new book is an original chapter by chapter study of three extraordinarily detailed novels of each of which it offers a radically new reading that makes more and different sense than any previous reading In Barthes terms these fascinating novels are unreadable but the present book shows that properly read they are entirely if ambiguously readable Rooted in Kafka's use of language it consistently explores in detail i the linguistic implications of the dreamlike nature of his work ii the metaphors he takes literally and iii the ambiguities of so many of the words he chooses to use In doing so it takes account not only of the secondary meanings of German words and the sometimes dated metaphors of which Kafka taking them literally spins his text but also where relevant of Czech and Italian etymology Split for ease of reference into chapters corresponding to the chapters of the novels in the new Originalfassung the book is aimed at all readers of Kafka with a knowledge of German for the author shows that Kafka's texts can be understood only in the language in which they were written because Kafka's meaning is often hidden beneath the surface of the text conveyed via secondary meanings that are specific to German any translation is necessarily an Oberflächensetzung Elizabeth Gaskell and the English Provincial Novel W. A.

Craik, 2013-10-14 First published in 1975 this book places Elizabeth Gaskell amongst the major novelists of the nineteenth century It considers how she has sometimes been overlooked or admired for very few of her works or for reasons that are not in fact central to her art W A Craik looks at Gaskell's full length novels with three main purposes to analyse her development as a novelist her achievements and the nature of her very original work to see what she owes to earlier novelists what she learns from them and how far she is an innovator and to put her in relation to those other novelists who write on similar themes with comparable aims This book establishes Elizabeth Gaskell's excellence in comparison with her peers by demonstrating how far she extended the possibilities of the novel both in materials and techniques **Novel Subjects** Leah

A. Milne, 2021-07-01 How does contemporary literature contend with the power and responsibility of authorship particularly when considering marginalized groups How have the works of multiethnic authors challenged the notion that writing and authorship are neutral or universal In *Novel Subjects* Leah Milne offers a new way to look at multicultural literature by focusing on scenes of writing in contemporary works by authors with marginalized identities These scenes she argues establish authorship as a form of radical self care a term we owe to Audre Lorde who defines self care as self preservation and an act of political warfare In engaging in this battle the works discussed in this study confront limitations on ethnicity and nationality wrought by the institutionalization of multiculturalism They also focus on identities whose mere presence on the cultural landscape is often perceived as vindictive or willful Analyzing recent texts by Carmen Maria Machado Louise Erdrich Ruth Ozeki Toni Morrison and more Milne connects works across cultures and nationalities in search of reasons for this recent trend of depicting writers as characters in multicultural texts Her exploration uncovers fiction that embrace unacceptable or marginalized modes of storytelling such as plagiarism historical revisions jokes and lies as well as inauthentic invisible and unexceptional subjects These works ultimately reveal a shared goal of expanding the borders of
