Relationship With Our Creator The Fifth Commandment A Foundation for Success Sixth Commandment Life Is a Precious Gift Seventh Commandment Protect the Marital Relationship Eighth Commandment Practice Giving Rather Than Getting Ninth Commandment Truth as a Way of Life Tenth Commandment True Righteousness Comes From the Heart Does the New Covenant Abolish the Commandments View or download other free booklets at www.ucg.org **The Ten Commandments** George Campbell Morgan, 1901 [A History of the Ten Commandments](#) Clarence William Sickles, 2015-11-09 A History of the Ten Commandments with a Modern Moral Code traces the way the Ten Commandments God gave to Moses on Mt Sinai in the 13th century BC changed through the ages analyzing the seventeen versions of the Decalogue which now exist The author also presents a moral code which is related to the Mosaic Decalogue but is not religious and should therefore be acceptable for public display in the secular world The book features photographs of plaques depicting the Ten Commandments with interesting eleven commandment variations on display throughout the country Written for a broad audience ranging from Sunday school teachers and scholars to the average reader this book is essential reading for those

seeking to discover information about the greatest document in human history and wanting to learn about a new moral standard desperately needed in the ethically corrupt world of the present day **Neglected Commandments** Compton Wharton, 2007-04 Wharton presents the argument that the century old teaching of the classical Pentecostal view of tongues as the initial physical evidence of the baptism with the Holy Spirit does not fully interpret the phenomenon of tongues on the Day of Pentecost He makes the case that both oral modes of the Spirit's gift should be in evidence when the Spirit's baptism is experienced Christianity **The Gospel of John 3:16** Randy A. Barnes, 2024-10-07 The gospel is being preached however the Bible makes it clear that it is the truth of the gospel that has to be proclaimed to the world before it ends and warns of those preaching a different gospel This true gospel was being followed when Christ's followers were first called Christians after He left earth and only those adhering to this same gospel will be translated when He returns In a thoughtful word by word commentary on the most famous and most quoted verse in the Bible Randy Barnes with no denominational predisposition shows how a correct understanding of John 3:16 clearly illuminates this identical gospel when the paradigms of customs and traditions are eliminated from its interpretations Using biblical hermeneutics and contextual juxtaposition as tools Barnes shows how the Bible gives its own interpretation of not only of John 3:16 but all other verses as well Using only scriptural references Barnes demonstrates how God has used both the Jewish and Christian faiths to spread the story of the true gospel to the world by examining over two dozen doctrinal issues from the earth's creation to its recreation from the books of Genesis to Revelation The book is formatted with both a comprehensive table of contents and an exhaustive index to enable its use as reference for Bible study Supplemental information such as diagrams and illustrations are also included to assist in your reading enjoyment Christians will find excellent support for foundational principles as well as be challenged in much traditional thinking **The Chautauquan** , 1886 *Set in Stone* Jenna Weissman Joselit, 2017 Through a series of deftly rendered vignettes prominent historian Jenna Weissman Joselit offers a compelling and fresh eyed perspective on the Ten Commandments situating them within the context of modern America Rich in incident and in colorful personalities of the 19th and 20th centuries her account shows that the Ten Commandments are not cast in stone but a fertile repository of American history 1, 2, and 3 John Mavis M. Leung, 2025-08-21 This commentary approaches 1, 2, and 3 John as social discourses and seeks to provide insights into the use of language in these epistles within their situational contexts The method of discourse analysis employed to analyze the texts and linguistic characteristics in 1, 3 John is based on the model of systemic functional linguistics proposed by Michael A K Halliday The interpretative task of this commentary is to analyze the ways in which the author draws on the vast resources of language to convey his ideas to the audience and accomplish his purposes Despite the adoption of systemic functional linguistics the use of jargon is avoided in the interpretation of the Johannine Epistles and the commentary does not demand from the reader a mastery of this discourse analysis method The insights offered will help open up the text of 1, 3 John in a fresh way Words of Love Volume One HB J. Wayne

