Moral Tribes Joshua Greene, 2014-12-30 Surprising and remarkable Toggling between big ideas technical details and his personal intellectual journey Greene writes a thesis suitable to both airplane reading and PhD seminars The Boston Globe Our brains were designed for tribal life for getting along with a select group of others Us and for fighting off everyone else Them But modern times have forced the world s tribes into a shared space resulting in epic clashes of values along with unprecedented opportunities As the world shrinks the moral lines that divide us become more salient and more puzzling We fight over everything from tax codes to gay marriage to global warming and we wonder where if at all we can find our common ground A grand synthesis of neuroscience psychology and philosophy Moral Tribes reveals the underlying causes of modern conflict and lights the way forward Greene compares the human brain to a dual mode camera with point and shoot automatic settings portrait landscape as well as a manual mode Our point and shoot settings are our emotions efficient automated programs honed by evolution culture and personal experience The brain s manual mode is its

capacity for deliberate reasoning which makes our thinking flexible Point and shoot emotions make us social animals turning Me into Us But they also make us tribal animals turning Us against Them Our tribal emotions make us fight sometimes with bombs sometimes with words often with life and death stakes A major achievement from a rising star in a new scientific field Moral Tribes will refashion your deepest beliefs about how moral thinking works and how it can work better *Principles of the English Law of Obligations* Andrew Burrows,2015 *Principles of the English Law of Obligations* provides students with a high quality overview of this key area of English law Drawing together updated chapters from the third edition of English Private Law the subjects covered include contract tort and equitable wrongs unjust enrichment and remedies Written by a team of acknowledged experts the chapters give a clear simple and accurate overview of the guiding principles and rules of the English law of obligations including contract and tort which are compulsory subjects for law degrees and on professional courses Whether looking for an accessible conceptual introduction to the area or a handy revision reference students will find this book invaluable **Hansard's Parliamentary Debates** Great Britain. Parliament,1884 *Evaluation Time* Gail Vallance Barrington,Beverly Triana-Tremain,2022-08-29 An accessible and comprehensive guide to the concepts and practice of evaluation this book integrates new approaches and classic frameworks with practical tools that readers can use to design evaluation studies The authors stress the role of critical and evaluative thinking as well as self reflection and demonstrate the importance of context and equity offering a new stance for evaluators to support global as well as local issues

**Democratic Discipline in Learning Communities** Clifford H. Edwards,2011-01-16 This book describes in detail the attributes of learning communities and how these characteristics help students acquire a sense of moral responsibility and commitment to fellow students Clifford H Edwards provides an account of how schools fail to satisfy student needs and thus promote discipline problems Special attention is given to children s need for self direction and how empowering them can promote more responsible learning involvement There is also a focus on the factors that motivate learning and those that do not and how teachers can help their students become more intrinsically interested in school learning Constructivist learning theory is presented as the most accepted explanation of how children learn and how it articulates with the learning community approach to education The inquiry learning strategy is given as the most effective way to apply constructivist learning theory in classrooms Appropriate relationships and effective communications are presented as essential components of learning communities and how they accentuate the effectiveness of this learning orientation Democratic discipline within learning communities is described in detail **The Living Church** ,1919 *The Tablet* ,1879 **The Parliamentary Debates (official Report[s])** ...
