**T. S. Eliot and the Art of Collaboration** Richard Badenhause, 2005-01-13 Richard Badenhause examines the crucial role that collaboration with other writers played in the development of T S Eliot's works from the earliest poetry and unpublished prose to the late plays He demonstrates Eliot's dependence on collaboration in order to create but also his struggle to accept the implications of the process In case studies of Eliot's collaborations Badenhause reveals the complexities of Eliot's theory and practice of collaboration Examining a wide range of familiar and uncollected materials Badenhause explores Eliot's social psychological textual encounters with collaborators such as Ezra Pound John Hayward Martin Browne and Vivienne Eliot among others Finally this study shows how Eliot's later work increasingly accommodates his audience as he attempted to apply his theories of collaboration more broadly to social cultural and political concerns

**The String Quartet, 1750-1797** Mara Parker, 2017-07-05 The second half of the eighteenth century witnessed a flourishing of the string quartet often represented as a smooth and logical progression from first violin dominated homophony to a more equal conversation between the four voices Yet this progression was neither as smooth nor as linear as previously thought as Mara Parker illustrates in her examination of the string quartet during this period Looking at a wide variety of string quartets by composers such as Pleyel Distler and Filtz in addition to Haydn and Mozart the book proposes a new way of describing the relationships between the four instruments in different works Broadly speaking these relationships follow one of four patterns the lecture the polite conversation the debate and the conversation In focusing on these musical discourses it becomes apparent that each work is the product of its composer's stylistic choices location intended performers and intended audience Instead of evolving in a strict and universal sequence the string quartet in the latter half of the eighteenth century was a complex genre with composers mixing and matching musical discourses as circumstances and their own creative impulses required

[The Bloomsbury Handbook of Modern Chinese Literature in Translation](#) Cosima Bruno, Lucas Klein, Chris Song, 2023-10-19 Offering the first systematic overview of modern and contemporary Chinese literature from a translation studies perspective this handbook provides students researchers and teachers with a context in

which to read and appreciate the effects of linguistic and cultural transfer in Chinese literary works Translation matters It always has of course but more so when we want to reap the benefits of intercultural communication In many universities Chinese literature in English translation is taught as if it had been written in English As a result students submit what they read to their own cultural expectations they do not read in translation and do not attend to the protocols of knowing engagements and contestations that bind literature and society to each other The Bloomsbury Handbook of Modern Chinese Literature in Translation squarely addresses this pedagogical lack Organised in a tripartite structure around considerations of textual social and large scale spatial and historical circumstances its thirty plus essays each deal with a theme of translation studies as emerged from the translation of one or more Chinese literary works In doing so it offers new tools for reading and appreciating modern and contemporary Chinese literature in the global context of its translation offering in depth studies about eminent Chinese authors and their literary masterpieces in translation The first of its kind this book is essential reading for anyone studying or researching Chinese literature in translation

character     *Ink Dances in Limbo* Jessica Yeung, 2008-07-01 In this pioneering study of the entire written works of Gao Xingjian China's first winner of the Nobel Prize for Literature Jessica Yeung analyses each group of his writing and argues for a reading of Gao's writing as a phenomenon of cultural translation his adoption of Modernism in the 1980s is a translation of the European literary paradigm and his attempt at postmodernist writing in the 1990s and 2000s is the effect of an exilic nihilism expressive of a diasporic subjectivity struggling to translate himself into his host culture Thus Dr Yeung looks at Gao's works from a double perspective in terms of their relevance both to China and to the West Avoiding the common polarized approaches to Gao's works her dual approach means that she neither extolls them as the most brilliant works of contemporary Chinese literature eligible for elevation to the metaphysical level nor dismisses them as nothing more than elitist and misogynist mediocre writings rather she sees this important body of work in a more nuanced way This book is suitable for all readers who are interested in contemporary Chinese culture and literature It is particularly valuable to students who are keen to engage with the issue of contemporary China West cultural relationships     **Gao Xingjian's Post-Exile Plays** Mary Mazzilli, 2015-11-19 Awarded the Nobel Prize for Literature in 2000 Gao Xingjian is the first Chinese writer to be so lauded for his prose and plays Since relocating to France in 1987 in a voluntary exile from China he has assembled a body of dramatic work that has best been understood neither as expressly Chinese nor French but as transnational In this comprehensive study of his post exile plays Mary Mazzilli explores Gao's plays as examples of postdramatic transnationalism a transnational artistic and theatrical trend that is fluid flexible and encompasses a variety of styles and influences As such this innovative interdisciplinary investigation offers fresh insights into contemporary theatre Whereas other publications have considered Gao's work as a cultural and artistic phenomenon Gao Xingjian's Post Exile Plays Transnationalism and Postdramatic Theatre is the first study to relate his plays to postdramatic theatre and to provide close textual and dramatic analysis that will help readers to better understand his complex work and also to see it in the context of the work of contemporary playwrights such as Martin Crimp Peter Handke and Elfriede Jelinek Among the plays discussed are *The Other Shore* written just before he left China in 1987 *Between Life and Death* 1991 compared in detail to Martin Crimp's *Attempts on her life* *Dialogue and Rebuttal* 1992 and its relationship to Beckett's *Happy Days* *Nocturnal Wanderer* 1993 *Weekend Quartet* 1995 and the latest plays *Snow in August* 1997 *Death Collector* 2000 and *Ballade Nocturne* 2010     *The Case for Literature* Xingjian Gao, 2007-01-01 When Gao Xingjian was crowned Nobel Laureate in 2000 it was the first time in the hundred year history of the Nobel Prize that this honor had been awarded to an author for a body of work written in Chinese The same year American readers embraced Mabel Lee's translation of Gao's lyrical and autobiographical novel *Soul Mountain* making it a national best seller Gao's plays novels and short fiction have won the Chinese expatriate an international following and a place among the world's greatest living writers The bold and extraordinary essays in this volume embody an argument for literature as a universal human endeavor rather than one defined and limited by national

boundaries Gao believes in the need for the writer to stand apart from collective movements regardless of whether these are engineered by political parties or driven by economic or other forces not related to literature This collection presents Gao s innovative ideas on aesthetics and it constitutes the very kernel of his thinking on literary creation Book jacket
