**My Struggle for Peace, Volume 3 (1956)** Moshe Sharett, 2019-03-19 The third volume of the former Israeli prime minister's journals from the nation's early years My Struggle for Peace is a remarkable political document offering insights into the complex workings of the young Israeli political system set against the backdrop of the disintegration of the country's fragile armistice with the Arab states

Replete with Moshe Sharett's candid comments on Israel's first generation leaders and world statesmen of the day the diary also tells the dramatic human story of a political career cut short the removal of an unusually sensitive dedicated and talented public servant My Struggle for Peace is above all an intimate record of the decline of Sharett's moderate approach and the rise of more activist militant trends in Israeli society culminating in the Suez Sinai war of 1956 The diary challenges the popular narrative that Israel's confrontation with its neighbors was unavoidable by offering daily evidence of Sharett's statesmanship moderation diplomacy and concern for Israel's place in international affairs This is the third volume in the 3 volume English abridgement of Sharett's Yoman Ishi Personal diary Ma ariv 1978 maintains the integrity flavor and impact of the 8 volume Hebrew original and includes additional documentary material that was not accessible at the time The volumes are also available to purchase as a set or individually The editors vastly improved on the Hebrew version by adding Sharett's speeches reports cabinet minutes and other sources to the text These additions makes this work so important and welcome by all who aspire to understand the foreign and defense policies of Israel in its first decade Israel Studies Review

*Jesus Is Not the Son of Yahweh (Jehovah)* Yong Whe Koo, 2009-06-26 If you have some penetration to see Jesus teaching in four Gospels you know that Jesus doesn't call Jehovah as God or Father God or Father seen with the word of truth are not different expression with a morality a true self a void the sky nothing said in the Oriental Philosophy Over 2000 years the Christian has been called or believed as pray as name of Jesus Amen but captured in the religion fence turn away their faces from the word of truth the true Jesus teaching and volunteering a slave action cheated by the false of Jehovah with begging and imploring as if the key of relief for Jesus death of cross and the revival miracle they don't live the true love or the life mercy in not escaping from all the bidding or scare Now we have to live in the true freedom and happiness going beyond living and death getting a perceive treasure likely to Jesus escaping from mind illusion with the treasure map of the word given to us by Jesus the way the truth and the life as the light drives out the darkness Being spiritually awakened that is you see the God meet and this is the relief to enter into the God's heaven with the forever life Reviews Jesus is not Jehovah's son is very awful and shocking idea What they just believe the different of Jehovah and Paul is like to get a graph from a horn bush Luther couldn't change the religion but this book called the big revolution over the religion Man Sung Park Carpenter Jesus is not the Son of Yahweh Jehovah is the one of the greatest book that defines the truth that Jesus want to teach easily and clearly As the writer say if we would know the truth that teaches by Jesus the Christianity and Buddhism would meet each other and the human would finds the true freedom and happiness which is high dimension over the religion Seung Taek Lee Prof of University of Foreign Studies This book is to understand easily for Christianity problem that views the reader's mind deeply This book is not picked up various stories but is expressed what the writer who realized the truth felt and saw through in deep mind The Gospel in Brief written by Leo Tolstoy is even for the starting to question for Christianity but this book is important to complete Jesus teaching Jung Bu Jo Student of Theological School Read this book what oppose other's religions

and we call heresy or Satan in some religions is because they all don't know the truth. I respect more Jesus, a foresighted leader who realized after reading this book. I hope it's not only all the people find the order and the peace met each other but also all the religion by this book. Ye Jin Lee, Teacher of Middle School. Why don't Theologians and Ministers know this contents yet? They can't find the truth to know easily like this for 2000 years long. The refinding the truth in Jesus teaching is the most popular important event in the world and it will be a bright light for all human. Woo Nyun Lee, Farmer. I went church for 50 years long but in my mind I always got a question and a doubt. However this book clears all the question and doubt. I've never heard the book detailed and lectures quoted like this Bible for Jesus Teachings. I knew now that praying in the Church, the Apostles Creed or the doctrine of Christ are not fixed anything else. Jun Su Kim, Rep Publishing Firm. Jesus said if the person who would eat my flesh and blood they will live forever. It does not mean that if they believe the blood split from Jesus and the revival of Jesus they got a forgiveness and a relief and go to the heaven. This book defines that if they follow Jesus teaching and get the new life beyond the life and death. Chang Suk Kim, Homemaker. It's the first time to see the uninteresting and difficult book. It's uneasy to understand and a lot to accept in my mind. But it's a book of low balance to blame whom or to support. I am going to compare the contents of this book and t *The Great War for Peace* William Mulligan, 2014-05-27. The war to end all wars rings out a bitter mockery of the First World War often viewed as the seminal catastrophe of the twentieth century, the crucible from which Soviet Fascist and Nazi dictatorships emerged. Today's conventional wisdom is that the Great War attuned the world to large scale slaughter that post war efforts directed by the Treaty at Versailles were botched that unbridled new nationalisms made the Second World War inevitable. This provocative book refutes such interpretations arguing instead that the first two decades of the twentieth century and the First World War in particular played an essential part in the construction of a peaceful new order on a global scale. Historian William Mulligan takes an entirely fresh look at the aspirations of statesmen, soldiers, intellectuals and civilians who participated in the war and at the new ideas about peace that were forged. While the hope for ultimate peace may have legitimized and even intensified the violence of the war, it also broadened conventional ideas about international politics and led to the emergence of such institutions as the League of Nations and the International Labour Organization. The experience of the First World War reinforced humanitarian concerns in political life and focused attention on building a better and more peaceful world order. Mulligan shows. Such issues resonate still in the political and diplomatic debates of today. Enjoying True Peace Stephanie Perry Moore, 2009-12-17. After what seems like so many years of struggling due to the death of their big brother and their missing in action father, the triplets Yasmin, York and Yancy finally see the light at the end of the tunnel. Mom has a great job, everyone's grades are up, they're all making new friends and have even gotten involved in afterschool activities. Now their father is back in the picture and it's smooth sailing from there, right? Wrong. Yasmin's father wants to prove that he can bring everyone back together so he decides to move the family. As a result, the whole house is in an uproar. Though she's grown in

her faith and learned quite a bit about hope joy and love Yasmin is challenged to continue depending on God to help her remain calm through it all and find peace in the midst of this new storm Remembering that He s still there to comfort her Yasmin sets her heart on trusting God and enjoying true peace

**The Art of Peace** Juliana Geran Pilon,2017-07-05 Sun Tzu author of *The Art of War* believed that the acme of leadership consists in figuring out how to subdue the enemy with the least amount of fighting a fact that America s Founders also understood and practiced with astonishing success For it to work however a people must possess both the ability and the willingness to use all available instruments of power in peace as much as in war US foreign policy has increasingly neglected the instruments of civilian power and become overly dependent on lethal solutions to conflict The steep rise in unconventional conflict has increased the need for diplomatic and other non hard power tools of statecraft The United States can no longer afford to sit on the proverbial three legged national security stool military diplomacy development where one leg is a lot longer than either of the other two almost forgetting altogether the fourth leg information especially strategic communication and public diplomacy The United States isn t so much becoming militarized as DE civilianized According to Sun Tzu self knowledge is as important as knowledge of one s enemy if you know neither yourself nor the enemy you will succumb in every battle Alarminglly the United States is deficient on both counts And though we can stand to lose a few battles the stakes of losing the war itself in this age of nuclear proliferation are too high to contemplate