McKamie,2015-10-24 This is the first of multiple volumes we plan to publish if the Lord is willing As I began listening to the sermons and reading the transcripts for this volume I began to realize the practicality and the focus of Wayne as he challenges his hearers to think and to consider their actions along life s pathway Wayne has a way of always challenging his audience I believe all who will read the sermons in this book will find many nuggets of spiritual nourishment and find themselves facing serious spiritual questions in living for Jesus Christ The messages are truly inspiring *Mystery of the 7th Trumpet* William Collins,2017-07-01 In the day of the 7th Angel trumpet the Mysteries of God will be finished being written as promised to Daniel the prophets John of Revelation 10 4 7 and the Fathers **Shepherds** Daniel C. Fredericks,2017-04-27 How does God manage his entire creation Has he had a plan a theme a metanarrative or something else which he follows that gives a unity to all of his efforts Shepherds describes the relationship between the Creator and his creation a relationship that is structurally integrated by the very core of who God is There is a design within creation that radiates from his personal unique being What God created and how he manages it is a marvelous extension of who he is and how he acts This relationship between God and his creation is not patterned only on his essence or being but on his powerful and loving will and acts Rather than a literary grid to which theme and metanarrative attempt to subject God s relationship with humanity Shepherds recognizes that all of creation bears the eternal design emanating from God s very nature Scripture is not a story about Israel or the church it is not simply a story of redemption it is a window into the eternal design by which God created reality and will eternally sustain that creation The Relationship Principles of Jesus Tom Holladay,2008 FOR DISTRIBUTION OUTSIDE THE USA Nothing matters more than relationships and no one understands them better than Jesus Based on an exhaustive study of what Jesus did and said about relationships this book guides readers on a forty day journey that will bring new health and richness to their marriages families friendships and all the relationships in their lives Men After God's Heart Isaac Hayes, MDiv,2022-08-13 Men After God s Heart is an in depth examination of how Christian men relate to each other Now more than ever it is imperative for men to develop healthy meaningful relationships with their spiritual brothers The Western masculinity persona has prevented men from experiencing healthy male bonding creating a distorted perception of masculinity But Jesus sets the example for how Christian men can and should display brotherly love Birthed out of a men s seminar he taught entitled 10 Principles of Brotherly Love Hayes explores Jesus s final moments with His disciples in the upper room which he calls the Disciples Ship In John chapters 13 through 17 Jesus teaches and illustrates ten principles of love that they were to continue in their relationship with each other Men After God s Heart will help you audit the male relationships in your life and challenge you to go beyond your personal convenience to brotherly commitment This resource aims to build disciples who live in relationship grow in fellowship and engage in stewardship It is a must have resource for personal devotion men s groups and seminary s spiritual integration labs SILs

A Grammar of the Ethics of John Jan G. van der Watt,2023-04-05 After a century of neglect Johannine ethics has

enjoyed a recent surge in interest inspired by new theoretical insights in analysing ethical data in John's Gospel. By closely re-reading the text on the basis of this fresh research, Jan G van der Watt's aim in the present volume is to reveal ethical data within its structural interrelatedness. The result is a comprehensive overview of basic questions related to ethics such as what the basis or source of ethics actually is, whether identity plays a role in ethical decision making, how values and ethical requirements are to be recognised, what is expected of an ethical agent and what ethical behaviour looks like. As a coherent guide to getting deeds done ethically, this first volume on the grammar of John's ethics focuses on this Gospel, while a second is set to concentrate on his letters. Volume 1. Dust Jacket Inside Front Flap. *Marriages Designed In Heaven* Gaylon West, 2015-01-18. The subject of marriage is a timely subject. The Bible simply defines marriage as a man takes a woman. Happiness and well-being in marriage is based on a specific design. This design along with society's mores, civil government expectations and ecclesiastical laws and fantasies are addressed. Jesus' message is compared and/or contrasted with Moses, the Prophets, the Pharisees, the Apostles and Medieval church leaders. Over 40 translations of the Bible were consulted in addition to comparing the ancient Hebrew with its Greek equivalents through interlinears, word studies, lexicons, dictionaries, textual variants and scholastic articles and comments. The appendix gives the history of Christendom's changing positions on marriage, divorce and remarriage. **Mighty Minutes with the Master** David Wilson, 2019-09-23. Minutes are what life is made up of. Aware of the dimension of time at a reader's disposal, Mr Wilson has compressed and packed thousands of insightful thoughts into his book which bursts with life-changing ideas from cover to cover. The results of his virile and focused mind is an explosion of vivid and inspiring thoughts on every page. Mr Wilson's works are powerful and aimed at turning your life around, upside down and inside out. *Biblical Ethics* Thomas Buford Maston, 1982. **Ductor dubitantium** Jeremy Taylor, Reginald Heber, 1839.
