Works of peace,
Sacrifice! !

rippling streams then on to the high country grandeur of a sparkling alpine lake Proceed from there to explore a silent and shadowy wood where a snapping twig at the twilight hour will give you goose bumps Just don't get too close to the precipice of no return and beware the inquisitive jaws of hungry night prowlers Your overactive imagination getting to you Playful references aside it's the vagaries of everyday life that can prove even more of a challenge but nothing's perfect right Thank goodness for life's little twists and turns How dreadfully boring it would be without them Read on and step into a richly woven tapestry of the magical and mundane the fabric of our worldly lives set to the sometimes familiar often times fantastic gyroscope of poetry
