

Questioning Slavery

James Walvin

Questioning Slavery

Matt D. Childs

Questioning Slavery:

Questioning Slavery James Walvin, 2002-11 Surveying the key questions of slavery this book traces the arguments which have surrounded its history in recent years A wide ranging thematic organisation covers racial economic political social cultural gender and colonial dimensions The Anti-Slavery Project Joel Quirk, 2011-05-26 It is commonly assumed that slavery came to an end in the nineteenth century While slavery in the Americas officially ended in 1888 millions of slaves remained in bondage across Africa Asia and the Middle East well into the first half of the twentieth century Wherever laws against slavery were introduced governments found ways of continuing similar forms of coercion and exploitation such as forced bonded and indentured labor Every country in the world has now abolished slavery yet millions of people continue to find themselves subject to contemporary forms of slavery such as human trafficking wartime enslavement and the worst forms of child labor The Anti Slavery Project From the Slave Trade to Human Trafficking offers an innovative study in the attempt to understand and eradicate these ongoing human rights abuses In The Anti Slavery Project historian and human rights expert Joel Quirk examines the evolution of political opposition to slavery from the mid eighteenth century to the present day Beginning with the abolitionist movement in the British Empire Quirk analyzes the philosophical economic and cultural shifts that eventually resulted in the legal abolition of slavery By viewing the legal abolition of slavery as a cautious first step rather than the end of the story he demonstrates that modern anti slavery activism can be best understood as the latest phase in an evolving response to the historical shortcomings of earlier forms of political activism By exposing the historical and cultural roots of contemporary slavery The Anti Slavery Project presents an original diagnosis of the underlying causes driving one of the most pressing human rights problems in the world today It offers valuable insights for historians political scientists policy makers and activists seeking to combat slavery in all its forms *Writing the History of Slavery* David Stefan Doddington, Enrico Dal Lago, 2022-01-13 Exploring the major historiographical theoretical and methodological approaches that have shaped studies on slavery this addition to the Writing History series highlights the varied ways that historians have approached the fluid and complex systems of human bondage domination and exploitation that have developed in societies across the world The first part examines more recent attempts to place slavery in a global context touching on contexts such as religion empire and capitalism In its second part the book looks closely at the key themes and methods that emerge as historians reckon with the dynamics of historical slavery These range from politics economics and quantitative analyses to race and gender to psychohistory history from below and many more Throughout examples of slavery and its impact are considered across time and place in Ancient Greece and Rome Medieval Europe colonial Asia Africa and the Americas and trades throughout the Atlantic and Indian Oceans Also taken into account are thinkers from Antiquity to the 20th century and the impact their ideas have had on the subject and the debates that follow This book is essential reading for students and scholars at all levels who are interested in not only the history of slavery but in how that history has

come to be written and how its debates have been framed across civilizations **Voices from Slavery** Norman R. Yetman, 2012-03-15 Vivid descriptions of the horrors of slave auctions and many other unforgettable and sometimes unrepeatable details of slave life Accompanied by 32 starkly compelling photographs Human Rights Darren O'Byrne, 2014-06-06 Human Rights An Introduction is an important text that provides a comprehensive overview of human rights and related issues from a social science perspective First this book does more than discuss theory it uses case studies and personal testimonies in the debate Human rights as an area of academic interest cannot be easily divorced from human rights struggles and the reality of contemporary conditions Second the book is aimed at what is an emerging and growing cross disciplinary field of study Human rights issues are increasingly coming to the fore in a number of academic debates Whereas the study of human rights has traditionally been included in departments of law international relations and philosophy a number of courses are now being set up in departments of sociology and anthropology Consequently there is an increasing need to bring these disparate approaches together *Liberty and Slavery* William J. Cooper, Jr., 2021-04-16 Explores the South's paradoxical devotion to liberty and the practice of slavery The recipient of high praise and considerable debate for its provocative thesis William J Cooper Jr's sweeping survey of antebellum southern politics returns to print for classroom and general use with this new paperback volume In *Liberty and Slavery* Cooper contends that southerners defined their notions of liberty in terms of its opposite slavery He suggests that a jealous guardianship of the peculiar institution unified white southerners of differing economic social and religious standing and grounded their debates on nationalism and sectionalism agriculture and manufacturing territorial expansion and Western settlement Cooper assesses how the South's devotion to liberty shaped its response to major legislation judicial decisions and military actions and how abolitionism in the eyes of white southerners threatened the destruction of local control and the death of liberty *The Law and Slavery* Jean Allain, 2015-05-19 The Law and Slavery sets out the articles book reviews and case notes by Professor Jean Allain which led to pioneering exploration of forced labour servitudes slavery the slave trade and trafficking in his 2013 *Slavery in International Law Of Human Exploitation and Trafficking* MNP This collection brings together Professor Allain's considerations of the evolution of legal abolition internationally his critique of the then status quo in the area of slavery and the law and goes on to develop the foundations of a legal understanding of various servitudes and slavery based on his archival research and legal analysis Professor Allain's research has transformed the landscape of how we understand contemporary slavery and those other servitudes which constitute human exploitation **Mastery and Slavery in Victorian Writing** J. Taylor, 2002-12-17 Taking Hegel's famous Master Slave Dialectic as its starting point this wide ranging book examines portrayals of masters slaves and servants in works by Carlyle Dickens Eliot Collins and others The questions raised about modern mastery and slavery are pursued in relation to intriguing nineteenth century figures as the American slave holder the musician the demagogue and the Jew The Slavery Reader Gad J. Heuman, James Walvin, 2003 Brings together the most recent and

