James Holding

Question Of:

Jean-Luc Nancy and the Question of Community Ignaas Devisch, 2013-05-23 This book remedies a gap in the on going debate on community by a transparent and thorough analysis of the work of French philosopher Jean Luc Nancy

Philosophy, Religion, and the Question of Intolerance Mehdi Amin Razavi, David Ambuel, 1997-01-01 Philosophy Religion and the Question of Intolerance is a diverse collection of essays united by a common starting point and theme the awareness that intolerance is a phenomenon encountered in diverse places and circumstances and often handled with limited success The question of toleration together with its cultural social religious and philosophical implications are addressed by leading authorities who offer insights from an interdisciplinary perspective The book begins with essays by three distinguished scholars Robert Cummings Neville J B Schneewind and John McCumber They assess the origins of intolerance the genesis of our concept of toleration and the outlook for the practice of tolerance in contemporary society Beyond the opening essays the collection is divided into three sections The first concentrates on the relationship of religious faith and practice to toleration and inquires how religion might either impede or promote toleration The second section deals primarily with questions regarding tolerance in the face of modern political realities The final section discusses ethics namely the philosophical analysis and definition of toleration as a virtue

Sociological Theory and the Question of Religion Andrew McKinnon, Marta Trzebiatowska, 2016-04-01 Religion lies near the heart of the classical sociological tradition yet it no longer occupies the same place within the contemporary sociological enterprise This relative absence has left sociology under prepared for thinking about religion s continuing importance in new issues movements and events in the twenty first century This book seeks to address this lacunae by offering a variety of theoretical perspectives on the study of religion that bridge the gap between mainstream concerns of sociologists and the sociology of religion Following an assessment of the current state of the field the authors develop an emerging critical perspective within the sociology of religion with particular focus on the importance of historical background Re assessing the themes of aesthetics listening and different degrees of spiritual self discipline the authors draw on ethnographic studies of religious involvement in Norway and the UK They highlight the importance of power in the sociology of religion with help from Pierre Bourdieu Marx and Critical Discourse Analysis This book points to emerging currents in the field and offers a productive and lively way forward not just for sociological theory of religion but for the sociology of religion more generally

Gadamer and the Question of the Divine Walter Lammi, 2011-10-27 Gadamer and the Question of the Divine uncovers a neglected side of Gadamer s thought namely his life long concern with the question of the divine Not only is this an issue of fundamental importance to philosophical hermeneutics but it also contributes to what Gadamer considered to be the most urgent task of our time a conceptual dialogue among religions New grounds for toleration among communities must be found and Gadamer s study of the divine provides both a model and a starting place for doing so In setting forth a conceptual narrative for global dialogue about

religious transcendence Gadamer is the pre eminent twentieth century philosopher of the divine Gadamer s study of the divine is an application of philosophical hermeneutics and phenomenological in its descriptions of temporality and the experience of art Walter Lammi shows how Gadamer provides us with a richly textured study of the divine that finds its bearings in Heidegger and the Greeks and suggests a path to questions of cosmology temporality and religious experience

Plato's Introduction to the Question of Justice Devin Stauffer,2001-01-01 Plato s Introduction to the Question of Justice uncovers the heart of the Platonic analysis of justice by focusing on the crucial opening sections of the Republic Stauffer argues that the dialectical confrontations with ordinary opinion presented in these sections provide the basis for Plato s view of justice and that they also help to show how Plato s thought remains relevant today especially as a rival to Kantianism

Kant and the Question of Theology Chris L. Firestone,Nathan A. Jacobs,James H. Joiner,2017-09-21 God is a problematic idea in Kant s terms but many scholars continue to be interested in Kantian theories of religion and the issues that they raise In these new essays scholars both within and outside Kant studies analyse Kant s writings and his claims about natural philosophical and revealed theology Topics debated include arguments for the existence of God natural theology redemption divine action miracles revelation and life after death The volume includes careful examination of key Kantian texts alongside discussion of their themes from both constructive and analytic perspectives These contributions broaden the scope of the scholarship on Kant exploring the value of doing theology in consonance or conversation with Kant It builds bridges across divides that often separate the analytic from the continental and the philosophical from the theological The resulting volume clarifies the significance and relevance of Kant s theology for current debates about the philosophy of God and religion

Biography and the Question of Literature in France Ann Jefferson,2007-01-04 This book takes a fresh look at the relations between literature and biography by tracing the history of their connections through three hundred years of French literature The starting point for this history is the eighteenth century when the term biography first entered the French language and when the word literature began to acquire its modern sense of writing marked by an aesthetic character Arguing that the idea of literature is inherently open to revision and contestation Ann Jefferson examines the way in which biographically orientated texts have been engaged in questioning and revising definitions of literature At the same time she tracks the evolving forms of biographical writing in French culture and proposes a reappraisal of biography in terms not only of its forms but also of its functions Although Ann Jefferson s book has powerful theoretical implications for both biography and the literary it is first and foremost a history offering a comprehensive new account of the development of French literature through this dual focus on the question of literature and on the relations between literature and biography It offers original readings of major authors and texts in the light of these concerns beginning with Rousseau and ending with life writing contemporary authors such as Pierre Michon and Jacques Roubaud Other authors discussed include Mme de St el Victor Hugo Sainte Beuve Barbey d Aureville Baudelaire Nerval

