The Campus Queen in Literature and Culture Jamie Hammel Culver, 2024-07-26 The Campus Queen in Literature and Culture Prom Queen Profiles explores the nuanced relationship between femininity and power and provides a scholarly framework for understanding the evolution of the prom queen's archetypal ubiquity Semantically the titles are nearly synonymous prom queen homecoming queen winterfest princess as all denote the longstanding tradition in the United States of conferring royal status upon teenage popularity Yet whatever we call it high school royalty remains one of the most paradoxical realities of youth culture for as fervently as it gets dismissed and discredited it is just as frequently revered and respected A physical manifestation of the student body's collective hegemonic efforts the campus queen occupies a significant space in literature and culture excavating truths both timeless and telling A signature survey of the genre this study traces the historical underpinnings and cultural implications of the campus queen examining the longevity of the archetype and ultimately reimagining the narrative for future generations

The Queen's Tiara, Or, Azouras Lazuli Tintomara Carl Jonas Love Almqvist, 2001 One of Sweden's greatest classics this moving novel weaves the tale of the beautiful but sexless androgyne Tintomara with whom both sexes fall in love around the assassination of the Theatre King Gustav III on the stage of his own opera house at a masked ball in 1792 Tintomara too comes to a tragic end in what was to have been merely a melodramatic entertainment for the court But not before s/he causes all sorts of disastrous complications and confusion Page 4 of cover

Empresses and Queens in the Courtly Public Sphere from the 17th to the 20th Century Marion Romberg, 2022-02-22 This book analyzes the evolving interaction between court and media from an understudied perspective Eight case studies focus on different European Empress consorts and Queen regnants from the seventeenth to the twentieth centuries using a comparative cross media and cross period approach The volume addresses a multitude of questions ranging from how dynastic women achieved public prominence through their portraits how their faces and bodies were moulded and rearticulated to fit varying expectations in

the courtly public sphere and the degree to which they as female actors engaged with or had agency within the processes of production and reception In particular two types of female rulership and their relationship to diverse media are contrasted and lesser known and under researched dynastic women are spotlighted Contributors Christine Engelke Anna Fabiankowitsch Inga Lena ngstr m Grandien Titia Hensel Andrea Mayr Alison McQueen Marion Romberg and Alison Rowley

First**

Edition. Peter Eu, Ben Chiew, 2006-01-01 First Edition 204 pages Full color Queen Elizabeth II has been documented in an unusual way Her Majesty's portraits on banknotes of 29 countries Her Majesty's portrait has been featured on the banknotes of 29 countries the world's most featured portrait on banknotes since 1935 when she was only 9 years old This educational and numismatic book covers over 500 high resolution banknote images bring these beautiful pieces of currency many now rarities to life 204 pages Published in 2006 and the only banknotes reference and catalog in the world The portrait of Queen Elizabeth II has appeared on banknotes in every continent except Antarctica The first country to feature the queen on bills was Canada which issued a banknote in 1935 featuring her as an 8 year old Reviews I recently purchased a copy of a reference book of Queen Elizabeth banknote portraits by Peter Eu and Ben Chiew The book is interesting in the fact that it is so far the definitive reference work of every banknote bearing the engraved image of Queen Elizabeth II And when you think about it that's quite a feat Elizabeth has reigned or ruled since 1952 so for the past 68 years countless banknotes from numerous UK Commonwealths have carried her image This made me wonder if anyone has ever completed a complete set of QEII banknotes or coinage Think about it You'd have to have a complete set of everything Great Britain New Zealand Canada Jamaica Belize Bahamas Australia Hong Kong Cook Island East Caribbean States and other commonwealth members have issued since then somewhere around about 20 countries in all To attempt such a set would be on the same Herculean scale that Louis Eliasberg did when he completed the only complete set of U S coinage back in the 1950's Anyway the book is very interesting and features color plates and is over 200 pages Copies can be found for around 20 which is much cheaper than the deep pockets not to mention years a complete collection would cost you to assemble Well worn Copper Now that is a book I would LOVE in my library HMMM gotta start searching Thanks WWC you have me on a mission PS Just bought a copy It's Mokie Never got into bank notes It amazes me the work that must be done to print a reference book The dedication that it takes for a person or group to put together a book like that A lot of this type of book does not have a big audience Golfer Thanks for that This is a book I've got to get in my library Cheers NM TheNumisMaster
