

# Recasting Conservatism Oakeshott Strauss And The Response To Postmodernism

Kenneth L. Deutsch, John A. Murley

#### **Recasting Conservatism Oakeshott Strauss And The Response To Postmodernism:**

Recasting Conservatism Robert Devigne, 1996-08-28 Explores how conservative thought in the work of Oakeshott and Strauss and their followers responds to the postmodern loss of tradition morality and authority in contemporary British and American society The work also compares each theory to previous political outlooks in both countries and the Conversation of Modern Political Thought Luke Philip Plotica, 2015-02-23 One of the seminal voices of twentieth century political thought Michael Oakeshott's work has often fallen prey to the ideological labels applied to it by his interpreters and commentators In this book Luke Philip Plotica argues that we stand to learn more by embracing Oakeshott's own understanding of his work as contributions to an ever evolving conversation of humanity Building from Oakeshott s concept of conversation as an engagement among a plurality of voices without symposiarch or arbiter to dictate its course Plotica explores several fundamental and recurring themes of Oakeshott's philosophical and political writings individual agency tradition the state and democracy When viewed as interventions into an ongoing conversation of modern political thought Oakeshott's work transcends the limits of familiar ideological labels and his thought opens into deeper engagement with some of the most significant thinkers of the twentieth century including Ludwig Wittgenstein Charles Taylor Michel Foucault and Hannah Arendt Attending to these often unexpected or unrecognized affinities casts fresh light on some of Oakeshott's most familiar ideas and their systematic relations and facilitates a better understanding of the breadth and depth of his political thought Leo Strauss, The Straussians, and the Study of the American Regime Kenneth L. Deutsch, John A. Murley, 1999-09-28 Responding to volatile criticisms frequently leveled at Leo Strauss and those he influenced the prominent contributors to this volume demonstrate the profound influence that Strauss and his students have exerted on American liberal democracy and contemporary political thought By stressing the enduring vitality of classic books and by articulating the theoretical and practical flaws of relativism and historicism the contributors argue that Strauss and the Straussians have identified fundamental crises of modernity and liberal democracy This book emphasizes the broad range of Strauss's influence from literary criticism to constitutional thought and it denies the existence of a monolithic Straussian political orthodoxy Both critics and supporters of Strauss thought are included All political theorists interested in Strauss s extraordinary impact on political thought will want to read this book Roads to Dominion Sara Diamond, 1995-09-08 Diamond looks at conservative politics in the United States from World War II to the post Reagan years The Great **Persuasion** Angus Burgin, 2012-10-30 Just as economists struggle today to justify the free market after the global economic crisis an earlier generation revisited their worldview after the Great Depression In this intellectual history of that project Burgin traces the evolution of postwar economic thought in order to reconsider the most basic assumptions of a market centered world Political Thinking, Political Theory, and Civil Society Steven M DeLue, Timothy Dale, 2015-09-04 A comprehensive overview of the Western tradition of political thought that approaches concepts with the aim of helping

readers develop their own political thinking and critical thinking skills This text is uniquely organized around the theme of civil society what is the nature of a civil society why is it important that will engage students and help make the material relevant Major thinkers discussed in the text are explored not only with the goal of understanding their views but also with an interest in understanding the relationship of their ideas to the notion of a civil society DeLue contends that a civil society is important for securing the way of life that most of us value and want to preserve a way of life that allows people to live freely and place significance on their own lives In Defence of Modernity Efraim Podoksik, 2013-05-14 Although Oakeshott s philosophy has received considerable attention the vision which underlies it has been almost completely ignored This vision which is rooted in the intellectual debates of his epoch cements his ideas into a coherent whole and provides a compelling defence of modernity The main feature of Oakeshott's vision of modernity is seen here as radical plurality resulting from fragmentation of experience and society On the level of experience modernity denies the existence of the hierarchical medieval scheme and argues that there exist independent ways of understanding our world such as science and history which cannot be reduced to each other On the level of society modernity finds expression in liberal doctrine according to which society is an aggregate of individuals each pursuing his or her own choices For Oakeshott to be modern means not only to recognise this condition of radical plurality but also to learn to appreciate and enjoy it Oakeshott did not think that it was possible to find a comprehensive philosophical justification for modernity therefore the only way to preserve modern civilisation seemed to be an appeal to sentiment As a consequence he was a passionate defender of liberal education as the best way to underwrite the conversation of mankind Democratic Vanguardism Michael Harland, 2013-10-24 The terrorist attacks of September 11 2001 transformed the way in which Americans and their leaders viewed the world The tragic events of that day helped give rise to a foreign policy strategy commonly referred to as the Bush Doctrine At the heart of this doctrine lie a series of claims about the need to encourage liberal democracy as the antidote to jihadist terrorism President George W Bush proclaimed in a variety of addresses that democracy now represented the single surviving model of political life to which all people aspired In the course of making this argument President Bush linked his policies to an overarching teleology of progress This discourse suggested that the United States might use force to hasten the emergence of liberal norms and institutions in rogue states With a sense of irony some commentators soon referred to the Bush administration s position as Leninist because of its determination to bring about the so called end of history today Yet surprisingly these critics had little more to add This book assesses in greater depth the Bush administration s claim to comprehend the purpose of historical progress Developing a concept termed democratic vanguardism this study investigates the idea of liberal modernity the role of the United States as a force for democracy and the implications of using military intervention in the service of idealistic ends It examines disputes among political theorists public intellectuals and elected statesmen that help to enrich our understanding of the United States efforts under President Bush to bend history to its will Reflections on

