THE NEW TESTAMENT DOCUMENTS Edward D. Andrews,2020-06-17 What are the churchgoers the Bible college students and seminary students to do when one Bible scholar says one thing and another Bible scholar says something quite different or worse still several Bible scholars are giving you several different opinions on one particular Bible issue What makes it even more unsettling is when the Christian is not well informed in that area of study only having basic knowledge How can the Christian possibly know which of the Bible scholars are correct Worse still the Christian is put in the embarrassing position on social media of telling an atheist or Bible critic one of the scholar s views and then the atheist or Bible critic responds to the Christian with no your evidence is outdated as recent research points to _____ and then they offer another answer that put the Bible in a bad light What is the Christian to do What will be accomplished here in this publication is we are going to give the reader much evidence when it comes to the documents of the New Testament how that evidence impacts our Bible translations and an in depth look at Bible difficulties as well This can be used to build your faith to save someone who may have begun to doubt the trustworthiness of the Bible and many reading responses that can be used on social media and other forms of your ministry Andrews is an author of more than 140 books many of which are a defense of God s Word

BIBLE DIFFICULTIES Edward D. Andrews,2020-02-08 THE BIBLE ERRORS MISTAKES INCONSISTENCIES CONTRADICTIONS Critics claim that the Bible is filled with so called errors mistakes inconsistencies and contradictions Some even speak of thousands of errors The truth is there is not even one demonstrated error in the original text of the Bible Of course we would never say that there are no difficulties in our Bibles The Bible is loaded with thousands of difficult challenging passages many of which become obstacles in the development of our faith These difficulties arise from differences in culture language religious and political organizations not to mention between 2 000 to 3 500 years of separation between the Bible author and the modern day reader Calling attention to these difficulties and sifting out the misconceptions Andrews defends the full or absolute inerrancy of Scripture He clarifies the so called errors or mistakes and what might seem like apparent contradictions He arms the Christian with what they need to defend their faith in the Bible Honestly whenever Christians find difficulty in the Bible acknowledge it Do not try to obscure it Do not try to dodge it The best way to deal with Bible critics and the Bible Difficulties is to understand all the ways that Bible Difficulties can come about And then have dozens of Bible difficulties answered as examples Herein is the defense of God s Word that Christians have been waiting for
