Questions Of Gender Perspectives And Paradoxes:

Questions of Gender Dina L. Anselmi, Anne L. Law, 2007-07 Questions of Gender comprises a collection of readings on various topics related to the intersections of gender studies and psychology Each piece is framed by useful pedagogy such as introductory essays review questions reflection questions chapter summaries and key terms to aid in student comprehension

Questions of Gender Anselmi, Anne Law, 2020-11-17 *Gender in Philosophy and Law* Laura Palazzani, 2012-08-18 This book is an introductory systematic framework in the complex and interdisciplinary sex gender debate focusing on philosophy of law The volume analyses the different theories that have dealt with the gender category highlighting the conceptual premises and the arguments of the most influential theories in the debate which have had repercussions on the field of the ethical and juridical debate with reference to intersexuality transsexualism transgender homosexuality The aim is to offer a sort of conceptual orientation in the complexity of the debate in an effort to identify the various aspects and development processes of the theories so as to highlight the conceptual elements of the theorisations to grasp the problem areas within them It is therefore an overall synthetic and also explicative analysis but not only explicative the aim is to outline the arguments supporting the different theories and the counter arguments too for the purpose of proposing categories to weigh up the elements and to take one's own critical stance with a methodological style that is neither descriptive nor prescriptive but critical

Questions of Gender Dina L. Anselmi, Anne L. Law, 1998 A collection of reading on various topics related to the intersection of gender studies and psychology Topics covered include defining sex and gender cross cultural perspective on gender gender identity and gender and relationships Boyz 2 Buddhas David Forbes, 2004 Is conventional masculinity hazardous to young men's health Boyz 2 Buddhas proposes that mindfulness meditation can help male teens deal with the unhealthy pressures of growing up today After examining high school football a popular activity that evokes troublesome aspects of male consciousness and behavior David Forbes describes a meditation and discussion group he held with urban high school football players The students meditated in order to play football in the zone a state of higher awareness Along the way they also learned to live their lives in the same manner resulting in a more mindful healthy way of growing up to be men The counseling model illustrated in this book blends popular culture with contemplative practice and addresses young men's need for greater personal meaning

The Paradox of Gender Equality Kristin A. Goss, 2020-08-06 Kristin A Goss examines how women's civic place has changed over the span of more than 120 years how public policy has driven these changes and why these changes matter for women and American democracy As measured by women's groups appearances before the U S Congress women's collective political engagement continued to grow between 1920 and 1960 when many conventional accounts claim it declined and declined after 1980 when it might have been expected to grow Goss asks what women have gained and perhaps lost through expanded incorporation as well as whether single sex organizations continue to matter in 21st century America Gender Issues in Scandinavian Music Education Silje Valde Onsrud, Hilde Synnøve Blix, Ingeborg

Lunde Vestad,2021-03-14 *Gender Issues in Scandinavian Music Education From Stereotypes to Multiple Possibilities* introduces much needed updates to research and teaching philosophies that envision new ways of considering gender diversity in music education This volume of essays by Scandinavian contributors looks beyond the dominant Anglo American lens while confronting a universal need to resist and rethink the gender stereotypes that limit a young person s musical development Addressing issues at all levels of music education from primary and secondary schools to conservatories and universities topics discussed include the intersection of social class sexual orientation and teachers beliefs gender performance in the music classroom and its effects on genre and instrument choice hierarchical inequalities reinforced by power and prestige structures strategies to fulfill curricular aims for equality and justice that meet the diversity of the classroom and much more Representing a commitment to developing new practices in music education that subvert gender norms and challenge heteronormativity *Gender Issues in Scandinavian Music Education* fills a growing need to broaden the scope of how gender and equality are situated in music education in Scandinavia and beyond

