Responsive Community Building in High Need Contexts David P. Moxley,2025-10-02 This book provides a description of what a good human service organization is and what it does The author relies on a broad framework to define good and offers a fictional account as a methodology using his considerable consulting and research experience in human service organizations as a content enriching approach to the case examples he presents in this volume The book details the fictional story of Fifth Street a non governmental organization nested in a high need community which itself is hypothetical but reflects what is occurring within communities whose residents are struggling with poverty The content of this fictional account leans on a synthesis of multiple case examples This approach will appeal to faculty and students as well as practitioners who are seeking a grand example of how human service organizations can work effectively in high need contexts Students will also gain from the ethical perspective the author presents in this monograph This is a project of hope one that can inspire us all practicing in human services to strive for the best in novel and innovative ways

Advances in Culture, Tourism and Hospitality Research Arch G. Woodside,2008-07-25 Presents answers to the following questions how do tourists go about seeking high novelty and yet return to the same destination How do some firms in the same industry end up embracing industrial tourism while other firms reject such business models How do executive leadership styles affect employee satisfaction in international tourist hotels

The Five Literacies of Global Leadership Richard David Hames,2015-06-10 New research has exposed our leadership paradigm as a outdated mess of flawed models and practices

By working with great leaders and observing their common attitudes and behaviours Richard Hames has cracked a universal code based on intelligence appreciation and collaboration This code unlocks Five Literacies of Global Leadership These behaviours are the trade secrets of the artists and alchemists among us Often instinctively these leaders charge others with energy search for new perspectives and embrace diversity And they are driven by dialogue This book reveals approaches and attitudes that they all share and that can make anyone an exceptional leader

Resolana Miguel Montiel,Tomás Atencio,E. A. "Tony" Mares,2022-03-29 Villagers in northern New Mexico refer to the south facing side of a wall as la resolana meaning the place where the sun shines Every culture has a resolana a place where the resolaneros the villagers gather dialogue and reflect on society culture and politics The buried knowledge that emerges from this process may be pure gold or el oro del barrio a metaphor for the culturally contextualized knowledge gathered at the resolana Coming from diverse backgrounds in social work sociology public administration literature history and education three modern resolaneros take the twin concepts of resolana and el oro del barrio on a breathtaking journey from their rural roots to their application in an urban setting and on to a holistic view of globalization The authors offer a humane perspective on transborder cultures and all communities struggling to maintain their cultural and linguistic identities They share an optimistic view of how ordinary people everywhere can take back control of their own destinies This book is about uncovering subjugated knowledge el oro del barrio through resolana a dynamic process of thought and action Resolana will inspire dialogue and creativity from those interested in sociology political science social work and Chicano studies as well as public policy makers and the general public

The Return of Collective Intelligence Dery Dyer,2020-01-07 Reveals how we can each reconnect to collective intelligence and return our world to wholeness balance and sanity Explains how collective intelligence manifests in flocks of birds instantaneous knowing in indigenous peoples and the power of sacred places Offers ways for us to reconnect to the infinite source of wisdom that fuels collective intelligence and underscores the importance of ceremony pilgrimage and initiation Draws on recent findings in New Paradigm science traditional teachings from indigenous groups from North South and Central America and Siberia as well as sacred geometry deep ecology and expanded states of consciousness For our ancestors collective intelligence was a normal part of life We see it today as the mysterious force that enables flocks of birds swarms of bees and schools of fish to function together in perfect synchrony communicating and cooperating at some undetectable level At its most subtle it s an instantaneous knowing shared by members of a group of the wisest course of action that will benefit all As Dery Dyer reveals collective intelligence still resides within each of us and it is the key to restoring balance and harmony to our world She shows how it occurs spontaneously when individuals who share a need and a purpose instinctively self organize into a group and function with no leader or central authority Such groups exhibit abilities much greater than what any of their members possess individually or what can be replicated with artificial intelligence Dyer explains due to an unquestioning dependence on technology modern humanity has forgotten how to

connect with collective intelligence and fallen into collective stupidity otherwise known as mob mind or groupthink which is now endangering the interconnected web of life on Earth Drawing on recent findings in New Paradigm science traditional teachings from indigenous groups as well as sacred geometry deep ecology and expanded states of consciousness the author shows how the ability to think and act collectively for the highest good is hardwired in all living beings She explains how to release ourselves from enslavement by technology and use it more wisely toward the betterment of all life Underscoring the vital importance of ceremony pilgrimage and initiation she offers ways for us to reconnect to the infinite source of wisdom that fuels collective intelligence and which manifests everywhere in the natural world Revealing that once we relearn how to hear the Earth we can heal the Earth Dyer shows how each of us has a vital role to play in restoring our world to wholeness
