No Excuse No Denial:

No Excuse, No Denial Derek C. Davis, Scott R. Davis, 2000-11-29 On July 11 2054 in the capital city of the new world government someone murdered the governor's wife Although absolutely certain that the young man currently sweating bullets on Death Row for the crime is innocent the governor has no solid evidence Powerless to stop the execution without incriminating his son the governor turns to the only person he can trust Nick Trevor on his first case as a private investigator has a scant seventy two hours to save an innocent man With the clock ticking Nick forms an impromptu alliance with his old friend Detective Gabriel MacDougal who is investigating the sudden disappearance of one of the wealthiest men on the planet Overcoming countless setbacks during their joint investigations Nick and Gabe realize that both cases are intimately linked As they plow their way through the seedy criminal underground and into the lifestyles of the incredibly rich and powerful they unveil myriad shrouds of truth While discovering that solving his case is merely the prelude to a complex tale of deception and betrayal Nick Trevor's ultimate reward is rediscovering several pieces of himself that he honestly believed had vanished forever
