UMBRAL - (Shadow Realm) Ramon Andrade,2025-05-15 Death has always been a mystery to humanity What happens after we leave our physical body Where do we go Spiritism through the works of Allan Kardec and the mediums who followed his teachings reveals that the transition to the spiritual world is not a single uniform event for everyone Each spirit encounters the reality it built in life reaping the fruits of its actions thoughts and intentions For many this transition happens in a serene and enlightened manner but for others the awakening is a shock And it is at this point that we find the Umbral Described in various Spiritist works the Umbral is an intermediate region between earthly life and the higher planes It is not a place of divine punishment but a reflection of the inner state of the spirit that resides there Fear attachment remorse and pride are some of the forces that keep the disembodied souls trapped in this foggy and often distressing environment The Testimonies Some of the accounts explored below bring valuable lessons inviting reflection on our own choices and attitudes while we are incarnated The Umbral is not a punishment but a mirror of the soul an opportunity for growth and transformation May these accounts serve as both a warning and a source of inspiration for us to seek a more conscious life filled with love charity and detachment from earthly illusions
