NO MORE VIETNAMS?

THE WAR AND THE FUTURE OF AMERICAN FOREIGN POLICY

EDITED BY

Richard M. Pfeffer

ADLAI STEVENSON INSTITUTE OF INTERNATIONAL AFFAIRS

No More Vietnams

Nguyen Anh Tuan

No More Vietnams:

No More Vietnams Richard Milhous Nixon, 1985 In writing *No More Vietnams* Richard Nixon with the unique perspective of the man who served us America's commander in chief during the war's most difficult stage has set out to dispel the myths of Vietnam to show why we failed in Vietnam and to contribute to the development of policies that will help avoid such failures in the future In doing so President Nixon analyzes the role that four presidents the military the Congress the media and the antiwar movement played in the Vietnam debacle Front jacket flap

No More Vietnams Richard Nixon, 2013-01-08 He is just about the only American leader who ever did anything right in Vietnam Nixon makes a strong case Chicago Tribune In his bestselling *No More Vietnams* Richard Nixon analyzes America's military involvement in Southeast Asia including his own role as commander in chief from 1969 to 1974 and presciently calls for a new American approach to conflicts in the Third World

No More Vietnams Richard M. Nixon, 1985 In writing *No More Vietnams* Richard Nixon with the unique perspective of the man who served us America's commander in chief during the war's most difficult stage has set out to dispel the myths of Vietnam to show why we failed in Vietnam and to contribute to the development of policies that will help avoid such failures in the future In doing so President Nixon analyzes the role that four presidents the military the Congress the media and the antiwar movement played in the Vietnam debacle Front jacket flap

No More Vietnams Richard M. Pfeffer, 1968

The War That Never Ends: New Perspectives on the Vietnam War David L. Anderson, John Ernst, 2008 More than three decades after the withdrawal of American troops from Southeast Asia the Vietnam War still resonates in political and cultural discourse and still motivates vibrant historical inquiry In this book the editors present the newest perspectives on the war in Vietnam from the homefront to Ho Chi Minh City from the government halls to the hotbeds of activist opposition The seventeen essays compiled by David L. Anderson and John Ernst examine Vietnamese as well as American experiences of the grueling conflict breaking new ground on questions relating to gender religion ideology media and public opinion The book sheds new light on the evolving historical meanings of the Vietnam War its enduring impact and its potential to influence future political and military decision making in times of peace as well as war Dust jacket

Real Peace Richard Milhous Nixon, 1990

Revisiting Vietnam Julia Bleakney, 2013-09-13 This book explores the memorializing practices of American veterans of the Vietnam War at several of the most significant contemporary sites of memory in the United States and Vietnam These sites include veterans' memoirs museum exhibits

replicas of the National Vietnam Veterans Memorial and tourism to Vietnam Because war memorializing has since the late 1960s shifted focus from national soul searching to personal identity and recovery I emphasize how contemporary narratives of the war shaped more by memory than by history often are detached from the specific history of the war and its political controversies Drawing on trauma and cultural memory scholarship as well as empirical data gathered during field research in the U S and Vietnam the author examines how veterans memorializing practices have become increasingly individualized commodified and conservative since the early 1980s

Vietnam Gary R. Hess, 2015-03-25 Now available in a completely revised and updated second edition Vietnam Explaining America's Lost War is an award winning historiography of one of the 20th century's seminal conflicts Looks at many facets of Vietnam War examining central arguments of scholars journalists and participants and providing evidence on both sides of controversies around this event Addresses key debates about the Vietnam War asking whether the war was necessary for US security whether President Kennedy would have avoided the war had he lived beyond November 1963 whether negotiation would have been a feasible alternative to war and more Assesses the lessons learned from this war and how these lessons have affected American national security policy since Written by a well respected scholar in the field in an accessible style for students and scholars

America Coming to Terms: The Vietnam Legacy Nguyen Anh Tuan, 2008-12-23 Douglas Pike an eminent authority on Southeast Asia and particularly on Vietnam wrote Dr Nguyen Anh Tuan is a highly respected economist and political thinker Even perhaps for our purpose here he is a man of great breadth of view a philosopher in the true meaning of the word In America Coming to Terms Dr Nguyen Anh Tuan addresses himself to the central issue of the Vietnam War This ambitious study seeks to place the U S involvement in Vietnam into the broader context of American and world history The legacy of the Vietnam War remains a critical topic particularly with the war in Iraq generating the specter of conflicting partisan politics in a deeply divided country America's involvement in Vietnam was misunderstood at the time and is still misrepresented now As the Iraq War often invites comparisons with the Vietnam War a full understanding of the U S experience in Vietnam is essential More importantly lessons learned from Vietnam can be applied to Iraq at present as well as to any U S conflict in the future America Coming to Terms will help the American public to better understand the real legacy of the Vietnam War It will provide Americans liberal as well as conservative Democrat as well as Republican with substantive reasons to be united and to be proud of America Most importantly it will meaningfully impact the writing of American history for future generations and change for the better the world's perception of the American people and of America Steven Hayward a most distinguished scholar wrote Revisionist historians two or three generations from now are likely to begin making the argument that the United States won the ultimate victory in the Vietnam War and that it should be seen as the turning point in the Cold War In America Coming to Terms Dr Tuan set the record straight that notwithstanding a number of mistakes that were committed not only America won the Cold War but ultimately also won the Vietnam War

