Samuel B. Southwell

# Quest For Eros Browning Ffine

**Rieko Suzuki**

### **Quest For Eros Browning Fifine:**

Quest for Eros Samuel B. Southwell, **Quest for Eros** Samuel B. Southwell, 2014-07-15 Students of Browning have long been puzzled by the discrepancies between the dramatic framework of *Fifine* and its symbolic development but these difficulties are resolved in Southwell's explication by a biographical hypothesis The powerful influence of the memory of his beloved wife Elizabeth involved Browning in a deep ambivalence and *Fifine at the Fair* represents his effort to escape the effects of the profound inhibitions associated with her memory while at the same time remaining loyal to it The poem is itself a flawed quest for Eros Browning's symbolic vision of sexuality as the central vitalizing force in human culture a supreme achievement of the poem is followed by a renunciation of the quest but the validity of the vision is explicitly affirmed and its promise recognized In *Fifine at the Fair* Browning's artistic powers are splendidly in evidence Southwell's fresh examination of the tensions within the poem offers new understanding of its power Quest for Eros Samuel B. Southwell, 2021-12-14 Students of Browning have long been puzzled by the discrepancies between the dramatic framework of *Fifine* and its symbolic development but these difficulties are resolved in Southwell's explication by a biographical hypothesis The powerful influence of the memory of his beloved wife Elizabeth involved Browning in a deep ambivalence and *Fifine at the Fair* represents his effort to escape the effects of the profound inhibitions associated with her memory while at the same time remaining loyal to it The poem is itself a flawed quest for Eros Browning's symbolic vision of sexuality as the central vitalizing force in human culture a supreme achievement of the poem is followed by a renunciation of the quest but the validity of the vision is explicitly affirmed and its promise recognized In *Fifine at the Fair* Browning's artistic powers are splendidly in evidence Southwell's fresh examination of the tensions within the poem offers new understanding of its power

**The Shelleys and the Brownings** Rieko Suzuki, 2022-01-13 This book is about the intertextual relationships between the works of the Shelleys and the Brownings While a lot of research has been done on the relationship between Percy Bysshe Shelley and Robert Browning virtually nothing has been said about the links between Mary Shelley and Robert Browning and very little on the connections between the Shelleys and Elizabeth Barrett Browning Rieko Suzuki seeks to address this blind spot by focusing on three areas in particular firstly the way that Browning's later poems reflect back on and re engage with Shelley's work secondly Mary Shelley's influence on Browning's early poems and thirdly Shelley's presence in and influence on Elizabeth Barrett Browning's writing In mapping out the various ways in which texts relate to other texts the book also identifies a number of important thematic threads that run throughout the work of all four writers These include theories of history and historical consciousness providing a further dimension to the question of influence They also include ideas about exile gender liberal politics and cultural heritage central to almost all the texts discussed here as the Shelleys and the Brownings in different ways and in varying contexts tried to negotiate the possibility of a more tolerant and resilient social political and cultural environment **English Writers** B. A. Sheen, 2004 English Writers A Bibliography with Vignettes

**The Audience in the Poem** Dorothy Mermin,1983      **The Complete Works of Robert Browning** Robert Browning,2008 In the 1880s the aging Browning showed once again the remarkable versatility of his lyric and narrative talents Ranging across eras and cultures the books here reveal his late thoughts about history myth legend faith love and desire He had never been more popular and the founding of the Browning Society in 1881 expanded both his audience and his sense of his place in English letters The first title in Volume XV is *Dramatic Idylls* Second Series 1880 Taking his subjects from classical history colonial India Arabian legend medieval sorcery Jewish folk tales and Greek myth Browning startles the reader with the rapidity of his thought and the inventiveness of his art In *Jocoseria* 1883 Browning's subjects range across time and space from Hebraic legend to the England of the Romantics Such variety helped attract new readers *Jocoseria* was immediately successful and a second edition was printed in the same year as the first Although Browning's next volume *Ferishtah's Fancies* 1884 was so popular that three editions were printed in less than two years this artful string of anecdotes and lyrics has attracted little favorable criticism The materials Persian legends and Arabic backgrounds chimed with the wildly popular Orientalism of FitzGerald's *Rubiyat* Whistler's *Peacock Room* and Alma Tadema's paintings But the thought was pure Browning in his most optimistic vein and not at all in tune with the growing pessimism of the day As always in this series of critical editions a complete record of textual variants is provided as well as extensive explanatory notes Publisher's description      *Victorians Institute Journal* ,1991      *Guide to British Poetry Explication* Nancy Conrad Martinez,Joseph G. R. Martinez,1991      *Browning Society Notes* Browning Society (London, England),2004      *Critical Essays on Robert Browning* Mary Ellis Gibson,1992      **Tirso's Don Juan** Josep María Sola-Solé,George E. Gingras,1988      **The Reader's Adviser** ,1986      **Victorian Poetry** ,1989      *Notes and Queries* ,1982      **The American Humanities Index** Stephen H. Goode,1982      **Art and Architecture in the Poetry of Robert Browning** Charles Flint Thomas,1996      **Passions Without a Tongue** Jochen Haug,2004 Robert Browning 1812 1889 is generally held to be one of the most important and most complex Victorian poets His poetry balances a high level of intellectual sophistication with an acute awareness of physical materiality This study analyses the depiction of the human body in Browning's work Particular emphasis is placed on the dramatic monologue the poetic form for which he is famous The main part of the study consists of close readings of Browning's poems and situates his oeuvre in the context of Victorian thinking      **Cumulative Bibliography of Victorian Studies** ,1970      *Choice* ,1980