The Pentecostal Gender Paradox Joseph Lee Dutko,2023-11-16 The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades particularly within Pentecostal scholarship Pentecostalism is regarded ideally as both an eschatological and egalitarian movement However many Pentecostals have lamented the inconsistency between the early egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women s equality little research has been done to put these two areas into conversation with each other eschatological convictions are often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could Pentecostal eschatology be the key to re discovering greater equality for women in the church Is the waning of both eschatology and women s equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By examining gender solely through an eschatological lens in history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women s in equality This book is also one of the first comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women s inequality begins with fidelity to the future eschaton of gender equality

Pakistan's Stability Paradox Ashutosh Misra,Michael E. Clarke,2013-03 Pakistan with the second largest Muslim

population in the world is a crucial country in the international system This book identifies the factors that contribute both to Pakistan s perceived instability and its resilience It examines the drivers of Pakistan chronic instability and addresses the implications of its current political and security predicaments for regional international and its own security *Gender Issues in Learning and Working with Information Technology: Social Constructs and Cultural Contexts* Booth, Shirley, Goodman, Sara, Kirkup, Gill, 2010-05-31 This book deals with diffe four features of the burgeoning knowledge society gender equity learning and information technology with the focus on gender not in the taken for granted biological sense of sex but in the socially constituted sense of it Provided by publisher *Seeking Equal Opportunities and Safe Environments: Research from a Gender Perspective* Alba García-Cid, Lourdes Villardon, Patricia García-Leiva, Raquel Diniz, Rosalia de Oliveira Lemos, Clarissa Pepe-Ferreira, Ana María Espinoza Catalán, 2025-02-07 Society s most important challenges require the best evidence to address the problems they entail This is the main objective of the Research Topic Seeking Equal Opportunities and Safe Environments Research from a Gender Perspective Considering that gender violence is a significant public health problem and social scourge affecting millions of individuals around the world this issue aims to tackle all forms of gender based violence discrimination and inequalities in order to foster safe environments for all people High level psychosocial cultural political health and educational research is needed to the pursuit of equal opportunities in the 21st century and very importantly to do so with a social impact that is reflected in an improvement of society To meet the challenges in society and following The Sustainable Development Goals from the United Nations 2030 Agenda research is sought inter alia on vulnerable populations who are specially affected by gender violence children adolescents women migrant groups ethnic minorities groups with special educational needs LGBTIQ collective This is intended to contribute to the objectives of Goal 4 Quality Education Goal 5 Achieve gender equality and empower all women and girls Goal 10 Reduce inequality and Goal 16 Promote justice peaceful and inclusive societies With this in mind to carry out this important task we are looking for research that provides evidence on the current global situation from a gender perspective and interventions that promote and support equality between men and women in a safe social context where violence and discrimination have no place *The Neutrality Paradox in Sport* Hans Erik Næss, 2022-10-03 Following Russia s invasion of Ukraine in early 2022 sanctions were implemented that banned Russia from most international sports As a result sport governing bodies SGBs have made a marked shift in their tradition of neutrality to a point of no return In light of this this book asks what is next for SGBs It provides an analysis of the root problem that sport governing bodies have had with politics since their inception a paradoxical treatment of neutrality This can be evidenced by their awarding of Mega Sport Events to authoritarian states and also through the SGBs own desire to make a difference by promoting human rights and sustainable development Good or bad the author argues that their neutrality principles are invalidated by their actions Offering interdisciplinary research with empirical examples this issue is explored in an engaging yet analytical way making it valuable

reading for researchers and students interested in sport management for organisations and also policy makers This book presents a pioneering study of neutrality and autonomy in sport in light of the Ukraine crisis and addresses a growing appetite in academia on how sport governing bodies will reconcile their commitments to societal progress whilst maintaining neutrality

Reader's Guide to Women's Studies Eleanor Amico, 1998-03-20 The Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies Some 200 scholars have contributed to the project which adopts a multi-layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors

