There are many ways in which the Church has missed the mark set for it by Jesus that it would love God and neighbor and that it would preach teach and serve In missing the mark the Church has caused harm often to the very people that Jesus called the Church to love and serve This is a challenge to the Church to be honest about who and what it has become This is a call to the Church to confess its selfishness and preferences and how they have led it to be of service to itself at the expense of everyone else This is an effort to own the harm that we the Church have caused This is an attempt at entering into a conversation with the people who have been harmed or left behind by the Church If the Church is to be effective in the work Jesus has given it to do the Church must repent of its selfishness seek forgiveness for the harm it has caused and be rebuilt on the foundation that Jesus laid out That cannot happen until we *Unearth the Church* *They Like Jesus but Not the Church* Dan Kimball,2009-05-26

Although I had accepted Jesus as my Lord and Savior at a young age I did not understand what my salvation meant I did not understand the fruitfulness of my relationship with Christ I thought that being a Christian was going to Church when I felt like it and praying to God whenever I needed something Through many trials in life God continued to pursue me and revealed himself For many years my heart was hardened because most Christians I met were either judgmental envious or hypocrites Many of them could not explain the questions I had about the scriptures I concluded that many Christians were using the Church and God to benefit themselves During the trials God planted seasoned Christians to encourage me to give Christianity another chance It was not until I faced many challenges with my career that I understood my purpose and appreciated the importance of having a relationship with Jesus But he was pierced for our transgressions he was crushed for our iniquities upon him was the chastisement that brought us peace and with his wounds we are healed Isaiah 53 5 *Rewilding the Church* Steve Aisthorpe,2020-07-30

Following on from his bestselling *The Invisible Church* Steve Aisthorpe finds inspiration for his new book in the ecological concept of rewilding an approach to the environment that allows nature to break free from the dulling effects of strategic control and bring wonder back into our lives Applying this thinking to the Church Steve Aisthorpe imagines what might happen if we put less faith in our strategies and plans which inevitably depend on our own capabilities and resources and allow the Spirit to lead us beyond our capacity to imagine *Rewilding the Church* explores afresh the compelling invitation of Jesus to Follow me and the call to throw off everything that hinders and entangles It poses provocative questions and issues a call to contribute to the great rewilding of the Church and to be rewilded ourselves The same human instincts that have disrupted our natural environment have also constrained and domesticated the Church and *Rewilding the Church* commends a rediscovery of the adventure of faith Steve Aisthorpe is one the freshest and most original voices in the church today The Question Jim Way,2009-05-01

Two thousand years ago Jesus challenged the religious system of his day It had become infiltrated with traditions and man made practices that had nothing to do with the word of God or the Lord s intervention for his people Many of the people with whom Jesus came in contact had doubts and were oppressed by this religious system Jesus challenged the people of his day by asking 233 questions more than any other leader in recorded history The uniqueness of this book is threefold First in two thousand years no other book has been written that summarizes these extraordinary questions Second the questions that Jesus asked pressed the very heart and root of the issues that were universally significant during that period Third these questions the answers to these questions and Jesus s authentic resolutions transcend time and space to the current condition of our culture today They cover every aspect of our lives whether we deal with the purpose of life our relationships to one another or how God wants to impact our conventional

society The Question builds a bridge between what Jesus said two thousand years ago and his empirical message to what we desperately need to hear today Jesus has a unique way of communicating inspiring us to reach down deep into our very being His questions are piercing and challenging and cause introspection that could only be inspired by the Almighty It is a unique and unusual process of communication created by the world's greatest leader **Keeping Your Church Alive** Wayne J. Vaughan, 2016-02-23 Across the country in many houses of worship there has been a decline in attendance

Translation Dan Collison, Shelly Barsuhn, 2010-08-01 Church in Translation shows today's leaders how to reframe and revitalize ten essential practices of our faith to speak more effectively to the people of our time in our current culture. The context of Christianity is ever changing but the durability and relevance of the message of Jesus has been proven over time. Imagine life and the very different practice of Christianity in the days of the Early Church, the Dark Ages, the Industrial Revolution, the Great Depression, and the Digital Age. The relevant, vibrant, and effective church of today will always ask: Where has God placed us? In what time and what cultural context? Cultural changes can seem to diminish the gospel's value as outdated styles and forms create barriers between contemporary people and a timeless God. Dan Collison provides insights into ministry that will help shrink the cultural walls that people must scale to experience Jesus. Jesus Church is a living entity that beautifully fits every context in every century. But it does take work. This fitting in is not pandering or caving in to culture; it is a recognition that we exist not in 1950, 1492, 1060, or 33 A.D. We exist now today at a time and place that God designed. The effective church in any age must be Biblically inspired, Prayer designed, Communally formed, Intellectually informed, Socially aware, Collaboratively led, Artistically Infused, Culturally Engaged, Missionally Minded, Grace filled. The question is: how will you translate these essentials into your ministry context?
