Painted Bird The:

The Painted Bird Jerzy Kosinski, 2007-12-01 The classic novel of a boy's struggle for survival in WWII Poland from the National Book Award winning author of *Steps* and *Being There*. In 1939 a six year old boy is sent by his anti Nazi parents to a remote village in Poland where they believe he will be safe. Things happen however and the boy is left to roam the Polish countryside. To the blond blue eyed peasants in this part of the country the swarthy dark eyed boy who speaks the dialect of the educated class is either Jew gypsy vampire or devil. They fear him and they fear what the Germans will do to them if he is found among them. So he must keep moving. In doing so over a period of years he observes every conceivable variation on the theme of horror. Kirkus Reviews Originally published in 1965 *The Painted Bird* established Jerzy Kosinski as a major literary figure. With sparse prose and vivid imagery it is a story of mythic proportion and timeless human relevance. One of the best. Written with deep sincerity and sensitivity. Elie Wiesel The New York Times Book Review Of all the remarkable fiction that emerged from World War II nothing stands higher than Jerzy Kosinski's *The Painted Bird*. A magnificent work of art and a celebration of the individual will. No one who reads it will forget it. No one who reads it will be unmoved by it. *The Painted Bird* enriches our literature and our lives. Jonathan Yardley The Miami Herald Extraordinary. Literally staggering. One of the most powerful books I have ever read. Richard Kluger Harper's Magazine One of our most significant writers. Newsweek

The Painted Bird Christopher McKimmie, 1975 Kosinski's Novel *The Painted Bird* in Thirteen Languages, 2022-09-19 The viscerally haunting and politically disturbing *Painted Bird* the most famous novel by the Polish American writer Jerzy Kosinski finally receives a long overdue fresh scientific perspective a truly insightful study of linguistic and cultural controversy in translation against the benchmark of a tailor made iron clad methodology of such concepts as involved culture detached culture and the universe of the opus. The study presents the kaleidoscopic cross section of renditions into as many as thirteen languages making it a pioneering elaboration of a macrocosm of the afterlife of a translated novel and a tour de force of comparative translation studies. The dark contents of the work heavily loaded with political and moral issues vulnerable to shifts and refractions in the process of translation have been analysed unaffected by ideological sway debunking any persistent myths about Kosinski's harrowing work
