Rebel Wildfire:

Rebel Leaders River Stone, AI, 2025-03-21 Rebel Leaders examines the lives and legacies of those who challenged established power exploring the motivations and strategies behind historical rebellions By analyzing figures from diverse backgrounds the book provides insights into the dynamics of power resistance and social change It highlights the ethical dilemmas inherent in revolutionary movements and the long term consequences of challenging authority One intriguing fact is that while rebel leaders often possess charisma and strategic thinking their success hinges on adaptability and broad based support The book takes a comparative approach drawing parallels and contrasts between leaders from different eras and cultures Beginning with a framework for understanding rebellion and key themes like propaganda and violence it progresses through case studies analyzing leadership styles and the conditions enabling their rise It then culminates with an assessment of their contributions to political thought and social reform This book is valuable for students of history political science and general readers interested in understanding power dynamics

Diehard Rebels Jason Phillips, 2007 Concentrates on diehard rebel soldiers faith in Confederate invincibility and reveals the history of southern culture as a continuum rather than a succession of old South Confederacy new South

Rebel Guerrillas Paul Williams, 2018-11-13 From the hills and valleys of the eastern Confederate states to the sun drenched plains of Missouri and Bleeding Kansas a vicious clandestine war was fought behind the big battle clashes of the American Civil War In the east John Singleton Mosby became renowned for the daring hit and run tactics of his rebel horsemen Here a relatively civilized war was fought women and children usually left with a roof over their heads But along the Kansas Missouri border it was a far more brutal clash no quarter given William Clarke Quantrill and William Bloody Bill Anderson became notorious for their savagery

Rebel's Karma Rebecca Zanetti, 2021-06-08 There s no denying destiny For too long Benjamin Reese has masked his deadly skills and temper with loyalty and humor A vampire demon hybrid he fiercely protects his family guards his brothers and destroys the enemy without mercy But when he discovers one fragile beautiful blonde a woman once mated to a Kurjan no less every primal instinct he has buried for centuries roars to life With the mating mark she roused on his hand entwining their fates no one will prevent him from keeping her safe and making her his forever Or desire Karma wishes she could remember her last name Or if she even had one All she has in this confusing new world is a desperate duty to save the innocent That means destroying the dark dangerous and desirable Benjamin Reese and everything he loves an impossible task even before his touch arouses a passionate hunger she can t afford She s certain a deadly enemy watches her every move but it s not until Benny kisses her that she tastes true danger Spicy romantic interplay highly recommended Library Journal on Vampire s Faith Sizzling sex scenes and a memorable cast Publishers Weekly on Claimed A fast paced excitement filled explosion of action Zanetti keeps getting better RT Book Reviews on Marked 4 5 Stars Top Pick

against a web of treachery loss and revenge A fey young woman in Callaghan is the sole survivor of an attack by English marauders When Irish soldier Niall O Coneill discovers his own kin slaughtered in the same massacre he vows to hunt down the men responsible He takes in under his protection and together they reach the safety of an encampment held by the Irish forces in Tipperary Hardly a safe haven the camp is rife with danger and intrigue in is a stranger with the old stories stirring on her tongue and rumours follow her everywhere The English cut off support to the brigade and a traitor undermines the Irish cause turning Niall from hunter to hunted When someone from in's past arrives her secrets boil to the surface and she must slay her demons once and for all As the web of violence and treachery grows in and Niall find solace in each other's arms but can their love survive long buried secrets and the darkness of vengeance Rebel's Knot is the third instalment of the standalone series Quest for the Three Kingdoms is a B R A G Medallion Honoree and 2021 Discovering Diamonds Book of the Year This stunningly imagined historical romance is set against the backdrop of a vividly drawn setting a turbulent period in Irish history and the author writes about this period with fascinating details The writing is infused with realism and humanity and the characters are fully drawn and multi dimensional The Book Commentary *Journey to Armageddon* Kevin A. Campbell, 2019-06-05 Once again the soldiers officers and commanders tell the story in this third volume of Kevin Campbell's comprehensive work on the Gettysburg Campaign *Journey to Armageddon* The hardships comradeship short rations and the dance with the enemy's bullets and shells are all here Blistering sun drenching rains chocking dust sticky mud played out horses and men and the high level often inharmoniousness communications between army commanders and their governments are presented in these pages Fortunately not all is despair and doom Included are the sometimes humorous interactions with the civilians met along their journey and the acrimony that frequently filled encounters between hungry soldiers and the administrators of the villages and towns they passed through The tales told by these hardy men about the events of their existence are significant elements within the story of the Gettysburg Campaign which author Kevin Campbell tells in a clear and concise prose Most historians who write of the great crusade gloss over these events in favor of the more prominent proceedings in and around Gettysburg These often ignored events and much more are incorporated into his complete treatment of the Union and Confederate armies on their journey to Armageddon

Rebels in Arms Justin Iverson, 2022-11 Enslaved Black people took up arms and fought in nearly every colonial conflict in early British North America They sometimes served as loyal soldiers to protect and promote their owners interests in the hope that they might be freed or be rewarded for their service But for many Black combatants war and armed conflict offered an opportunity to attack the chattel slave system itself and promote Black emancipation and freedom In six cases starting in 1676 with Nathaniel Bacon's Rebellion in Virginia and ending in 1865 with the First South Carolina Volunteer Infantry Regiment near Charleston *Rebels in Arms* tells the long story of how enslaved soldiers and Maroons learned how to use military service and armed conflict to fight for their own interests Justin Iverson details a different conflict in each chapter

illuminating the participation of Black soldiers Using a comparative Atlantic analysis that uncovers new perspectives on major military conflicts in British North American history he reveals how enslaved people used these conflicts to lay the groundwork for abolition in 1865 Over the nearly two hundred year history of these struggles enslaved resistance in the British Atlantic world became increasingly militarized and enslaved soldiers Maroons and plantation rebels together increasingly relied on military institutions and operations to achieve their goals *Mercenary* Duncan Falconer,2010-05-13 Stratton carries out a small task in Central America as a favour to a CIA officer but it leads him to become embroiled in a national rebellion Against his own principles the special operative becomes emotionally involved and decides to join the popular uprising However he is unaware that the fight is not just against the local government the CIA are very much involved As events spiral disastrously out of control Stratton must face up to his biggest and most treacherous challenge yet

Russian Rebellions Sabine Lorca,AI,2025-03-21 *Russian Rebellions* explores the persistent theme of violent uprisings throughout Russia s history from peasant revolts to military mutinies It examines how these rebellions reshaped Russian history influencing national policies and leadership The book highlights the socio economic conditions such as serfdom and social inequality fueling popular discontent and the critical role of military insubordination in destabilizing autocratic rule For instance the Time of Troubles exemplified a period of profound instability that spurred significant social and political changes The book progresses chronologically analyzing specific rebellions like the Stenka Razin revolt and the Decembrist revolt detailing their causes key figures and outcomes By investigating both large scale peasant wars and military mutinies it reveals the complex interplay between popular grievances leadership failures and the state s repressive capabilities Ultimately *Russian Rebellions* synthesizes these case studies to identify recurring patterns providing a comprehensive understanding of how rebellions have shaped Russian identity and political culture
