Reason And Eros The Social Theory Of Herbert Marcuse:

Reason and Eros Vincent Geoghegan, 1981 Marxism's Ethical Thinkers L. Wilde, 2016-01-20 In Marxism's uneasy relationship with ethics a small number of prominent theorists considered it imperative to highlight the moral principles implicit in Marx's social theory and to develop these ethics in the light of changing conditions They developed a humanistic Marxism in stark contrast to the crude end justifies the means approach of Stalinism This collection brings together analyses by leading scholars on those thinkers who made significant contributions to ethical thinking within the Marxist tradition Kautsky Bloch Fromm Marcuse Lefebvre Macpherson and Heller **Of Critical Theory and Its Theorists** Stephen Eric Bronner, 2013-10-11 Of Critical Theory and its Theorists is an intelligent accessible overview of the entire Critical Theory Tradition written by one of the leading experts on the subject Filled with original insights and valuable historical narratives Of Critical Theory and Its Theorists covers the work of major philosophical thinkers such as Benjamin Horkheimer Adorno Marcuse and Habermas and revisits the contributions of lesser known figures such as Karl Korsch and Ernst Bloch Bronner measures the writing of these theorists against each other postmodernist philosophers and the critical tradition reaching back to Hegel Of Critical Theory and Its Theorists presents new insights useful to experienced scholars and offers clear summaries for students making this book an ideal introduction to the debates surrounding one of the most important intellectual traditions of the 20th Century **A Dictionary of Cultural and Critical Theory** Michael Payne, Jessica Rae Barbera, 2013-05-06 Now thoroughly updated and revised this new edition of the highly acclaimed dictionary provides an authoritative and accessible guide to modern ideas in the broad interdisciplinary fields of cultural and critical theory Updated to feature over 40 new entries including pieces on Alain Badiou Ecocriticism Comparative Racialization Ordinary Language Philosophy and Criticism and Graphic Narrative Includes reflective broad ranging articles from leading theorists including Julia Kristeva Stanley Cavell and Simon Critchley Features a fully updated bibliography Wide ranging content makes this an invaluable dictionary for students of a diverse range of disciplines *The Concept of Utopia* Ruth Levitas, 1990 Probes the contested concept of utopia examining the different ways in which it has been used by commentators and theorists in both liberal and Marxist traditions The works of Karl Mannheim Georges Sorel Ernst Bloch William Morris and Herbert Marcuse are studied Annotation copyrighted by Book News Inc Portland OR *Revisiting the Frankfurt School* David Berry, 2016-04-08 What has become known as the Frankfurt School is often reduced to a small number of theorists in media communication and cultural studies Challenging this limitation Revisiting The Frankfurt School introduces a wider theoretical perspective by introducing critical assessments on a number of writers associated with the school that have been mostly marginalized from debate This book therefore expands our understanding by addressing the writings of intellectuals who were either members of the school or were closely associated with it but often neglected It thus brings together the latest research of an international team of experts to examine the work of figures such as the social psychologist Erich

From the philosophy of Siegfried Kracauer the writer on media and communication Leo Lowenthal introducing Hans Magnus Enzenberger to the debate whilst also shedding new light on the work of Max Horkheimer Theodor Adorno Herbert Marcuse Walter Benjamin and Jürgen Habermas A critical reassessment of the contributions of the Frankfurt School and its associates to cultural media and communication studies as well as to our modern understanding of new media technology and debate within the public sphere this book will appeal to those with interests in sociology philosophy social psychology social theory media and communication and cultural studies

Anthropology and the Human Subject Brian

Morris, 2014-04-07 The German philosopher Immanuel Kant famously defined anthropology as the study of what it means to be a human being Following in his footsteps Anthropology and the Human Subject provides a critical comprehensive and wide ranging investigation of conceptions of the human subject within the Western intellectual tradition focusing specifically on the secular trends of the twentieth century Encyclopaedic in scope lucidly and engagingly written the book covers the man and varied currents of thought within this tradition Each chapter deals with a specific intellectual paradigm ranging from Marx's historical materialism and Darwin's evolutionary naturalism and their various off shoots through to those currents of thought that were prominent in the late twentieth century such as for example existentialism hermeneutics phenomenology and poststructuralism With respect to each current of thought a focus is placed on their main exemplars outlining their biographical context their mode of social analysis and the ontology of the subject that emerges from their key texts The book will appeal not only to anthropologists but to students and scholars within the human sciences and philosophy as well as to any person interested in the question What does it mean to be human Ambitious in scope and encyclopaedic in execution his style is always lucid He makes difficult work accessible His prose conveys the unmistakable impression of a superb and meticulous lecturer at work Anthony P Cohen Journal Royal Anthropological Institute There is a very little I can add to the outstanding criticism Brian Morris levels at deep ecology Insightful as well as incisive I have found his writings an
