Quest For God

Stephen R. Holmes

Quest For God:

The Human Quest for God Joseph Stoutzenberger, 2006-04 A fascinating journey for anyone who wants to learn more about the search we humans share the search for an almighty universal presence in our lives *The Quest For God* Paul Johnson, 2013-10-31 A leading historian examines his faith in God in the light of the historical evidence and his own personal experiences Quest for God Abraham Joshua Heschel, 1982 **The Quest for God** William Switala, 2020-11-10 The Quest for God is a study of the explosion of interest in newer approaches to spirituality that took place in the west among Christians Jew and Muslims in the twelfth century The book explores the historic internal and external forces that influenced members of the three major faith groups who were looking for new ways to approach their personal relationship with God It contains a detailed explanation of the new attitudes and religious practices that emerged among the three groups during that century This includes special emphasis placed on the mysticism of Christian monks and nuns the Kabbalah of the Jews and the tenets of Sufism in Islam It also paints a clear picture of the role played by the leading figures both male and female who pioneered this effort A unique feature of the book is the linkage of similar imagery biblical references mystical attitudes and actual religious practices utilized by all three faith systems to achieve a newer more mystical approach to spirituality The fundamental development of spiritual approaches initiated by these three faiths laid the foundation for many of the spiritual practices we have today Each of the three faiths is covered in a separate section Preceding the discussion of the spiritual elements of each is a chapter dealing with the historical setting in which that faith operated A final chapter summarizes the entire work and shows the common characteristics that each group had and links them together **The Quest for God and the Good Life** Mark T. Miller, 2013-05-01 Throughout this introductory text progress decline and redemption constitute a systematic framework for examining the central terms of Catholic theology as well as key notions in Lonergan's theology The book provides a firm foundation for students of Lonergan as well as anyone interested in understanding Catholic theology and applying it to ministry education and other fields **Is the Quest for Meaning the Quest for God?** Wessel Stoker, 1993 The Quest for God Leong Kwok Thye, 2018-05-09 From the dawn of civilization man has been earnestly seeking God what He is like and how to please Him The need to know God is often driven by fear of the unknown in particular of death and how eternity will be spent in heaven or in hell Philosophers and religious teachers have offered theories to assuage anxiety and fear The aim of this collection of twenty five poems is encourage the reader to seek God from a Biblical perspective Knowing God is more than an intellectual exercise It offers an opportunity for a vibrant relationship with him and more importantly to enjoy life with him in eternity Written in simple and provocative style the poems make enjoyable and inspirational reading **Your Quest for God** Richard A. Bennett, 1985 *Your Quest for God* Richard Bennett, 1996-02 The Quest for God Paul Johnson, 1996 This investigation into the nature of God was designed to help the author clarify his beliefs and share with others the strength and comfort of his own Catholic faith The book explores amongst

other things the evidence for God's existence the problem of good and evil the importance of authority ceremony and liturgy other Christian churches and the non-Christian faiths changing attitudes to death the Day of Judgement the existence of Hell and the uses of prayer

Quest for the Living God Elizabeth A. Johnson, 2011-07-21 Since the middle of the twentieth century writes Elizabeth Johnson there has been a renaissance of new insights into God in the Christian tradition On different continents under pressure from historical events and social conditions people of faith have glimpsed the living God in fresh ways It is not that a wholly different God is discovered from the One believed in by previous generations Christian faith does not believe in a new God but finding itself in new situations seeks the presence of God there Aspects long forgotten are brought into new relationships with current events and the depths of divine compassion are appreciated in ways not previously imagined This book sets out the fruit of these discoveries The first chapter describes Johnson's point of departure and the rules of engagement with each succeeding chapter distilling a discrete idea of God Featured are transcendental political liberation feminist black Hispanic interreligious and ecological theologies ending with the particular Christian idea of the one God as Trinity

The Quest - Study Journal Beth Moore, 2017-09-15 In this six session Bible study participants will learn to develop an intimacy with God and embrace the adventure that comes with living a life for Him Features small group leader helps personal study segments with homework and space for journaling and reflection

Quest 52 Mark E. Moore, 2021-11-16 The bestselling author of *Core 52* presents a fifteen minute a day plan to help you know and become more like Jesus over the course of a year Quest 52 will help you answer some of faith's toughest questions while you discover Jesus in a brand new way Carey Nieuwhof podcaster and author of *At Your Best* You've read a lot about Jesus Now spend an entire year with him Let respected Bible professor and teaching pastor Mark Moore be your guide He developed this process over almost forty years of helping people make sense of Christianity Quest 52 highlights the key moments from Jesus's life revealing his identity his expectations his priorities and his ultimate purpose Each week features a handpicked gospel reading from the life of Jesus plus an Old Testament passage foreshadowing his coming a New Testament story revealing his impact an invitation to discuss insights with fellow travelers and practical ways to put what you've learned into practice The topics address relevant issues such as Does Jesus really care about your pain How can you know God's call on your life What does Jesus say about social justice How can you hear God's voice What are ways to survive these difficult days This quest will enhance your understanding of Jesus and will forever change how you make choices engage with others interpret today's big issues and even view yourself

The Future of Christianity Arthur J. Bellinzoni, 2010-12-08 Professor Bellinzoni has written a thoughtful and challenging book which must be taken seriously by all those who take the continued influence of Christianity for granted A part of this challenge is to acknowledge the discrediting of central elements of the gospel history But the other challenge just as important is to identify those parts of that tradition which might be reformulated for a future in which the role of Christianity in ethics society and culture is greatly diminished R Joseph Hoffmann Chair Committee for the Scientific

