Monumental Mobility Lisa Blee, Jean M. O'Brien, 2019-02-07 Installed at Plymouth Massachusetts in 1921 to commemorate the tercentenary of the landing of the Pilgrims Cyrus Dallin s statue Massasoit was intended to memorialize the Pokanoket Massasoit leader as a welcoming diplomat and participant in the mythical first Thanksgiving But after the statue s unveiling Massasoit began to move and proliferate in ways one would not expect of generally stationary monuments tethered to place The plaster model was donated to the artist s home state of Utah and prominently displayed in the state capitol half a century later it was caught up in a surprising case of fraud in the fine arts market Versions of the statue now stand on Brigham Young University s campus at an urban intersection in Kansas City Missouri and in countless homes around the world in the form of souvenir statuettes As Lisa Blee and Jean M O'Brien show in this thought provoking book the surprising story of this monumental statue reveals much about the process of creating commodifying and reinforcing the historical memory of Indigenous people Dallin s statue set alongside the historical memory of the actual Massasoit and his mythic collaboration with the Pilgrims shows otherwise hidden dimensions of American memorial culture an elasticity of historical imagination a tight knit relationship between consumption and commemoration and the twin impulses to sanitize and grapple with the meaning of settler colonialism *American Book Publishing Record* , 2007 **The Grand Resort**
