Quartet in Heaven Sheila Kaye-Smith, 1962      **Dante the Theologian** Denys Turner, 2022-09-22 An understanding of Dante the theologian as distinct from Dante the poet has been neglected in an appreciation of Dante's work as a whole That is the starting point of this vital new book In giving theology fresh centrality the author argues that theologians themselves should find when they turn to Dante Alighieri a compelling resource whether they do so as historians of fourteenth century Christian thought or as interpreters of the religious issues of our own times Expertly guiding his readers through the structure and content of the *Commedia* Denys Turner reveals in pacy and muscular prose how Dante's aim for his masterpiece is to effect what it signifies It is this quasi sacramental character that renders it above all a theological treatise whose meaning is intelligible only through poetry Turner's Dante knows that both poetry and theology are necessary to the essential task and that each without the other is deficient      **Country Music Records** Tony Russell, Bob Pinson, 2004-10-07 More than twenty years in the making *Country Music Records* documents all country music recording sessions from 1921 through 1942 With primary research based on files and session logs from record companies interviews with surviving musicians as well as the 200 000 recordings archived at the Country Music Hall of Fame and Museum's Frist Library and Archives this notable work is the first compendium to accurately report the key details behind all the recording sessions of country music during the pre World War II era This discography documents in alphabetical order by artist every commercial country music recording including unreleased sides and indicates as completely as possible the musicians playing at every session as well as instrumentation This massive undertaking encompasses 2 500 artists 5 000 session musicians and 10 000 songs Summary histories of each key record company are also provided along with a bibliography The discography includes indexes to all song titles and musicians listed      Billboard , 1947-11-15 In its 114th year *Billboard* remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends      *Christmas Treasures* , 1975      The Mentor , 1924      **Aldous Huxley Annual** Bernfried Nugel, Jerome Meckier, Volume 23 24 opens with a new selection of unpublished Huxley letters edited by James Sexton This section is followed by a number of unknown or little known original Huxley writings viz his early short story Boggarts 1912 selected pacifist texts 1935 36 the urtext of *Ends and Means* 1937 the Huxley article *A Tour through Time* 1951 rediscovered and edited by Gerhard Wagner and Huxley's published article *Has Man's Conquest of Space Increased or Diminished His Stature* 1963 newly edited from two extant typescripts The volume closes with critical articles on Point Counter Point Huxley and Bloomsbury Ape and Essence religion and spirituality in Huxley's short stories and on Huxley's relationship with his nephew Francis      *Billboard* , 1949-11-12 In its 114th year *Billboard* remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform *Billboard* publishes the most trusted charts and offers

marketed as race and hillbilly music Virginia was home to scores of these performers several of whom were to become internationally known Among them were the Carter Family the Golden Gate Quartet Charlie Poole and the Stoneman Family whose music has touched millions of listeners far beyond the confines of the Old Dominion It is this historically important body of recordings from this unique period that forms the focus of Kip Lornell s study In it he combines biographical sketches and bibliographies of the artists and groups with comprehensive discographies of each covering not only the original 78 rpm issues but also American and foreign long play releases The entries incorporate new primary research and contemporary interviews with veterans of early recording sessions Numerous vintage photographs are also included some reproduced here for the first time      *Catholic World* ,1961-10      *The Victrola Book of the Opera* Samuel Holland Rous,1919      **An Hour in Fairy-land** Henry Schoeller,1872