essential writings on slavery Spanning almost five centuries the late fifteenth until the mid nineteenth the articles trace the range and impact of slavery on the modern western world Slavery DK,2009-05-18 The story of slavery from its roots to the present day Slavery has plagued the history of humankind for thousands of years from the conquered peoples of Ancient times to the millions of Africans stolen from their homelands and forced into work that helped build America and the modern world But what was it like to be a slave endure such terrible hardships and fight for freedom Here historical information combines with moving personal stories to give your child the story behind slavery Maps charts timelines and artifacts provide eye opening context The testimony of slaves featured in the book will take them behind the statistics Help them discover the real story behind an evil trade that still exists even today American Slavery, Atlantic Slavery, and Beyond Enrico Dal Lago,2015-12-22 American Slavery Atlantic Slavery and Beyond provides an up to date summary of past and present views of American slavery in international perspective and suggests new directions for current and future comparative scholarship It argues that we can better understand the nature and meaning of American slavery and antislavery if we place them clearly within a Euro American context Current scholarship on American slavery acknowledges the importance of the continental and Atlantic dimensions of the historical phenomenon comparing it often with slavery in the Caribbean and Latin America However since the 1980s a handful of studies has looked further and has compared American slavery with European forms of unfree and nominally free labor Building on this innovative scholarship this book treats the U S peculiar institution as part of both an Atlantic and a wider Euro American world It shows how the Euro American context is no less crucial than the Atlantic one in understanding colonial slavery and the American Revolution in an age of global enlightenment reformism and revolutionary upheavals the Cotton Kingdom s heyday in a world of systems of unfree labor and the making of radical Abolitionism and the occurrence of the American Civil War at a time when nationalist ideologies and nation building movements were widespread *From Slavery to Freedom in Brazil* Dale Torston Graden,2006 The political and religious forces which led to the decline of the slave trade in nineteenth century Bahia Brazil The Case against Afrocentrism Tunde Adeleke,2011-01-05 Postcolonial discourses on African Diaspora history and relations have traditionally focused intensely on highlighting the common experiences and links between black Africans and African Americans This is especially true of Afrocentric scholars and supporters who use Africa to construct and validate a monolithic racial and culturally essentialist worldview Publications by Afrocentric scholars such as Molefi Asante Marimba Ani Maulana Karenga and the late John Henrik Clarke have emphasized the centrality of Africa to the construction of Afrocentric essentialism In the last fifteen years however countervailing critical scholarship has challenged essentialist interpretations of Diaspora history Critics such as Stephen Howe Yaacov Shavit and Clarence Walker have questioned and refuted the intellectual and cultural underpinnings of Afrocentric essentialist ideology Tunde Adeleke deconstructs Afrocentric essentialism by illuminating and interrogating the problematic situation of Africa as the foundation of a racialized worldwide African Diaspora He attempts to fill an intellectual

gap by analyzing the contradictions in Afrocentric representations of the continent These include multiple conflicting and ambivalent portraits of Africa the use of the continent as a global unifying identity for all blacks the de emphasizing and nullification of New World acculturation and the ahistoristic construction of a monolithic African Diaspora worldwide