**Conservatism** Doğancan Özsel, 2011-09-22 In comparison to other political doctrines conservatism is an understudied subject and there are few books that bring together works of scholars studying conservatism from different perspectives Reflections on Conservatism is among these few pieces and is written for those who are interested in conservative thinking and conservative movements in different countries In Reflections on Conservatism readers will find 13 articles covering a wide range of aspects on conservatism Six of these articles offer analyses of certain theoretical aspects of conservatism and focus on issues such as the definition of conservatism the theme of inequality in conservative thinking and the applicability of conservative principals to postcolonial politics Following these there are seven articles that focus on conservative movements or thinkers from different countries Here readers will find detailed discussions on the contemporary state of British and US conservatisms as well as Sarkozy s UMP There are also other articles that present the portrayal of post war cultural conservatism in Denmark Antall's conservatism in Hungary and radical conservative trends in Turkey **History** Luke O'Sullivan, 2015-10-15 This book challenges the common view that Michael Oakeshott was mainly important as a political philosopher by offering the first comprehensive study of his ideas on history It argues that Oakeshott's writings on the philosophy of history mark him out as the most successful of the philosophers who attempted to establish historical study as an autonomous form of thought during the twentieth century It also contends that his work on the history of political thought is best seen in the context of debates over the origins of the liberal state For the first time extensive use has been made of unpublished material in the collection of Oakeshott's papers at the LSE resulting in an intellectual biography that should be of interest both to first time students and those already familiar with his published works **Morality Imposed** Stephen E. Gottlieb, 2000-09-01 We like to think of judges and justices as making decisions based on the facts and the law But to what extent do jurists decide cases in accordance with their own preexisting philosophy of law and what specific ideological assumptions account for their decisions Stephen E Gottlieb adopts a unique perspective on the decision making of Supreme Court justices blending and re characterizing traditional accounts of political philosophy in a way that plausibly explains many of the justices voting patterns A seminal study of the Rehnquist Court Morality Imposed illustrates how in contrast to previous courts which took their mandate to be a move toward a freer and or happier society the current court evidences little concern for this goal focusing instead on thinly veiled moral judgments Delineating a fault line between liberal and conservative justices on the Rehnquist Court Gottlieb suggests that conservative justices have rejected the basic principles that informed post New Deal individual rights jurisprudence and have substituted their own conceptions of moral character for these fundamental principles Morality Imposed adds substantially to our understanding of the Supreme Court its most recent cases and the evolution of judicial philosophy in the U S The Cambridge History of Modern European Thought: Volume 2, The Twentieth Century Peter E. Gordon, Warren Breckman, 2019-08-29 The Cambridge History of Modern European Thought is an authoritative and comprehensive exploration of the themes thinkers and movements that shaped our

intellectual world in the late eighteenth and nineteenth century Representing both individual figures and the contexts within which they developed their ideas each essay is written in a clear accessible style by leading scholars in the field and offers both originality and interpretive insight This second volume surveys twentieth century European intellectual history conceived as a crisis in modernity Comprised of twenty one chapters it focuses on figures such as Freud Heidegger Adorno and Arendt surveys major schools of thought including Phenomenology Existentialism and Conservatism and discusses critical movements such as Postcolonialism Structuralism and Post structuralism Renouncing a single master narrative of European thought across the period Peter E Gordon and Warren Breckman establish a formidable new multi faceted vision of European intellectual history for the global modern age

The Cambridge History of Modern European Thought:

Volume 2, The Twentieth Century Warren Breckman, Peter E. Gordon, 2019-08-29 An authoritative and comprehensive survey of the major themes thinkers and movements in modern European intellectual history

