

15 Basic Golf Rules for Beginners

WHO'LL TEE FIRST?

Is the tee pointing at you? If it's pointing towards you, then you are the first to tee off. Repeat the same process and solve who'll be the second tee and so on.

AVOID PLAYING THE WRONG BALL

You can face a two-stroke penalty in strokeplay as well as can have a loss of hole in singles if you play the wrong ball in the matchplay.

PLAY YOUR BALL AS IT LIES

Whenever the ball comes to rest, always play your ball as it lies. It is the only way you can do otherwise.

SEEKING ADVICE

If you're thinking you will have team who'll support you when you're down, then you're wrong my friend. Golf is probably the only game where you are completely left with no companion at all.

SCORE CORRECTLY

Make sure your card has been completed correctly at the end of strokeplay round. You'll achieve this by the comparing scores you've marked on your gaming partner's card which he or she has recorded.

Know Other's Range

There are other players as well who are busy just as you are. Keep your eyes on other player's area so that you don't accidentally put your step into their swing range. It can irritate other players and thus, you'll probably have a walk of shame.

Finishing Up the Putt

Unfortunately, if somehow you miss your putt and see that you're in between a foot or two, don't hesitate to ask your fellow golfers if you should proceed to finish it out.

Unlike any other game, Golf involves a lot of discipline, focus, dedication and one's adherence towards its rules.

ARRIVE ON THE COURSE BEFORE TIME

try to show up at least before 15 minutes of your tee time. It will increase your respect in other's perspective. You'll probably need 10 to 15 minutes just to check in so we would recommend you to show up in course 30 minutes earlier.

PLAY WITHIN THE PARAMETER OF THE TEE

Everyone, even the seasoned golfers have a hard time with the first tee shot of a round. So always try to tee up behind and between the front of the appropriate markers.

GREEN RULINGS

You may mark the ball with a coin, or disk, lift and clean it once it comes to rest on the putting surface. However, never fail to remember to replace in the exact spot.

UNPLAYABLE LIES

You'll be left nothing but only three options once your ball comes to rest in a position that you think to be unplayable. Keep in your mind that each option you choose incurs a one-stroke penalty.

DEFINITION OF BALL STRIKING

If you notice that you're in a difficult lie which has an awkward stance, you'll have to hit the ball with the head of the club.

YOUR SHADOW

When you're inside the putting green, you have to keep an eye on your shadow attentively. Shadow will give you a very hard time to read the break. Your shadow can distract other golfers whenever you're moving.

BE PREPARED TO PUTT ON TIME

Don't just be a statue who does nothing till it's your turn to start your own routine. Try to give your putt and green a quick read while you wait for your turn to come. Make your practice swings and check the line and be ready.

NEXT TEE BOX

Pay attention to your next tee box no matter you're already on the green or you're just about to hit the final chip shot. When you're ready to putt, you need to leave your bag on the line in between the pin and the next tee box.
