If Tomorrow Never Comes Scott E. Kauffman, 2015-06-04 I would quit this job travel to some exotic place and I certainly would tell those closest to me just how important they are to me Words like these are echoed by so many people each and every day and with each day we have to decide what to do with the time we have left Inside of each person is a destiny a calling a purpose and yet we spend day after day either running from that calling ignoring our passion or otherwise just taking up space If Tomorrow Never Comes exposes the pit falls we experience in life and brings answers to some of life's most basic questions Why am I here and why now Life is a journey of discovery and within each discovery is an answer that will lead you to a life full of adventure a life full of peace and joy and ultimately

fulfillment as you discover the destiny that resides in you *A Journey Into Tomorrow* Veronica Camille Tinto,2010-05
Writing these poems began as a therapeutic process which turned into words that supported me during a very tumultuous period in my life The poetry that unfolded manifested itself as an inspirational source that further comforted me during this difficult season Ironically the poems were able to transcend my own personal experiences and can be applied to anyone's life as an inspirational thought that can be carried through out your day Then it becomes my hope for you my reader that the poems found within these pages bring you the same amount of solace inspiration and contentment that it provided me as I created them just for you *Give the Gun to God* Richard A. Mamula,2021-04-16 Have you encountered problems or disappointments in your life You are not alone Every day we deal with these things but God can help us if we will only trust Him In this book experiences from over fifty years of living are shared to offer encouragement and hope as we deal with life and the challenges it presents We are all human and make mistakes This book helps you to identify where you are and what you can do about it through prose poems and a plan to help you deal with whatever comes your way Why do you need to carry a gun People who carry guns often say it is their right or for their protection A gun can protect you but this book helps you learn how to give God the gun for not only your protection but your salvation as well In His Word God says Come unto me all who labor and I will give you rest The Word also states The Lord is my light and my salvation in whom shall I fear Neither scripture implies inaction but both encourage your reliance on God So give the gun to God and see what He can do for you
