Confrontation Nahla Abdo, Ronit Lentin, 2002-06-01 As the crisis in Israel does not show any signs of abating this remarkable collection edited by an Israeli and a Palestinian scholar and with contributions by Palestinian and Israeli women offers a vivid and harrowing picture of the conflict and of its impact on daily life especially as it affects women's experiences that differ significantly from those of men The autobiographical narratives in this volume focus on some of the most disturbing effects of the Israeli-Palestinian conflict a sense of dislocation that goes well beyond the geographical meaning of the word it involves social cultural national and gender dislocation including alienation from one's own home family community and society The accounts become even more poignant if seen against the backdrop of the roots of the conflict the real or imaginary construct of a state to save and shelter particularly European Jews from the horrors of Nazism in parallel to the other side of the coin Israel as a settler colonial state responsible for the displacement of the Palestinian nation

Translating Israel Alan L. Mintz, 2001-06-01 Reflects the rise of literature in modern day Israel and the problematic reception of literature in America and within the American Jewish community Israeli literature provides a unique lens for viewing the inner dynamics of this small but critically important society In addition its leading writers such as S Y Agnon Yehuda Amichai Amos Oz and A B Yehoshua among others are recognized internationally as major world literary figures Despite this international recognition the rich literary tradition of Israeli literature has failed to reverberate and find significant readership or a following in America even among the American Jewish community Alan L Mintz traces the reception of Israeli literature in America from the 1970s to the present He analyzes the influences that have shaped modern Israeli literature and reflects on the cultural differences that have impeded American and American Jewish appreciation of Israeli authors Mintz then turns his attention to specific writers examining their reception or lack thereof in America and places them within the emerging unfolding critical dialogue between the Israeli and American literary culture

The Rhetoric of Violence Kamal Abdel-Malek, 2016-04-30 Despite the urgent need to develop understandings of the Palestinian Israeli conflict in the light of the current situation in the Middle East the role of violence and reconciliation in Palestinian and Israeli literature and film has received only brief treatment This book is intended to fill that void that is to explore how Israelis and Palestinians view and depict themselves and each other in situations that lead to either violence or reconciliation and the ways in which both parties define themselves in relation to one another The book examines selected Palestinian and Israeli literary works and a small number of films and their tacit assumptions about Israeli Jews It will attempt to look at among other questions a is violence perceived as a means of empowerment b is there connection between imaginary violence in literature and actual violence and what is the nature of the association between creative writers and violence eg popular writer Ghassan Kanafani who is also a spokesman for the violent PFLP

A Question of Tradition Kathryn Hellerstein, 2014-07-23 In A Question of Tradition Kathryn Hellerstein explores the roles that women poets played in forming a modern Yiddish literary tradition Women who wrote in Yiddish go largely unrecognized outside a rapidly diminishing Yiddish readership Even in the heyday of Yiddish literature they were regarded as marginal But for over four centuries women wrote and published Yiddish poems that addressed the crises of Jewish history from the plague to the Holocaust as well as the challenges and pleasures of daily life prayer art friendship nature family and love Through close readings and

translations of poems of eighteen writers Hellerstein argues for a new perspective on a tradition of women Yiddish poets Framed by a consideration of Ezra Korman s 1928 anthology of women poets Hellerstein develops a discussion of poetry that extends from the sixteenth century through the twentieth from early modern Prague and Krakow to high modernist Warsaw New York and California The poems range from early conventional devotions such as a printer s preface and verse prayers to experimental transgressive lyrics that confront a modern ambivalence toward Judaism In an integrated study of literary and cultural history Hellerstein shows the immensely important contribution made by women poets to Jewish literary tradition