Christian Slavery Katharine Gerbner, 2018-04-02 Could slaves become Christian If so did their conversion lead to freedom If not then how could perpetual enslavement be justified Christian Slavery shows how debates about slavery transformed the practice of Protestantism and the language of race in the early modern Atlantic world Speaking of Slavery Steven A. Epstein, 2018-05-15 The language of slavery is the last but steep price any society must pay for having tolerated the institution and profited from it The hypocrisies the racism the sexism the brutality bound up with the daily practice of slavery live on in Abolition of Slavery: Oxford Bibliographies Online Research Guide Oxford University Press, 2010-06-01 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated This ebook is just one of many articles from Oxford Bibliographies Online Atlantic History a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of Atlantic History the study of the transnational interconnections between Europe North America South America and Africa particularly in the early modern and colonial period Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com **Slavery, Abolition and Emancipation Vol 2** Peter J Kitson, Debbie Lee, Anne K Mellor, James Walvin, 2020-04-27 Most writers associated with the first generation of British Romanticism Blake Coleridge Wordsworth Southey Thelwall and others wrote against the slave trade This edition collects a corpus of work which reflects the issues and theories concerning slavery and the status of the slave *Slavery, Abolition and Emancipation Vol 8* Peter J Kitson, Debbie Lee, Anne K Mellor, James Walvin, 2020-04-23 Most writers associated with the first generation of British Romanticism Blake Coleridge Wordsworth Southey Thelwall and others wrote against the slave trade This edition collects a corpus of work which reflects the issues and theories concerning slavery and the status of the slave **Slavery's Exiles** Sylviane A. Diouf, 2016-03 The forgotten stories of America maroons wilderness settlers evading discovery after escaping slavery Over more than two centuries men women and children escaped from slavery to make the Southern wilderness their home They hid in the mountains of Virginia and the low swamps of South Carolina they stayed in the neighborhood or paddled their way to secluded places they buried themselves underground or built comfortable settlements Known as maroons they lived on their own or set up communities in swamps or other areas where they were not

likely to be discovered Although well known feared celebrated or demonized at the time the maroons whose stories are the subject of this book have been forgotten overlooked by academic research that has focused on the Caribbean and Latin America Who the American maroons were what led them to choose this way of life over alternatives what forms of marronage they created what their individual and collective lives were like how they organized themselves to survive and how their particular story fits into the larger narrative of slave resistance are questions that this book seeks to answer To survive the American maroons reinvented themselves defied slave society enforced their own definition of freedom and dared create their own alternative to what the country had delineated as being black men and women s proper place Audacious self confident autonomous sometimes self sufficient always self governing their very existence was a repudiation of the basic tenets of slavery

The 1812 Aponte Rebellion in Cuba and the Struggle against Atlantic Slavery Matt D.

Childs,2009-01-05 In 1812 a series of revolts known collectively as the Aponte Rebellion erupted across the island of Cuba comprising one of the largest and most important slave insurrections in Caribbean history Matt Childs provides the first in depth analysis of the rebellion situating it in local colonial imperial and Atlantic World contexts Childs explains how slaves and free people of color responded to the nineteenth century sugar boom in the Spanish colony by planning a rebellion against racial slavery and plantation agriculture Striking alliances among free people of color and slaves blacks and mulattoes Africans and Creoles and rural and urban populations rebels were prompted to act by a widespread belief in rumors promising that emancipation was near Taking further inspiration from the 1791 Haitian Revolution rebels sought to destroy slavery in Cuba and perhaps even end Spanish rule By comparing his findings to studies of slave insurrections in Brazil Haiti the British Caribbean and the United States Childs places the rebellion within the wider story of Atlantic World revolution and political change The book also features a biographical table constructed by Childs of the more than 350 people investigated for their involvement in the rebellion 34 of whom were executed

Questioning Slavery Introduction

In today's digital age, the availability of Questioning Slavery books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Questioning Slavery books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Questioning Slavery books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Questioning Slavery versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Questioning Slavery books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Questioning Slavery books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Questioning Slavery books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Questioning Slavery books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Questioning Slavery books and manuals for download and embark on your journey of knowledge?

FAQs About Questioning Slavery Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Questioning Slavery is one of the best book in our library for free trial. We provide copy of Questioning Slavery in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Questioning Slavery. Where to download Questioning Slavery online for free? Are you looking for Questioning Slavery PDF? This is definitely going to save you time and cash in something you should think about.