Mallarm Schwob Proust Gide Leiris Sartre Genet Barthes and Roger Laporte **Plato and the Question of Beauty** Drew A. Hyland, 2008-05-28 Drew A Hyland one of Continental philosophy's keenest interpreters of Plato takes up the question of beauty in three Platonic dialogues the Hippias Major Symposium and Phaedrus What Plato meant by beauty is not easily characterized and Hyland's close readings show that Plato ultimately gives up on the possibility of a definition Plato's failure however tells us something important about beauty that it cannot be reduced to logos Exploring questions surrounding love memory and ideal form Hyland draws out the connections between beauty the possibility of philosophy and philosophical living This new reading of Plato provides a serious investigation into the meaning of beauty and places it at the very heart of philosophy Speech of Mr. Archer, on the Question of the Removal of the Deposites William Segar Archer, 1834

Revisiting the Question of Imputation in Corporate Criminal Law Constantine N. Nana, 2010-02-19 It is now trite knowledge that corporate criminal liability is laced with a large number of contradictions that seriously threaten its legitimacy This book demonstrates that these contradictions may be avoided if courts consistently refer to an adequate mechanism of imputation It proposes parameters for evaluating mechanisms of imputation and shows how an adequate mechanism may be determined This distinctive book provides students and practitioners with an exposition of the current substantive and procedural corporate criminal law and considers other ways of regulating the activities of corporations than using the criminal law It also addresses the distinction between internal knowledge and external knowledge with reference to pedigreed and non pedigreed rules and shows how the concept of discursive dilemma may be employed to aggregate the acts and intents of agents for the purposes of imputing these acts and intents to accused corporations and holding them liable This book is highly recommended for students of criminology law and business It should also be of interest to defence counsels prosecutors and regulatory agencies that either represent and advise corporate defendants or seek to hold corporations accountable for the breach of criminal law standards Sexual Assault and the Justice Gap: A Question of Attitude Jennifer Temkin, Barbara Krahé, 2008-04-15 This book is set against the background of the justice gap in sexual assault cases the dramatic gap between the number of offences recorded by the police and the number of convictions It seeks to examine the attitudinal problems which bedevil this area of law and possible strategies for addressing them Written by a professor of law and a professor of psychology it reviews evidence from socio legal and social cognition research and presents new data drawn both from interviews with judges and barristers and from studies with prospective lawyers and members of the public In the final part it considers different ways in which rape trials could be improved and suggests steps that could be taken to change public attitudes about sexual assault *The Question of Questions which Rightly Resolveth All Our Questions in Religion. The Question Is, Who Ought to be Our Judge in All These Differences? This Book Answereth this Question, and Hence Sheweth a Most Easy ... Way, how Among So Many Religions, the Most Unlearned ... May Find the True Religion. By Optatus Ductor [i.e. James Mumford].* Optatus DUCTOR (pseud.), 1658 *The Question of Terms Simplified. Or,*

the Meanings of Shan, Ling, and Ti in Chinese, Made Plain by Induction John Chalmers, 2024-06-17 Reprint of the original first published in 1876 *The Hand-Book of Astrology: by which Every Question of the Future, on which the Mind is Anxious, May be Truly Answered* ,1861 **A Question Of Intent** David Kessler, 2002-03-21 Tobacco companies had been protecting their turf for decades They had congressmen in their pocket They had corrupt scientists who made excuses about nicotine cancer and addiction They had hordes of lawyers to threaten anyone inside the industry or out who posed a problem They had a whole lot of money to spend And they were good at getting people to do what they wanted them to do After all they had already convinced millions of Americans to take up an addictive unhealthy and potentially deadly habit David Kessler didn't care about all that In this book he tells for the first time the thrilling detective story of how the underdog FDA while safeguarding the nation's food drugs and blood supply finally decided to take on one of the world's most powerful opponents and how it won Like *A Civil Action* or *And the Band Played On* *A Question of Intent* weaves together science law and fascinating characters to tell an important and often unexpectedly moving story We follow Kessler's team of investigators as they race to find the clues that will allow the FDA to assert jurisdiction over cigarettes while the tobacco companies and their lawyers fight back hard Full of insider information and drama told with wit and animated by its author's moral passion *A Question of Intent* reads like a Grisham thriller with one exception everything in it is true **A Question of Loyalty** Paul M. Sniderman, 2024-07-19 **A Question of Freedom** William G. Thomas, 2020-11-24 The story of the longest and most complex legal challenge to slavery in American history For over seventy years and five generations the enslaved families of Prince George's County Maryland filed hundreds of suits for their freedom against a powerful circle of slaveholders taking their cause all the way to the Supreme Court Between 1787 and 1861 these lawsuits challenged the legitimacy of slavery in American law and put slavery on trial in the nation's capital Piecing together evidence once dismissed in court and buried in the archives William Thomas tells an intricate and intensely human story of the enslaved families the Butlers Queens Mahoneys and others their lawyers among them a young Francis Scott Key and the slaveholders who fought to defend slavery beginning with the Jesuit priests who held some of the largest plantations in the nation and founded a college at Georgetown *A Question of Freedom* asks us to reckon with the moral problem of slavery and its legacies in the present day **On the Question of Germany** Vyacheslav Mikhaylovich Molotov, Vasilii Danilovich Sokolovskii, 1947 *A Question of Ethics* James Holding, 2018-10-10 The first installment in James Holding's classic *The Photographer* series about a professional assassin One of his best **Question of Being** Martin Heidegger, 1958-12 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com

Reviewing **Question Of**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing.