Examination of Religion at the Center for Inquiry Professor of Religion Emeritus Wells College Christianity has endured for two thousand years weathering the challenges of clerical corruption religious wars internal schism and scientific criticism Today however there is increasing evidence that institutional Christianity is succumbing to the growing secularism of contemporary society Both church attendance and the number of clergy have noticeably declined Will Christianity survive for another thousand years or even a hundred years In this probing assessment of the state of Christianity biblical scholar Arthur J Bellinzoni boldly asserts that Christianity must break with the past and offer a new vision of the future if it hopes to survive Addressing four issues of central concern Bellinzoni advocates a radical rethinking of the Christian message First he suggests that the God concept must move beyond obsolete notions of a personal God and take its inspiration from such diverse sources as science Taoism Moses Thomas Jefferson and Martin Buber Second Bellinzoni urges a more sophisticated approach to the Bible one that values its timeless elements but is not afraid to discard its many antiquated features Third he recommends a new emphasis on Jesus social ethic arguing that this could lead to a dramatic redistribution of the world's wealth and greater respect for the planet Fourth Bellinzoni criticizes the persistence of obsolete myth in Christianity demonstrating that without its mythical embellishments Christianity still offers a relevant understanding of the meaning of human existence A work of erudition that is also completely accessible to the lay reader *The Future of Christianity* provides a stimulating critique that forward thinking Christians will welcome Arthur J Bellinzoni Aurora NY is professor of religion emeritus at Wells College the author of *The Future of Christianity Can It Survive The Old Testament An Introduction to Biblical Scholarship The Sayings of Jesus in the Writings of Justin Martyr* and the editor of *The Two Source Hypothesis and The Influence of the Gospel of Saint Matthew on Christian Literature Before Saint Irenaeus* **The Soul's Quest for God** Robert Charles Sproul, 1992 Sproul leads readers to a deeper intimacy with their Creator through awareness of the Holy Spirit obedience to God and the feeding of the soul **In Quest of God's Power** Charles Livingstone Allen, 1952

Hidden Treasure Quest: Knowing God Through Jesus Hide and Seek Ministries, 2019-11-12 Join Ben in this second book as he discovers how to know God by exploring the life of Jesus Learn about prayer how faith works what it means to be a light how to find God's path for your life Jesus existence in history and much more Hidden Treasure Quest is an engaging and in depth book series for ages 9 to 14 that focuses on helping kids develop their own personal relationship with the Lord through knowledge of God's Word Knowing God Through Jesus is book two in the Hidden Treasure Quest series Visit the Hide and Seek Ministries website to learn more about the series Book Excerpt Copyright 2019 Introduction A Note From Ben I can still remember the frustrated look on my dad's face after we had been driving for hours in his old red truck My dad didn't see the need for the map that was tucked away in the side of his briefcase He was convinced he knew where he was going But after driving for three hours I heard my dad sigh and he slowed down to a stop I don't remember this fork in the road my dad said with that frustrated look I remember so well He pulled off to the side of the road and stared out the window at what

lay ahead I watched several cars drive by us Most of the cars continued to drive down the bigger of the two roads without even hesitating This road was much wider than the other and was by far the busiest It looked like it could hold hundreds of cars at once It took several minutes before I finally saw a car drive down the second smaller road and I wondered why there weren't many people traveling in that direction After the cars made their choice of road you could only see them for a few more seconds before they disappeared over the top of the hill Should I get the map Dad I asked as I glanced behind his seat at his black briefcase Maybe that smaller road doesn't lead to anything important since not very many are driving that way But my comments didn't seem to help He still had that look on his face and he started tapping his fingers on the steering wheel After a few more minutes he reached for his phone to check the signal again We had not had phone service for the past hour and I don't think that was helping my dad's mood He let out another sigh and started fumbling with his briefcase until he found the right pocket My dad needed a map In fact we all need a map You will make millions of decisions during your lifetime But the most important decision you will ever make is whether you will take the wide or narrow road To follow Jesus down the narrow road you need a map just like Ben's dad did Your map is the Bible A map helps you see which way to go and that's exactly what the Bible does The Bible is God's way of helping you follow Jesus down the narrow road Notice no one forced Ben's dad to take the narrow road on that trip they took And no one will force you to follow Jesus It is your choice Following Jesus and going on the narrow road is not always easy And it is definitely not always popular But as you avoid that busy wide road you will find how great it is to be different And the good news is you do not have to be perfect to do this In this book we will be talking about this narrow road as your path God has a special path planned just for you and He wants to help you follow it

Man's Quest for God Abraham Joshua Heschel, 1954 By a professor at the Jewish Theological Seminary of America

The Quest for the Trinity Stephen R. Holmes, 2012-10-03 Stephen Holmes tells the saga of the Christian doctrine of God hoping to provide some reflective distance on today's revival in Trinitarian studies We witness the church's discovery of the doctrine from Scripture its crucial patristic developments its medieval and Reformation continuity and its fortunes since the advent of modernity

GraceQuest Robert V. Rakestraw, 2015-04-13 In this fascinating spiritual theological autobiography Robert Rakestraw tells of his lifelong unceasing search for God After a troubled and unconventional childhood he came to know the grace and freedom of God in a personal way during his college years He then embarked on an unwavering intellectual and spiritual quest for truth and meaning in life Without technical language Rakestraw highlights significant developments and revisions in his understanding of God and God's ways of interacting with the world In striking and sometimes intimate detail he relates compellingly his experiences as a student pastor professor sufferer heart transplant recipient and above all seeker of God Dr Rakestraw's gripping portrayal of his difficulties and sufferings especially with regard to health issues does not come across as depressing Rather it presents the sustaining love and goodness of God in such a way that will pull readers in to investigate the remarkable and freely offered grace of God

extolled by the author
