## Quests For Spices And New Worlds:

**Quests for Spices and New Worlds** Bertha Sanford Dodge, 1988 Centering her book around the quest for spices Bertha S Dodge narrates the history of European expansion Along with the desire for gold and for new markets spices motivated European rulers to send such men as Marco Polo Vasco Da Gama Amerigo Vespucci Christopher Columbus Magellan and Sir Francis Drake on voyages of discovery in search of the spice islands Dodge tells of the discovery of such territories as Canada America Brazil Cuba the Philippines Mexico China India and others as well as of the acquisition of such non European inventions as cotton paper the astrolabe and the geographies and maps of the Arabs Throughout her eminently readable book Bertha Dodge cites the importance of herbs and spices in motivating exploration and often using original sources such as journals and court records she tells the tales of piracy and adventure that make up the history of the Western world from the twelfth to the early seventeenth centuries This book makes the complicated story of European colonialism easily accessible to the general reader yet will be equally fascinating to more sophisticated historians Inside front flap **Spices** Fred

Czarra, 2009-05-01 The scent of oregano immediately conjures the comforts of Italian food curry is synonymous with Indian flavor and the fire of chili peppers ignites the cuisine of Latin America Spices are often the overlooked essentials that define our greatest eating experiences In this global history of spices Fred Czarra tracks the path of these fundamental ingredients from the trade routes of the ancient world to the McCormick s brand s contemporary domination of the global spice market Focusing on the five premier spices black pepper cinnamon nutmeg cloves and chili pepper while also relating the story of many others along the way Czarra describes how spices have been used in cooking throughout history and how their spread has influenced regional cuisines around the world Chili peppers for example migrated west from the Americas with European sailors and spread rapidly in the Philippines and then to India and the rest of Asia where the spice quickly became essential to local cuisines The chili pepper also traveled west from India to Hungary where it eventually became the national spice paprika Mixing a wide range of spice fact with fascinating spice fable such as giant birds building nests of cinnamon Czarra details how the spice trade opened up the first age of globalization prompting a cross cultural exchange of culinary technique and tradition This savory spice history will enliven any dinner table conversation and give that meal an unforgettable dash of something extra *Beyond Mars: The Quest for New Worlds Logistic and Development* Sherridean Abddeen, 2025-09-01