The Dream of a

Democratic Culture T. Lacy, 2013-11-26 This book presents a moderately revisionist history of the great books idea anchored in the following movements and struggles fighting anti intellectualism advocating for the liberal arts distributing cultural capital and promoting a public philosophy anchored in mid century liberalism that fostered a shared civic culture

**Mindful Conservatism** C. A. Bowers, 2003 Mindful Conservatism examines how the misuse of our political vocabulary contributes to governmental corporate and educational policies that degrade the Earth's natural systems and suggests ways to overcome this linguistic confusion to help recognize the fundamental connections between communities sustainability and the conservation of the world's diverse cultures Visit our website for sample chapters Reading between the lines - Leo Strauss and the history of early modern philosophy Winfried Schröder, 2015-11-13 Since its publication in 1952 Leo Strauss s Persecution and the Art of Writing has stirred considerable controversy particularly among historians concerned with early modern philosophy On the one hand several scholars share his view that it would be inadequate to generally take at face value the explicit message of texts which were composed in an era in which severe sanctions were imposed on those who entertained deviating views Reading between the lines therefore seems to be the appropriate hermeneutical approach On the other hand the risks of such an interpretative maxim are more than obvious as it might come up to an unlimited license to ascribe heterodox doctrines to early modern philosophers whose manifest teachings were in harmony with the orthodox positions of their time The conributions to this volume both address these methodological issues and discuss paradigmatic cases of authors who might indeed be candidates for a Straussian reading between the lines Hobbes Spinoza and Bayle Α Pact with the Devil Tony Smith, 2012-09-10 Despite the overwhelming opposition on the left to the war in Iraq many prominent liberals supported the war on humanitarian grounds They argued that the war would rid the world of a brutal dictator and liberate the Iraqi people from totalitarian oppression paving the way for a democratic transformation of the country In A Pact with the Devil Tony Smith deftly traces this undeniable drift in mainstream liberal thinking toward a more

militant posture in world affairs with respect to human rights and democracy promotion Beginning with the Wilsonian quest to make the world safe for democracy right up to the present day liberal support for regime change Smith isolates leading strands of liberal internationalist thinking in order to see how the liberal hawks constructed them into a case for American and liberal imperialism in the Middle East The result is a reflection on an important aspect of the intellectual history of American foreign policy establishing how a sophisticated group of thinkers came to fashion their recommendations to Washington and working to see what role liberalism may still play in deliberations in the country on its role in world events now that the failure of these ambitions in Irag seems clear International Relations, Political Theory, and the Problem of Order Nicholas J. Rengger, 2000 This book seeks to offer a general interpretation and critique of both methodlogical and substantive aspects of International theory On the Right Lines Perri 6,1998 A Conservative Consensus? Peter King, 2015-12-17 New Labour would like to portray 1997 as a new beginning for public policy but Peter King argues that we now have in housing and in other areas of public policy a consensus based on Thatcherite reforms He explores the particularly conservative understanding of housing that transformed public attitudes in the 1980s and 1990s and the impact it still has on policy This book is written with non housing specialists in mind and will be of interest to students of housing urban studies public policy and politics at both undergraduate and higher levels

Recasting Conservatism Oakeshott Strauss And The Response To Postmodernism: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read: Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best: Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic: Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a guiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

#### Recasting Conservatism Oakeshott Strauss And The Response To Postmodernism Introduction

In todays digital age, the availability of Recasting Conservatism Oakeshott Strauss And The Response To Postmodernism

books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Recasting Conservatism Oakeshott Strauss And The Response To Postmodernism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Recasting Conservatism Oakeshott Strauss And The Response To Postmodernism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Recasting Conservatism Oakeshott Strauss And The Response To Postmodernism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Recasting Conservatism Oakeshott Strauss And The Response To Postmodernism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Recasting Conservatism Oakeshott Strauss And The Response To Postmodernism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Recasting Conservatism Oakeshott Strauss And The Response To Postmodernism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and

historical documents. In conclusion, Recasting Conservatism Oakeshott Strauss And The Response To Postmodernism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Recasting Conservatism Oakeshott Strauss And The Response To Postmodernism books and manuals for download and embark on your journey of knowledge?

#### FAQs About Recasting Conservatism Oakeshott Strauss And The Response To Postmodernism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Recasting Conservatism Oakeshott Strauss And The Response To Postmodernism is one of the best book in our library for free trial. We provide copy of Recasting Conservatism Oakeshott Strauss And The Response To Postmodernism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Recasting Conservatism Oakeshott Strauss And The Response To Postmodernism online for free? Are you looking for Recasting Conservatism Oakeshott Strauss And The Response To Postmodernism PDF? This is definitely going to save you time and cash in something you should think about.