The Vietnam Syndrome G. Simons, 1997-10-27 This book focuses

on the Vietnam Syndrome the effects for the United States of the American defeat in the Vietnam War It argues that a full understanding of the Syndrome requires a proper appreciation of key shaping elements in Vietnamese and American history Attention is given to the racial genocide that attended the birth of the United States to US imperialism and capitalism and to the Cold War framework The nature of America as a plutocracy is emphasised followed by profiles of policy options and three specific issues post war Vietnam El Salvador and Iraq A Study of Strategic Lessons Learned in Vietnam: The results of the war, 1981 The Vietnam Reader Walter Capps, 2013-10-15 First Published in 1990 Routledge is an imprint of Taylor Francis an informa company The Myth of Inevitable US Defeat in Vietnam Dale Walton, 2013-01-11 This book offers a dispassionate strategic examination of the Vietnam conflict that challenges the conventional wisdom that South Vietnam could not survive as an independent non communist entity over the long term regardless of how the United States conducted its military political effort in Indochina **Iraq and the Lessons of Vietnam** Lloyd C. Gardner, Marilyn B. Young, 2008-06-01 From the launch of the Shock and Awe invasion in March 2003 through President George W Bush s declaration of Mission Accomplished two months later the war in Iraq was meant to demonstrate definitively that the United States had learned the lessons of Vietnam This new book makes clear that something closer to the opposite is true that U S foreign policy makers have learned little from the past even as they have been obsessed with the Vietnam Syndrome Iraq and the Lessons of Vietnam brings together the country s leading historians of the Vietnam experience Examining the profound changes that have occurred in the country and the military since the Vietnam War celebrated historians Marilyn B Young and Lloyd Gardner have assembled a distinguished group to consider how America has again found itself in the midst of a war in which there is no chance of a speedy victory or a sweeping regime change Iraq and the Lessons of Vietnam explores how the Vietnam Syndrome fits into the contemporary debate about the purpose and exercise of American power in the world With contributions from some of the most renowned analysts of American history and foreign policy this is an essential recovery of the forgotten and misbegotten lessons of Vietnam Contributors Christian G Appy Andrew J Bacevich David Elliott Alex Danchev Elizabeth L Hillman Gabriel Kolko Walter LaFeber Wilfried Mausbach Alfred W McCoy Gareth Porter John Prados Marilyn B Young **The Aggressors** Martin Scott Catino, 2010-05 *America in Vietnam* Guenter Lewy, 1980-05-29 Based on a variety of classified military records Lewy provides the first systematic analysis of the course of the Vietnam War the reasons for the failure of American strategy and tactics and the causes of the final collapse of South Vietnam

Congressional Record United States. Congress, 1969 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **The Afterlife of America's War in Vietnam** Gordon Arnold, 2006-07-19 The fall of Saigon in 1975 signaled the end of America s

longest war Yet in many ways the conflict was far from over Although the actual fighting ended the struggle to find political justification and historical vindication for the Vietnam War still lingered in American consciousness A plethora of images from America's first televised war has kept the conflict all too fresh in the memories of those who lived through it while creating a confusing picture for a younger generation The political process of attaching meaning to historical events has ultimately failed due to the lack of consensus then and now regarding events surrounding the Vietnam War Reviewing the record of American politics film and television this volume provides a brief overview of the war's appearance in American popular culture It examines the ways in which this conflict has consistently resurfaced in social and political life especially in the arena of contemporary world events such as the Soviet incursion into Afghanistan the Gulf War and the 2004 presidential campaign To this end the work explores the contexts and uses of the Vietnam War as a recurring subject The circumstances and symbolism used in the rhetoric of the political elite and the news media including the New York Times the Washington Post Time and Newsweek are discussed Emphasis is also placed on the role of film and television as the book examines movies such as *The Deer Hunter* and *Apocalypse Now* and TV series such as *M A S H* In weaving together the political and screen appearances of the Vietnam War the book reexamines the influence of a major episode in American history

This is likewise one of the factors by obtaining the soft documents of this **No More Vietnams** by online. You might not require more era to spend to go to the ebook opening as skillfully as search for them. In some cases, you likewise pull off not discover the broadcast No More Vietnams that you are looking for. It will enormously squander the time.

No More Vietnams Introduction

In today's digital age, the availability of No More Vietnams books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of No More Vietnams books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of No More Vietnams books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing No More Vietnams versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, No More Vietnams books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing No More Vietnams books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for No More Vietnams books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, No More Vietnams books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of No More Vietnams books and manuals for download and embark on your journey of knowledge?

FAQs About No More Vietnams Books

1. Where can I buy No More Vietnams books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
