

But all the people on the Earth were doing badly,
because they did not follow God's commands.

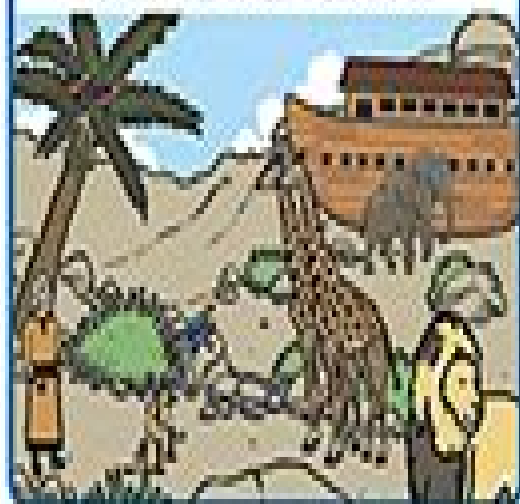

because there was one good man on Earth.
His name was Noah, and God trusted him.

God decided that He would save Noah
by telling him that the Flood was coming.
He told Noah to build a really big boat, called an ark.

After Noah had built the ark, God told him to put two of every
animal on the Earth in it, both male and female.

The family, and the animals were all safely on the ark,
when it rained for forty days and nights.

covered the Earth. Every living thing on the face of the
earth was wiped out except for Noah, his family, and the animals who
were safe in the ark.

The sun came out, the waters started to dry up,
and the land began to appear. Noah sent out a dove to
find dry land, but it came straight back.
