Geisler,Jason Jimenez,2015-01-13 Every believer has questions about God the Bible Jesus and the purpose and meaning of life The vexing problem is that so few believers are able to answer even the most basic ones Without answers doubt creeps in and the future of the church is in jeopardy With insight and precision Geisler and Jimenez address one hundred penetrating questions that the culture asks and Christians must be prepared to answer including both controversial questions raging in the public sphere and personal questions about family issues the purpose and meaning of life and the future of the world Christians from every walk of life especially young believers youth workers and parents will treasure this comprehensive resource Foreword by Josh and Sean McDowell **The Doctrine of the Holy Spirit** Yacob Godebo,2025-07-03 The Scriptures teach the church that in biblical times the coming of the Holy Spirit equally entailed objective gift of divine reality and subjective experience of his presence gifts and works There was objective pouring out and imparting of the Holy Spirit from the divine side and subjective experiential demonstration from the receivers side which resulted from the gifts endowed and power imparted along with the Holy Spirit Having given them either verbally uttered or visibly performed gifts the Holy Spirit then moved believers towards practical demonstration through subjective experience Believers subjective experience took place only as a result of the objective gift of the Holy Spirit and the resulting endowment and empowerment Thus in the objective content of his manifestation the Holy Spirit is the objective gift of God to indwell his people In the subjective content of his manifestation the Holy Spirit endows people with audibly uttered or visibly performed gifts The subjective experience of the Holy Spirit s presence therefore is an original theological input from God just like the objective impartation of the Holy Spirit Practitioners were just objects of divine purpose and their subjective

experience was divine provided and divine initiated genuine experience beyond their consciousness and calculation Reception of the Holy Spirit therefore means equally an experience of his presence gifts power and works in the church and in with and through believers from Hosanna to Maranatha