The Political Dimensions of Religion Said Amir Arjomand, 1993-01-01 This volume explores the relationship between religion and politics It brings a varied sample of richly detailed comparative and case studies together with a set of analytical paradigms in an integrated framework It is a major statement on a timely subject and a plea for the acknowledgment of normative pluralism as firmly rooted in the history of religion The editor shows that the fact of political diversity in the history of world religions compels the acceptance of pluralism as a normative principle

Women's Lives Claire A. Ettaugh, Judith S. Bridges, 2015-07-14 Women's Lives A Psychological Exploration 3rd Edition draws on a wealth of the literature to present a rich range of experiences and issues of relevance to girls and women This text offers the unique combination of a chronological approach to gender that is embedded within topical chapters Cutting edge and comprehensive each chapter integrates current material on women differing in age ethnicity social class nationality sexual orientation and ableness The third edition reflects substantial changes in the field while maintaining its empirical focus through engaging writing student activities and critical thinking exercises With over 2 100 new references emphasizing the latest research and theories the authors continue to pique interests in psychology of women

Gender and Thought: Psychological Perspectives Mary Crawford, Margaret Gentry, 2012-12-06 In this volume gender serves as a general framework for analyzing the ways people think about mathematical performance language self-concept social categories and methods and ways of knowing and creating knowledge A distinguished group of authors shows how various forces in language family practices and education reinforce differentiation among the sex roles This volume attempts to bridge this gap between difference and equality by revitalizing and reinterpreting the concept of gender differences Gender and Thought places research on women and gender at the heart of many important areas of scholarly inquiry

Christian Nationalism and the Paradox of Secularism Andrew Fiala, 2025-05-08 Christian nationalism is a backlash against the success of secularism and the growth of nonreligion Its proponents go so far as to claim that secularism is diabolical This rejection of secularism poses a significant challenge for secular systems which aim to be inclusive of diverse religious ideas This book explains the depth of this challenge while recounting the views of Christian nationalists including Donald Trump It shows how key figures in the American tradition Adams Jefferson Madison and others

promoted political secularism It uses Christian theology and modern political philosophy to argue in defence of secularism and against Christian nationalism

The Question of Gender Judith Butler, Elizabeth Weed, 2011-07-20 A generation after the first publication of Joan W Scott's influential essay *Gender: A Useful Category of Historical Analysis* this volume explores the current uses and valences of the term and the ongoing influence of Scott's work in history and other disciplines Leading scholars from history philosophy literature art history and other fields examine how gender has translated into their own disciplinary perspectives How has the study of gender independently or in conjunction with other axes of difference such as race class and sexuality inflected existing fields of study and created new ones To what extent has this concept modified or been modified by related paradigms such as women's and queer studies With what discursive politics does the term engage and with what effects In what settings and through what kinds of operations and transformations can gender remain a useful category in the twenty first century

International Encyclopedia of Marriage and Family James J. Ponzetti, 2003 Online version of the 4 vol work published by Macmillan Reference USA

Global Gender Issues in the New Millennium Anne Sisson Runyan, 2018-04-19 *Global Gender Issues in the New Millennium* argues that the power of gender works to help keep gender race class sexual and national divisions in place despite increasing attention to gender issues in the study and practice of world politics Accessible and student friendly for both undergraduate and graduate courses authors Anne Sisson Runyan and V Spike Peterson analyze gendered divisions of power and resources that contribute to the worldwide crises of representation violence and sustainability They emphasize how hard won attention to gender equality in world affairs can be co-opted when gender is used to justify or mystify unjust forms of global governance international security and global political economy In the new and updated fourth edition Runyan and Peterson examine the challenges of forging transnational solidarities to de-gender world politics scholarship and practice through renewed politics for greater representation and redistribution Yet they see promise in coalitional struggles to re-radicalize feminist world political demands to change the downward conditions of women men children and the planet Updated to include framing questions at the opening of each chapter discussion questions and exercises at the end of each chapter and updated data on gender statistics and policymaking Chapters One and Two have also been revised to provide more support to readers with less of a background in gender politics Case studies and web resources are now also provided
