Queens Spotlight Map:

Maps of the Imagination David N. Collins, 2001 Maps Of The Imagination is phantasmagorical journey through the psychedelic sixties by a young writer who had an uncanny ability to create images with words Influenced heavily by the Beat writers of the preceding generation these writings serve as a titillating link between the Beats and their phylogeny of angel headed hipsters who came of age in the sixties Haiku like in vividness and subject matter this work presents little vignettes of how life appeared to many of this generation at a time when war raged abroad and social convention was being turned on its head at home It is destined to serve as an important period piece for this very special time set and setting So get ready to wander through the mindscapes of an America we once knew the itinerary provided is sufficient to get you there and back in One Peace
