Quebec Silver From The Collection Of The National Gallery Of Canada:

Québec Silver from the Collection of the National Gallery of Canada National Gallery of Canada, René Villeneuve, 1998

Treasures of the National Gallery of Canada National Gallery of Canada. Ottawa, National Gallery of Canada, Musée des beaux-arts du Canada (Ottawa, Ont.), David Franklin, 2003-01-01 This handsomely produced volume featuring 128 full page color illustrations showcases a wide ranging selection of the most outstanding works from Canada's largest art museum. Each of the pieces chosen for inclusion is introduced by a curatorial specialist who sets it in its historical context and comments on its meaning and its place in the artist's oeuvre. Pride of place is given to the Gallery's unparalleled holdings in Canadian art but European art paintings sculptures prints and drawings is equally well represented. Masterworks from the Inuit art collection are also included as well as examples from the Gallery's small but distinguished Asian collection. In recent decades photographs have become an increasingly important part of the Gallery's collecting mandate both through its own collection and that of its affiliate the Canadian Museum of Contemporary Photography and this emphasis too is amply reflected here.

The National Gallery of Canada Douglas Ord, 2003 The National Gallery of Canada Ideas Art and Architecture examines the National Gallery as an institution a collection and a series of sites for the display of the nation's art. Douglas Ord explores how throughout the gallery's development art has consistently been linked to notions of religious truth national spirit and hallowed atmosphere culminating in Moshe Safdie's design for the institution's current building. Integrating accounts of political intrigue and public controversy with philosophy art theory and architectural analysis Ord provides vivid accounts of successive directors struggles to obtain a permanent home for the nation's art and sheds light on the place and the role of art in Canada. Résumé de l'auteur *Art Et Architecture Au Canada* Loren Ruth Lerner, Mary F. Williamson, 1991-01-01 Identifies and summarizes thousands of books article exhibition catalogues government publications and theses published in many countries and in several languages from the early nineteenth century to 1981.

Quebec Silver, 1999 **Canadian Books in Print. Author and Title Index**, 1975 **Annual Review - National Gallery of Canada** National Gallery of Canada, 1976 **Faking Death** Penny Cousineau-Levine, 2003 In *Faking Death* Penny Cousineau Levine examines the work of over 120 Canadian photographers revealing important aspects of Canadian identity and imagination. Contrasting Canadian photography with American and European traditions she shows that Canadian photographers are often preoccupied with a place that is elsewhere a doubling and duality that also occurs in Canadian literature film and political life. Subverting the documentary tradition and other stylistic idioms for their own distinctive ends Canadian photographers exhibit an ambivalent preoccupation with death and dying bondage and entrapment. Cousineau Levine argues that this is characteristically a faked death that expresses a collective Canadian wish for a symbolic passage to national maturity. The book includes 16 colour reproductions and 150 duotones by artists such as Raymonde April Jeff Wall Lynne Cohen Charles Gagnon Evergon Michel Lambeth Thaddeus Holownia Geoffrey James Geneviève Cadieux Shelley Niro.

Diana Thorneycroft Jin me Yoon Ian Wallace and Ken Lum This work provides a visual introduction to one of Canada's most vibrant and internationally recognized artistic media

Canadian Books in Print 2002 Marian Butler, 2002-02 **Art for a New Understanding** Mindy N. Besaw, Candice Hopkins, Manuela Well-Off-Man, 2018-10-24 *Art for a New Understanding* an exhibition from Crystal Bridges Museum of American Art that opened in October 2018 seeks to radically expand and reposition the narrative of American art since 1950 by charting a history of the development of contemporary Indigenous art from the United States and Canada beginning when

artists moved from more regionally based conversations and practices to national and international contemporary art contexts This fully illustrated volume includes essays by art historians and historians and reflections by the artists included in the collection Also included are key contemporary writings from the 1950s onward by artists scholars and critics investigating the themes of transculturalism and pan Indian identity traditional practices conducted in radically new ways displacement forced migration shadow histories the role of personal mythologies as a means to reimagine the future and much more As both a survey of the development of Indigenous art from the 1950s to the present and a consideration of Native artists within contemporary art more broadly *Art for a New Understanding* expands the definition of American art and sets the tone for future considerations of the subject It is an essential publication for any institution or individual with an interest in contemporary Native American art and an invaluable resource in ongoing scholarly considerations of the American contemporary art landscape at large

Visibly Canadian Karen Stanworth, 2014-11-01 Spectacular scientific and educational cultural practices were used to establish and define public identities in the British colonies of nineteenth century Canada In *Visibly Canadian* Karen Stanworth argues that visual representations were the era's primary mode of expressing identity and shows how the citizenry of Quebec and Ontario was or was not represented in the visual culture of the time Through nine case studies each representing key moments of identity formation and contestation Stanworth investigates how a broad range of cultural phenomena from fine arts to institutional histories to public spectacles were used to order resist and articulate identities within specific social and economic contexts The negotiation and planning underpinning civic culture are evident in rare moments of compromise such as the surprising proposal from the Saint Jean Baptiste Society to merge their annual parade with the celebration of Queen Victoria's Diamond Jubilee in 1897 Equally astounding is the scale of nineteenth century public spectacles reenactments of Victorian scenes of war often attracted crowds of upwards of 10 000 people Illustrated with over fifty images many unseen for over a century *Visibly Canadian* establishes the extraordinary significance of artwork and public spectacles in cutting across language religion and class to tell stories of nationhood belonging and difference
