Bartholomew, 2015-11-10 2016 Word Guild Award Academic category Honorable mention Grace Irwin Prize Renowned scholar Craig Bartholomew coauthor of the bestselling textbook *The Drama of Scripture* writes in his main area of expertise hermeneutics to help seminarians pursue a lifetime of biblical interpretation Integrating the latest research in theology philosophy and biblical studies this substantive hermeneutics textbook is robustly theological in its approach takes philosophical hermeneutics seriously keeps the focus throughout on the actual process of interpreting Scripture and argues that biblical interpretation should be centered in the context and service of the church an approach that helps us hear God's address today Christology in Cultural Perspective Colin J. D. Greene, 2015-10-14 Christology defines the very heart of the Christian faith Traditionally the study of the person and work of Christ has been understood largely as an exercise in biblical exegesis or historical and doctrinal analysis Rarely if ever has Christology focused on the changing cultural paradigms that have deeply influenced the development of human knowledge and self understanding This unique volume by Colin Greene reverses that trend and in line with developments in modern cultural theory explores the interlaces between successive cultural contexts and the story of Jesus to which the Scriptures bear witness Starting with an examination of the three main Christological trajectories that have dominated the history of Christology cosmological Christology political Christology and anthropological Christology Greene proceeds to concentrate on the subtle and complex linkages between Christology and the sociopolitical paradigms that have bolstered the epistemological assumptions of modernity Greene's wide ranging study closes with a creative exploration into how Christology might once again provide us with a Christ centered vision of reality

Radical Monotheism and Western Culture Helmut Richard Niebuhr, 1993-01-01 This reissue of a classic work of H Richard Niebuhr one of the most influential and creative theological ethicists of the twentieth century highlights his mature thinking By using path breaking interpretations of faith as a basic dimension of human life and culture as an arena of faith in conflict Niebuhr encourages further thought This volume should be required reading for anyone interested in recent perspectives on theology and ethics The Library of Theological Ethics series focuses on what it means to think theologically and ethically It presents a selection of important and otherwise unavailable texts in easily accessible form Volumes in this series will enable sustained dialogue with predecessors though reflection on classic works in the field **Disputed Truth** Hans Küng, 2014-07-03 The second volume of riveting memoirs from Hans Küng the leading and controversial theologian

Hans K ng has been a major influence on post war Christianity by any reckoning A peritus for the second Vatican council he then went on to publish a number of controversial books including *Infallible An Enquiry* 1971 which enraged the Vatican and caused him to lose the ecclesiastical approval of his teaching at the university of T bingen However he remains a respected priest in good standing with his bishop Throughout all the upheavals that the Catholic Church has undergone in recent decades K ng has been an outspoken observer turning himself from enfant terrible to b te noire However his world influence has been great Whether speaking at the United Nations or consorting with politicians and religious leaders he is always listened to with respect and enthusiasm A string of recent books has added to his reputation notably *On Being a Christian* 1974 and *Does God Exist An Answer for Today* 1980 What is not so well known is that as a young man K ng was a close friend and confidant of Joseph Ratzinger Benedict XVI Over the years however they increasingly came to represent exactly what the other most despised On being appointed to the Holy See Ratzinger had a long private meeting with K ng the consequences of which may resonate within the Catholic Church for many years In these thrilling memoirs K ng gives his personal account of all these struggles and ambitions The result is a book of major importance for any student of the church in the 20th century This second volume covers the period following the close of the Second Vatican Council right up to the present day

Sources of Christian Theology in America Mark G. Toulouse, James O. Duke, 1999 This volume is intended as a companion to the story already told in *Makers of Christian Theology in America* Abingdon 1997 by scholars who sketched intellectual portraits of 91 thinkers formative in Christian theological discussion Emphasis is on theologians or theologies which reach considerably beyond their denominational regional ethnic or school support bases The volume thus has selections of the sort standard and revisionist histories alike have cause to take into account in their field surveys The focus is on the traditions of scholarly Christian church theology and the selections offer access to substantive content at some considerable length using complete and self contained samples when possible instead

of snippets The four eras of Christian theology's history in America covered by these sixty readings are the colonial early national post Civil War to World War I and twentieth century developments *Reinhold Niebuhr* P. Merkley,1975-05-01 During a lifetime of active involvement in American political life Reinhold Niebuhr did much good and a certain amount of mischief Both the good and the mischief are traceable to the same source his faith For too long Niebuhr has been misrepresented by the political theorists and the historians as a link in the pragmatic tradition It is time we began to do Niebuhr the justice of taking him at his own evaluation as a dogmatic Christian The meaning of his own life he believed was in the keeping of God And so he believed was the meaning of his nation's history He believed that history was radically open to all possibilities of both good and evil until its end and he could thus nonchalantly apply to America's collective destiny the dictum of St Paul that he applied to his own that whether we live we live unto the Lord and whether we die we die unto the Lord whether we live therefore or die we are the Lord's **Not the Cross, But the Crucified** Herman-Emiel Mertens,1992 Herman Emiel Mertens is Professor of Dogmatic Theology at the Faculty of Theology of the Catholic University of Leuven since 1969 **God, Revelation and Authority : God Who Stands and Stays (Vol. 5)** Carl F.
