Recipe For Bees A Novel:

A Recipe for Bees Gail Anderson-Dargatz, 2010-03-03 Gail Anderson Dargatz's evocative novel of one woman's simple but passionately lived life reminds of us of the pleasure to be found in human contact and simple natural things. Raised by her silent but companionable father and a mother who kept bees headstrong Augusta marries shy deferential Karl twelve years her senior and goes to live with him on his father's remote farm. Terrified that she will literally die from loneliness and isolation she finds work in town and for a short time fulfillment with another man in a romance that will reverberate throughout her life. Not until many years later does she find her salvation in beekeeping the practice she first learned from her mother. It is beekeeping that reconnects her to the world and at long last brings fire to her steadfast marriage. **A**

Agricultural Research, 2003 **Before I Wake** Robert J. Wiersema, 2009-03-18 They say there are three sides to every story Yours mine and the truth In *Before I Wake* debut novelist Robert J. Wiersema cleverly introduces a multitude of voices to tell this astonishing story of loss redemption and forgiveness And the truth Well when miracles start happening around Sherry Barrett a three year old girl in a coma explanations of a rational kind no longer seem important Injured by a hit and run driver while crossing the street Sherry Barrett lies in a hospital where her doctors say she will never wake up Her distraught parents Karen and Simon make the painful decision to take her off life support But when they do Sherry spontaneously begins breathing on her own the first of many miraculous events to occur Henry Denton the driver who struck Sherry is haunted by the accident and attempts to take his own life only to be saved by an unexplained force Sherry's nurse discovers that the little girl has the power to heal When word of her gift leaks the sick begin lining up to be saved and a mysterious stranger sets his sights on vanquishing the believers and the Barretts *Before I Wake* delicately brings together grandiose leaps of faith with the fragility of every day moments There's a fly on the wall quality in Wiersema's observations as his realistically flawed characters struggle with guilt self loathing and belief while they go about their daily lives The novel's fractured narrative style is propulsive and unexpected at every turn and succeeds in raising questions about times of great

faith and what happens when they happen to the most unlikely of people I believe in miracles we see them around us all the time Wiersema says I believe in not having the answers in there being forces beyond our understanding **American Bee Journal** ,1870 Includes summarized reports of many bee keeper associations
